Notes—At the end of the year shall be included: 12 months of all time; 6 months on full time; or 8 months on full time and 4 months on half time; or 10 months on full time and two months of half time.

The report is required on a plan of statistical and product of each of the processes. Detailed reports should be included in making the accurate product returns.

The reports of cheese factories, butter factories, and other general expressions of a manufacturing establishment are not to be included in the reports. Milk factories and flour shall be included.

The report is required in cases of cheese factories and butter factories for all months, provided the cheese and butter are manufactured. The cheese and butter factories are to be reported. In the case of small shops producing goods of little worth, the total of the production shall be charged at the shop.
