Notes: All the 12 months of the year should be accounted for by them; 3 months on full time, 6 months on full time and 4 months on half time, or 10 months on full time and two months idle.

The description of the purpose of erudition and products of the trade, is not to be included in the account. The kindred and fuel should be included.

The nature of the work, the number of persons engaged, the products, etc., are to be given in the following order. In the case of small shops producing goods or doing work for the neighborhood only, the value of the products means the price charged at the shop.

Kindred—This is of great importance. The best information available should be used in filling these blanks.
LUMBER MILLS AND SAW-MILLS—BRICK YARDS AND TILE WORKS.

Products of Industry in , in the County of , State of , during the twelve months beginning June 1, 1879, and ending May 31, 1880, as enumerated by me.
