## HISTORICAL AND BIOGRAPHICAL NOTES

The Missouri Militia (State Convention) was created by an ordinance of the State Convention passed on April 8, 1865. It was the primary peace-keeping force in post-Civil War Missouri. The Missouri Militia (State Convention) was replaced by the Organized Missouri Militia in 1868.

Regimental returns are paperwork created by various batteries, regiments and battalions and submitted to the Adjutant General. These records are the kind of bureaucratic paperwork on which the Army marched. Due to the chaotic nature of the Civil War and post war period in Missouri, the lack of reliable postal service, and poor record keeping in the field, these records are very incomplete.

The majority of regimental returns for the Missouri Militia (State Convention) are loyalty oaths of officers.
