

Received August 21, 80

Supervisor's Dist. No. 5
Enumeration Dist. No. 24

Special Schedules of Manufactures—Nos. 7 and 8.

FLOUR AND GRIST MILLS—CHEESE, BUTTER, AND CONDENSED MILK FACTORIES.

Products of Industry in Union Township, in the County of Lewis, State of Missouri during the twelve months beginning June 1, 1879, and ending May 31, 1880, as enumerated by me.

FLOURING AND GRIST-MILLS.

J. Theopold

Table with 26 columns: 1-26. Includes fields for Name of Corporation, Capital, Average Number of Hands Employed, Wages and Hours of Labor, Months in Operation, Estimated maximum capacity, and Power Used in Manufacture.

FLOURING AND GRIST-MILLS—Continued.

Table with 17 columns: 27-44. Includes fields for Power Used in Manufacture (Steam, Water, Horse), Materials (Wheat, Rye, Barley), and Products (Wheat Flour, Rye Flour, Barley Meal, Corn Meal, Feed, Honey, Other Products).

CHEESE FACTORIES: BUTTER FACTORIES: COMBINED BUTTER AND SKIM-CHEESE FACTORIES: CONDENSED MILK FACTORIES.

Table with 24 columns: 1-24. Includes fields for Name of Corporation, Capital, Average Number of Hands Employed, Wages, Dates when manufacturing season opened, Average number of cows, Average price of milk, Total number of pounds of milk used, and Number of pounds of cheese made.

CHEESE FACTORIES: BUTTER FACTORIES: COMBINED BUTTER AND SKIM-CHEESE FACTORIES: CONDENSED MILK FACTORIES—Continued.

Table with 25 columns: 25-50. Includes fields for Price per 100 pounds paid for making, Cost of furnishing, Value of butter and skimmed milk sold, Number of pounds of butter made, Average price per pound, and Power Used in Manufacture.

NOTES.—All the 12 months of the year should be accounted for thus: 12 months on full time; or 8 months on full time and 4 months on half time; or 10 months on full time and two months idle. The inquiries in respect to the values of material and of product are of prime importance. Great care and judgment should be exercised in making the returns relative thereto. The cost of Superintendence, Rent, Freight of goods to market, and other general expenses of a manufacturing establishment are not to be included in Materials. Mill Supplies and Fuel should be included. The value of the Product, in the case of mills and factories producing for a distant market, means the wholesale price of the goods. In the case of small shops producing goods or doing work for the neighborhood only, the value of the product means the price charged at the shop. POWER USED IN MANUFACTURE.—If the stream is a very small one, mention also the larger stream or river into which it flows. Only serviceable boilers and engines are to be reported. HORSE-POWER.—This is an inquiry of great importance. The best information available should be used in filling these columns.

NOTES RELATIVE TO CHEESE AND BUTTER FACTORIES.

COLUMNS 1 to 15 have reference to all factories of this class, and should be filled for every establishment enumerated. COLUMNS 16 to 21 have reference to manufacturers of cheese only. COLUMNS 22 to 27 have reference to manufacturers of butter only. COLUMNS 28 to 38 have reference to those factories that manufacture both cheese and butter. COLUMNS 39 and 40 have reference to manufacturers of condensed milk.

TENTH CENSUS
of the
UNITED STATES.

Department of the Interior,

CENSUS OFFICE,

Washington, D. C., December 21, 1880

To J. P. Baldwin & Son,
Dickerson Township
Lewis County
Gentlemen Missouri

Your attention is respectfully invited to the inclosed copy of the Enumerator's Return of your Establishment to this Office, which, upon examination, is found to be incomplete in the following particulars:

He has failed to file (columns 30 to 35) inclusive the quantity and value of material also (columns 36 to 44) inclusive the kind and quantities of product with the value thereof, you will please in filling the columns checked, to include both your custom grinding (if any) and what you may have purchased and got run on personal boature.

You will please fill up the columns marked (✓) on the inclosed blank, and return the same to this Office, in the accompanying envelope, without postage.

Very respectfully,

Francis A. Walker

Superintendent of Census.

NOTES.—Where actual figures cannot be ascertained, carefully prepared estimates or approximate statements will be accepted.

The amount paid in wages and the value of materials combined (columns 11 + 35), should in no case exceed the value of the product (column 11), except where the parties have sustained a loss during the Census year. Such cases are rare.
