SERIES

Early Maps of Missouri, 1841-1853

Scope and Content

This collection contains pages from three different early atlases with maps of Missouri. The pages came from:

Mitchell, Samuel Augustus. A New Universal Atlas Containing Maps of the Various Empires, Kingdoms, States and Republics of the World. Thomas, Cowperthwait & Co., Philadelphia, c1853: 33. Map published by Thomas, Cowperthwait & Co. (no engraver's name).

Tanner, H.S. A New Universal Atlas Containing Maps of the Various Empires, Kingdoms, States and Republics of the World. Carey & Hart, Philadelphia, 1844: 28. Map engraved by H.S. Tanner.

Bradford, Thomas G. and S.G. Goodrich. A General Atlas of the World, with a Separate Map of Each of the United States of America. B.W. Thayer & Co.'s Lithogy, Boston, c1841: 40. Map engraved by G.W. Boynton.

Although the atlases were published in 1841, 1844 and 1853, the maps may be earlier. Boynton's especially looks like it could be a little earlier. These maps are available as TIFFs on Manuscript DVD #1 in the Reference Room.

Container List

Location	Box	Folder	Contents	Date
	OB3	10	Thomas, Cowperthwait Map of Missouri, p. 33 (13 ³ / ₄ "x17")	c1853
