SERIES

Photographs, 1973-1974

Extent: 29 Slides

Arrangement: By subject

Scope and Content

These are mounted color 35mm slides taken by the donor Helen Schuck while on vacation in Missouri. The images have lost some of their red color and appear blueish as a result. Most are images of historic sites. All images have been digitized as 1200dpi tiffs and are on Manuscript DVD #8 in Reference.

Container List
