Compiled by Bill Glankler – MSA St. Louis  
July 2025

Freedom suits are the court records of enslaved individuals suing for their freedom under Missouri law. More information on the history of freedom suits is available here: [https://www.sos.mo.gov/archives/education/aahi/beforeredscott/history\\_freedomsuits](https://www.sos.mo.gov/archives/education/aahi/beforeredscott/history_freedomsuits).

The attached list includes identified freedom suits from around the state, along with links to the entries in the Missouri State Archives Judicial Database (<https://s1.sos.mo.gov/Records/Archives/ArchivesMVC/JudicialRecords/>) when available.

The first list is alphabetical by county and the second list is chronological.
