Acquisition Information: Gift with Deed. Accession #2017-0072

Processing Information: Finding aid completed by EW on 04/27/2018. Updated by EW on 10/08/2020, 03/25/2021 and 03/07/2022.

BIOGRAPHICAL AND HISTORICAL INFORMATION

Wilmer A. Ott (1919-1996) formed Wilmer A. Ott Investment Company in 1948. Less than two years later, the company became Sterling Excavating and Erection Company, Inc. The name “Sterling” comes from Sterling Beer, Ott’s favorite. Sterling Co. was a construction and demolition company operating out of Cedar City and Jefferson City and served the mid-Missouri area.

Additional External Resources

The State Historical Society of Missouri maintains the following collections:

[#C2645 James A. Roark Papers, 1896-1940](#)

[#C4275 Sherman Matthews Papers, 1923-1930](#)

DOCUMENTS, 1953-1977

Arrangement: Chronological

Scope and Content

This series primarily contains newspaper clippings. The original newspaper clippings were adhered to photo album pages beneath plastic sheets. The series now contains photocopies on archival paper of the original clippings. There are two original documents as well, both of them from State government officials (John Dalton and James Blair).

PHOTOGRAPHS, 1951-1969

Arrangement: By size, then subject, then chronological

Scope and Content

Photographs taken primarily by Wilmer Ott of Sterling Excavation and Erection Company, aka Sterling Construction Company, Jefferson City. Images cover construction and demolition of buildings in Jefferson City, Cedar City, Fulton, Bagnell Dam, and more, as well as the 1951 flood in Cedar City. The 159 photographs are black and white.

All images have been digitized and are available on DVD in Reference.
