**Notes:**

- The term "Manufactures" must be understood, in its largest sense, to include not only factories and large works, but also the mechanical trade, in blacksmithing, carpentry, engineering, &c.
- The smallest shop should not be excused, provided the production amounts $500 annually, including the cost of materials. Enumerators will take pains to reach all of the productive establishments, large and small, within their several districts.

**Columns:**

- **Column 1:** Name of Business or Factory, Factory, or Shop.
- **Column 2:** Capital and Stock.
- **Column 3:** Amount of Capital and Stock.
- **Column 4:** Number of Hands.
- **Column 5:** Weekly Average of Hands.
- **Column 6:** Wage and Hours of Labor.
- **Column 7:** Hours on Slip.
- **Column 8:** Power used in Manufacture.
- **Column 9:** Number of Pieces Turned Out.
- **Column 10:** Value of Total Production.

**Additional Notes:**

- The term "Manufactures" must be understood, in its largest sense, to include not only factories and large works, but also the mechanical trade, in blacksmithing, carpentry, engineering, &c.
- The smallest shop should not be excused, provided the production amounts $500 annually, including the cost of materials. Enumerators will take pains to reach all of the productive establishments, large and small, within their several districts.

Explanation.—The term "Manufacturing Industry" must be understood, in its largest sense, to include not only all factories and large works, but also the mechanical trades, viz., blacksmithing, carpentering, joinering, etc. The smaller shops should not be included, provided the products made therein are sold in the market. The information will be taken to the credit of all persons employed in the manufacturing industries, large and small, within their several districts.

Column I.—The kind of business or the class of product should be stated as accurately as possible, viz., Raising and Marketing, Cotton, Corn, Tobacco, Flax, Silk, Wool, Leather, Blacksmithing, etc.

Column 12.—The hours of the day should be stated in the following manner: 12 to 12, 2 to 12, 12 to 2, etc.

Column 13.—The hours of the week should be stated in the following manner: 6 to 6, 7 to 7, 8 to 8, etc.

Column 14.—The hour of the month should be stated in the following manner: 1st to 1st, 2nd to 2nd, 3rd to 3rd, etc.

Column 15.—The hour of the year should be stated in the following manner: 1st to 1st, 2nd to 2nd, 3rd to 3rd, etc.

Column 16.—The kind of product should be stated as accurately as possible, viz., Raising and Marketing, Cotton, Corn, Tobacco, Flax, Silk, Wool, Leather, Blacksmithing, etc.

Column 17.—The value of the product should be stated as accurately as possible, viz., Raising and Marketing, Cotton, Corn, Tobacco, Flax, Silk, Wool, Leather, Blacksmithing, etc.

Column 18.—The price per ton or piece should be stated as accurately as possible, viz., Raising and Marketing, Cotton, Corn, Tobacco, Flax, Silk, Wool, Leather, Blacksmithing, etc.
