*Be it resolved by the people of the state of Missouri that the Constitution be amended:*

Article XV of the Missouri Constitution is revised by amending and adding Article XV Section 1. The following underlined text would be added.

ARTICLE XV  
HEALTHCARE SECTION 1

1. The purpose of this section is to permit Missouri licensed Advanced Practice Registered Nurses to provide healthcare to patients who chose an Advanced Practice Registered Nurse for healthcare. Advanced Practice Registered Nurses will increase healthcare availability throughout Missouri by offering more choice of healthcare providers. This creates a larger healthcare network in Missouri with Advanced Practice Registered Nurses who are included in healthcare insurance panels. Advanced Practice Registered Nurses will improve health results throughout Missouri by increasing health prevention, health education, diagnosis, and treatment of acute and chronic health conditions, including prescribing all needed medications. In communities this will decrease wait times to get healthcare, reduce transportation issues having more local healthcare and increase provider choice while reducing healthcare costs for patients and Missouri.
2. Definition. "Advanced Practice Registered Nurses" includes Certified Nurse Practitioners, Certified Clinical Nurse Specialists, Certified Nurse Midwives and Certified Nurse Anesthetists licensed and in good standing under Missouri law.
3. Advanced Practice Registered Nurses are licensed healthcare practitioners regulated solely by Missouri State Board of Nursing. Advanced Practice Registered Nurses shall practice with an Advanced Practice Registered Nurse license issued by Missouri State Board of Nursing.
4. Advanced Practice Registered Nurses may and will collaborate with any other healthcare professionals as determined by patient needs, including but not limited to physicians, pharmacists, registered professional nurses, physical therapists, occupational therapists, speech therapists, audiologists without required written agreements.
5. The Missouri General Assembly or the Missouri Executive Branch shall not enact laws or rules that are inconsistent with this section.
6. Advanced Practice Registered Nurses licensed and granted a controlled substance prescriptive authority certificate by Missouri State Board of Nursing can prescribe schedule II-V controlled substances, after obtaining registrations from the Missouri Bureau of Narcotics and Dangerous Drugs (BNDD) and the Federal Drug Enforcement Administration (DEA) which then allows Missouri Board of Pharmacy to accept all prescriptions prescribed by Advanced Practice Registered Nurses.
