SERIES

Jefferson City Digital Photographs, 1985-2007

Arrangement: Original order kept, mostly alphabetical by site

Scope and Content

These are digital low-resolution JPG images of businesses and other buildings in Jefferson City, Missouri. The collection also includes scans of prints and documents. Most images date from 1987 or 2004-2007. The collection features lesser-known businesses as well as a few iconic sites in Jefferson City such as the Capitol Building and state office buildings.

All images are also on Manuscript DVD #7 in Reference.

Container List

For an item-by-item list, see the Excel spreadsheet. NOTE: The file names in the Excel spreadsheet correspond to Manuscript DVD #7. They do NOT correspond to the file names on the original CD in the Vault. Patrons should use Manuscript DVD #7 when accessing this collection.
