NOTICE: The proposed amendment revises Article I of the Constitution by adopting one new section to be known as Article I, Section 36.

Be it resolved by the people of the state of Missouri that the Constitution be amended as follows:

Section A. Article I of the Constitution is revised by adopting one new Section to be known as Article I, Section 36 to read as follows:

Section 36. 1. The state shall not deny or interfere with the fundamental right to refuse to have an abortion.

2. The state shall not deny or interfere with the fundamental right to refuse contraceptives.

3. Notwithstanding any other provision of law to the contrary, no taxpayer funds shall be directed, appropriated, or used in support of the provision of abortion in this state. This subsection does not authorize the general assembly to refuse to appropriate funds to a health care provider in this state if such health care provider performs abortions.

4. The state shall not deny or interfere with the fundamental right to choose to have an abortion, before fetal viability, in the case of rape or sexual assault, incest, fatal fetal abnormality, or risk to the health or safety of the female seeking an abortion.

a. In the event of a rape or sexual assault, no abortion shall be performed unless the alleged rape or sexual assault has been reported to a rape or sexual assault crisis hotline.

5. The state shall not deny or interfere with the fundamental right to choose contraceptives.

6. Nothing in this section shall be construed to repeal any law existing at the time of its passage unless such existing law directly conflicts with any provision of this section.

7. Notwithstanding any other provision of law to the contrary, no person may be subject to any criminal prosecution or civil penalty:

a. if such person is a pregnant female and induces, seeks, or obtains an abortion in this or any state;

b. if such person is a health care provider performing, inducing, or assisting in the performance or induction of an abortion as provided for in this section; or

c. if such person assists or provides support to a pregnant female in obtaining an abortion in this or any state.

8. Notwithstanding any other provision of law to the contrary, no taxpayer funds shall be directed, appropriated, or used in support of the criminal prosecution of:

a. any pregnant female for inducing, seeking, or obtaining an abortion;

b. any health care provider for performing, inducing, or assisting in the performance or induction of an abortion as provided for in this section; or

c. any person for assisting or providing support to a pregnant female in obtaining an abortion.

9. The rights guaranteed by this section shall be unalienable. Any restriction on these rights shall be subject to strict scrutiny and the state of Missouri shall be obligated to uphold these rights and shall under no circumstances decline to protect against their infringement.
