SERIES

Processed Photographs, 1948-1979

Arranged by subject

Scope and Content

This series contains 1,962 processed negatives (4x5 or smaller) and prints (4x5 or smaller). Most photographs pre-date Whitey Owens, and in fact a vast majority are CID photographers Ralph Walker and Gerald Massie's photographs.

Only one folder of 10 negatives has been digitized. This is a set of images taken on Thomas Hart Benton Day (May 12, 1962) in Neosho, MO of the artist himself and of visiting former US President Harry S Truman. These images are on the Z Drive

as well as on Flickr here:
