Be it resolved by the people of the state of Missouri that the Constitution be amended:

Section A. Article XI of the Constitution is revised by adopting one new Section to be known as Article XI, Section 14 to read as follows:

Section 14. 1. The people of Missouri find and declare that unnecessary delay in business licensing harms economic opportunity. It is the policy of this state to ensure prompt and fair action on all business license applications.

2. A licensing authority shall approve or deny a completed application for a business license within sixty (60) calendar days after the date the completed application is received.

3. If a licensing authority does not issue a written approval or written denial within sixty (60) calendar days of receiving a completed application, the application shall be deemed approved by operation of law, and the licensing authority shall promptly issue the license.

4. The sixty-day deadline may be extended by mutual written agreement between the applicant and the licensing authority.

5. The automatic-approval provision does not apply to:

a. Licenses or permits for activities regulated primarily under federal law where the state is acting as a delegated agent and federal law requires a longer review period.

b. Licenses involving public health, safety, or environmental reviews where applicable federal standards require longer timelines.

c. Healthcare licenses, registrations, or permits, as defined in subsection 11(d).

d. Childcare facility licenses, registrations, or permits, as defined in subsection 11(e).

e. Gaming, lottery, pari-mutuel, horse racing, casino, charitable gaming, sports wagering, online gaming, or any other gambling-related licenses, permits, or registrations issued under Chapter 313, RSMo, or successor provisions.

f. Liquor licenses, permits, or related authorizations under Chapter 311, RSMo.

g. Marijuana, cannabis, or other controlled substance cultivation, manufacturing, distribution, testing, pharmacy, dispensary, or related licenses, registrations, or permits issued under Chapters 195 or 196, RSMo, Article XIV of the Missouri Constitution, or successor provisions.

h. Tobacco product manufacturing, wholesale, retail, or distribution licenses, permits, or registrations under Chapters 149 or 407, RSMo, or successor provisions.

i. Professional licenses where the applicant is under pending disciplinary investigation for conduct that, if proven, would disqualify the applicant.

j. Any application where a background check from another jurisdiction is required and cannot reasonably be completed within sixty days despite the licensing authority's good-faith efforts.

6. This Section does not alter Substantive qualifications for licensure, any lawful requirement for background checks, fingerprints, or investigations, any applicable federal requirements, or the authority of licensing authorities to deny applications for lawful reasons.

7. This Section is a matter of statewide concern. Any statute, regulation, ordinance, rule, or policy in conflict with this Section is superseded.

8. This Section is self-executing. The general assembly may enact laws consistent with this Section to facilitate its operation.

9. If any provision of this Section or its application is held invalid, the remaining provisions shall continue in effect.

10. This Section shall take effect October 1, 2027.
