Processing Information: Finding aid completed by EW on 04/27/2018

BIOGRAPHICAL AND HISTORICAL INFORMATION

Grandin was a mill town located in Carter County, Southeast Missouri. The sawmill was the biggest in the nation in its time. Most of the operations came to a close by the late 1910s when the forests were depleted.

SERIES

Digital Photographs, 1903-2001

Arrangement: Ed Jones' photographs first, then the Grandin images; chronological

Scope and Content

Digital scans of original photographs donated to the Ozark National Scenic Riverways. The first seven came from Ed Jones in 2005 to the ONSR. Origin of the other images is unspecified. The other images primarily concern Grandin, MO and the lumber mill. (The old file names from the ONSR are in brackets at the front of the descriptions.)

Images are available on Manuscript DVD #7 in Reference.
