SENATE COMMITTEE MINUTES AND REPORTS

Extent: 2.4 cubic ft. (5 Hollinger boxes and 2 partials)

Arrangement: Alphabetical

Scope and Content

In previous years, minutes and reports were conveyed and treated as separate series. However, the Senate comingled these records for the present year.

Senate committee minutes are generated by standing, interim, joint, and special legislative committees of the Missouri Senate. The minutes contain information on actions taken on House and Senate bills, including attendance at meetings, bills heard, sponsors, names of witnesses, any final action taken, voting record of committee, and comments.

Senate committee reports contain roll calls of individual votes of committee members in the Missouri Senate on bills and resolutions. Each roll call includes committee name, bill number, committee members and record of their attendance, and record of vote whether to pass bill out of committee and place on consent calendar.

Also included for some committees are correspondence, witness forms, and written testimony.
