Acknowledgement

By filling out this form, I am acknowledging:

1. That the record becomes the non-exclusive property of the Office of the Missouri Secretary of State. The record will become part of the collections of the Missouri State Archives and will be made available to the public. I understand that the images of the record may be reproduced for any purpose by the Office of the Missouri Secretary of State. Proper credit will be given to the submitter.
2. That I am the copyright owner of this record (by virtue of having written the letter myself or because the record was legally transferred to me); or that the record is or will be in the public domain (typically 96 years old or older by 2076); or that I have included written permission from the copyright owner with this submission. The Missouri State Archives and Office of the Missouri Secretary of State are indemnified against any legal challenges to copyright status.
3. That the record and accompanying information contain no violations of privacy with regard to the subject's private personal identifying information (SSN, birthdate, etc.) or health history. All rights to privacy are the responsibility of the submitter. The Missouri State Archives and Office of the Missouri Secretary of State are indemnified against any legal challenges to violations of privacy.
