Note: All the 12 months of the year should be measured for full time; 11 months on full time and 1 month on half time, 10 months on full time and 2 months on half time.

The form of produce may be specified in the rent and must be assumed as produced for the manufacturing of butter only.

The size of the butter is to be noted, and the number of pounds of butter produced per day is to be stated with the number of days in the month. In the case of small shops producing butter for local sale only, the value of the product must be stated on the sheet of the day at which it is produced.

Notes relative to cheese and butter factories:

1. In full time, half time, and 1/2 time, the cheese and butter factories are to be regarded as the cheese and butter factories.

2. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

3. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

4. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

5. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

6. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

7. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

8. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

9. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

10. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

11. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

12. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

13. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

14. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

15. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

16. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

17. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

18. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

19. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

20. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

21. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

22. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

23. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

24. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

25. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

26. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

27. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

28. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

29. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

30. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

31. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

32. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

33. In the case of cheese and butter factories, the cheese and butter factories are to be regarded as the cheese and butter factories.

NOTES RELATIVE TO CHEESE AND BUTTER FACTORIES.

Columns 1 to 10 have reference to all factories of this class, and should be filled in every establishment enumerated.

Columns 11 to 21 have reference to manufacturers of cheese only.

Columns 22 to 32 have reference to manufacturers of butter only.

Columns 33 to 43 have reference to manufacturers of condensed milk and cheese and butter.

Columns 44 and 54 have reference to manufacturers of condensed milk.

Note: All the tables of the year should be executed for cheese. If cheese is not sold, or if none is sold, the entries for cheese should be left blank.
