One new section of the Revised Missouri Statutes is enacted, to be known as
section 192.008, to read as follows:

192.008. 1. “The Missouri Health Insurance Cooperative” (hereinafter referred to
as “MHIC”) is hereby created, within the department of health and senior
services, to provide health insurance for citizens of Missouri who wish to become
members of the cooperative.
2. The MHIC shall be administered by the director of the department of health
and senior services. The department of health and senior services shall, within
one (1) calendar year of the effective date of this section, promulgate rules
necessary for the administration of this section.
3. The state of Missouri is authorized to issue bonds to cover the start-up costs
for the MHIC, as well as any shortages of funds needed to pay authorized
benefits until the funds received from premiums are sufficient to cover those
expenses. Premiums and out-of-pocket maximums for members are to be set
and then adjusted as soon as practicable to fully cover administrative expenses
and benefits paid with money collected from premiums paid by members.
4. Memberships in The Missouri Health Insurance Cooperative shall be available
beginning no later than January 1, 2020.
5. Enrollment in The Missouri Health Insurance Cooperative (hereinafter referred
to as “MHIC”) shall be voluntary and limited to citizens of the state of Missouri.
6. The MHIC shall be revenue-neutral. The percentages of income established
for premiums and out-of-pocket maximums shall be adjusted annually and set at
levels that will insure that revenues are sufficient to cover all costs, including
amounts paid out to members for health care expenses in excess of their out-of-
pocket maximum and all administrative expenses; as well as the funds necessary
to pay principal and interest on bonds issued to fund start-up costs for MHIC.
7. Premiums for insurance coverage through MHIC, as well as the annual out-of-
pocket maximum for members will be based on percentages of each member’s
gross annual income, as determined by the board. Premiums are to be set as
low as possible and out-of-pocket maximums set no higher than necessary to
maintain the revenue neutral status of the MHIC, while making membership as
affordable as possible.
8. Only treatments and procedures deemed medically necessary, as determined
by the department of health and senior services shall be covered through the
MHIC.
9. Members who waive coverage for health care expenses and treatments
commonly associated with smoking tobacco or consuming alcohol or recreational
use of drugs will receive a discount on their premiums that reflects, as accurately
as possible the benefits to the MHIC result from not having to pay for such care
and treatment for individuals who do not smoke tobacco products, consume
alcohol in excess, or use recreational drugs. Should the general assembly elect
to provide subsidies to MHIC for health care expenses and treatments commonly
associated with smoking tobacco, consuming alcohol, or other recreational drug
use through the collection of excise taxes on tobacco products, alcohol, or
recreational drugs, this discount will be suspended and all members of MHIC will
pay the same percentage of their income as premiums.
10. Members of the MHIC and health care providers in the state of Missouri, are
responsible for keeping records and receipts for covered health care, to be
furnished to the MHIC if expenses for needed health care exceed the out-of-
pocket maximum for a given calendar year and reimbursement is thereby
requested. Receipts must be provided to the MHIC upon request.
11. All subsections and all clauses of this statute, and the phrases, and the
words within them, are severable. If any of the provisions within them are found
by a court of competent jurisdiction to be unconstitutional or unconstitutionally
enacted or invalid, the remainder of those provisions shall remain valid and the
application of such provisions shall not be affected thereby.
