Next, you will create a legal name for your company.

- Read the instructions in yellow and include LLC, L.L.C., Limited Liability Company, Limited Company, LC or L.C., within your company name.

Click “NEXT: GENERAL INFO”.
Step 7
Under “General Information” you must indicate the duration of your LLC. Duration indicates how long the LLC will operate until it dissolves.

- **Freeform**: the business will dissolve upon the occurrence of a specific event. If you select this option, you will be presented with a text box to write a description of the event.

- **Perpetual**: the business will continue to exist until it is actively dissolved.

- **Date**: the business will dissolve upon a specified date. If you choose this option, you will be prompted to choose a date from a calendar.

Step 8
You must specify if the LLC will be member managed or manager managed.

This determines who will manage the affairs of the company and who will have the authority to bind the company.
Step 9
Specify a purpose for which the LLC is organized.

You may list a specific purpose directly related to your company’s business or endeavor. You may supplement that with, or solely state, that the company’s business is to transact any or all lawful business for which a limited liability company may be organized under Missouri law.

- If you want the effective date to be the same as the date the LLC is submitted or filed, leave this blank.
- Click on the small calendar icon next to the “Future Effective Date” text box only if you desire a future date.
- After this registration is completed, any future changes/corrections to the effective date of registration will result in a fee.
