Historical and Biographical Notes

The Governor's Council on Disability (GCD) promotes the full inclusion of Missourians with disabilities in all aspects of community life (RSMo 37.735). GCD currently focuses their efforts on educating citizens, businesses, and community organizations about their rights and responsibilities under the Americans with Disabilities Act of 1990 (ADA). Previously, the Council's main focus was solely on issues relating to employing the disabled. The council promotes this by conducting educational seminars and trainings,

publishing a newsletter and resource directory, and creating informational brochures. GCD also works with state agencies to ensure ADA compliance and advocates for policy improvements for people with disabilities.

GCD consists of 20 members and a chairperson appointed by the governor (RSMo 37.735). Each Congressional district has one representative with the remaining members in at-large positions, all serving four-year terms. The majority of members are people with a disability, with the remaining positions going to people and organizations that support those with disabilities. GCD has four committees: Executive and Strategic Planning, Finance and Development, Personnel, and Advocacy and Programs. Meetings occur on a quarterly basis.

According to the Missouri Official Manual, the GCD began in 1949 as the Governor's Committee on Employment of the Handicapped (GCEH) to disseminate information about work-related issues facing disabled Missourians, help disabled Missourians find employment (often in cooperation with other state agencies), and work towards equal opportunity for disabled jobseekers. In 1977, House Bill 577 made GCEH part of the Department of Labor and Industrial Relations (DOLIR). Its members also studied architectural accessibility and focused on discrimination issues. GCEH also sponsored local advocacy chapters. The name was changed to the Governor's Committee on Employment of People with Disabilities (GCEPD) in 1988 (RSMo 286.200). The mission of GCEPD evolved to focus on more than just employment issues and in 1994 the General Assembly renamed the organization the Governor's Council on Disability (RSMo 286.200). To better meet its mission, GCD was transferred to the Office of Administration (OA) in 2004 (Executive Order 04-08).
