SALT WORKS.

---

SALT WORKS—Continued.

---

Notes.—All the 12 months of the year should be accounted for, if made up of full time, or 1 month as full time and 4 months as half time, or 10 months as full time and two months half.

The working of the salt is to be included in the time of the partner, and should be included even if on a piece system. The number of partners and their time of working should be included in the account of the partner. The time of the partner should be included in the account of the partner. The time of the partner should be included in the account of the partner.
