## MISSOURI PUBLIC EXPENDITURE SURVEY, 1941-1983 TAXPAYERS RESEARCH INSTITUTE OF MISSOURI, 1983-1993

*Arrangement:* By sub-series, then chronological

### Scope and Content

From the newsletter *Missouri Survey*: “The [Missouri Public Expenditure] Survey is a non-profit, non-partisan organization supported by Missouri citizens and businesses. It is engaged in a program of governmental research, public information and working co-operatively with public officials in the interest of efficient, economical government.” It has a three-fold purpose: to conduct research, work with legislators, and mold public opinion. The Survey group was founded in 1939 and incorporated as a benevolent corporation in 1940 with Frank B. Williams as president. In 1957, the articles of incorporation were re-written and the group converted officially to a non-profit organization. In 1983, the group re-imaged itself again and approved a formal name change to the Taxpayers Research Institute of Missouri, or TRIM. The TRIM dissolved on June 24, 1991, although two subsequent annual reports were produced.
