### NOTES RELATIVE TO CHEESE AND BUTTER FACTORIES.

- **Cheese:** A lb here refers to all factors of the cheese, and should be filled for every establishment connected.
- **Butter:** A lb here refers to manufactures of butter only.
- **Condensed Milk:** A lb here refers to manufactures of condensed milk only.

- **Total lbs of cheese produced per day.**
- **Butter produced per day.**
- **Condensed milk produced per day.**

**Notes:** All the data in this table should be recorded for the previous 12 months. If no production occurred during the past year, the entry should be left blank.

Only data from cheese factories should be included in this table. Only data from butter and condensed milk factories should be included in this table. Only data from cheese factories should be included in this table. Only data from butter and condensed milk factories should be included in this table.

CHEESE FACTORIES: BUTTER FACTORIES: COMBINED BUTTER AND SKIM-CHEESE FACTORIES: CONDENSED MILK FACTORIES.

![Cheese Factory Table]

---

NOTES RELATIVE TO CHEESE AND BUTTER FACTORIES.

1. All the 12 months of the year should be entered for the 12 months of full time, or 9 months of full time and 3 months in half time, or 9 months of full time and two months idle.
2. The purpose is to express the number of months in which the article was manufactured. The average and proportion should be stated in making the above statement.
3. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
4. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
5. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
6. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
7. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
8. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
9. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
10. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
11. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
12. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
13. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
14. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
15. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
16. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
17. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
18. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
19. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
20. The sale of butter and cheese should be stated in cases. The number of cases of butter and cheese sold in each month should be stated, and the number of cases in which the cheese is sold, and the number of cases in which the butter is sold, should be stated separately.
