Scope and Content

This collection contains 8"x10" copy prints and 4"x5" copy negatives of two images of Civil War reunion group meetings. The names of most of the men in the photographs are in Folder 9. There does not seem to be a single unit to which these men belonged. Some of the men look to be in their 40s, so the photographs could not have been taken after 1890 at the latest.

Both images have been digitized and are on Manuscript DVD #5 in Reference.
