1. INTRODUCTION AND GENERAL INFORMATION

This section of the RFQ includes a brief introduction and background information about the intended acquisitions and/or services for which the requirements herein are written. The contents of this section are intended for informational purposes and do not require a response.

Purpose:

This document constitutes a request for quote for the provision of four (4) workshops and three (3) live webinars to be held in Missouri, between October 15, 2020, and November 15, 2020. The webinars are to be recorded and archived (archived for no less than one year from date of webinar), for Office of the Secretary of State, Missouri State Library (referred to hereinafter as the Department).

The goal of these workshops is to prepare public and school library personnel with activities and ideas to use for the 2021 Summer Reading Program in the public or school library or as part of outreach efforts. The 2021 theme is Animals and Stories, with a slogan of "Tails and Tales." In addition to exploring the Animals and Stories national theme, instruction shall integrate Missouri's Bicentennial into the 2021 Summer Reading Program. The workshop content and webinar series shall be broken into three segments: Children, Teen and Adult Summer Reading Programs. Bids submitted in response to this Request for Quotation must include all four (4) workshops, the webinars, and rights to link the recorded webinars for viewing by Missouri public and school library personnel.

A vendor may bid on one, two or three of the age groups (children, teens and/or adults). The Department may award to multiple vendors. Each age group shall take no more than two (2) hours per workshop and no more than 1 ½ hours per webinar. Suggested agendas will be considered.

The Department cannot guarantee an exact number of attendees. All numbers quoted herein are approximate. However, it is estimated that no more than 50 participants will be in attendance for the onsite workshops and 200 participants for the webinars. Attendees will be personnel from public libraries and schools in both rural and urban settings.

Questions Regarding the RFQ:

- 1.1.1 It is the vendor's responsibility to ask questions, request changes or clarifications, or otherwise advise the Department if the vendor believes that any language, specifications, or requirements are: (1) ambiguous, (2) contradictory or arbitrary, (3) violate any state or federal law or regulation, (4) restrict or limit the requirements to a single source, or (5) restrict or limit the vendor's ability to submit a bid.
 - a. The vendor and the vendor's agents (including subcontractors, employees, consultants, or anyone else acting on their behalf) must direct all of their questions or comments regarding the RFQ, the solicitation process, the evaluation, etc., to the buyer of record indicated on the first page of this RFQ. Inappropriate contacts to other personnel are grounds for suspension and/or exclusion from specific procurements. Vendors and their agents who have questions regarding this matter should contact the buyer.
 - b. Upon the Department's consideration of questions and issues and if the Department determines that changes are necessary, the resulting changes will be included in a subsequently issued RFQ addendum(s); absence of such response indicates that the questions and issues were considered but deemed unnecessary for an RFQ addendum. All vendors will be advised of any change to the RFQ's language, specifications, or requirements by a formal addendum to the RFQ. There will be no posted written records of the questions/communications (i.e., formal question/answer document).

NOTE: The only official position of the State of Missouri shall be that which is contained in the RFQ and any addendums thereto.

END OF PART ONE: INTRODUCTION AND GENERAL INFORMATION

- b. The Department will monitor the contractor's compliance in meeting the Organizations for the Blind/Sheltered Workshop participation levels committed to in the contractor's awarded bid. If the contractor's payments to the participating entities are less than the amount committed, the state may cancel the contract and/or suspend or debar the contractor from participating in future state procurements, or retain payments to the contractor in an amount equal to the value of the participation commitment less actual payments made by the contractor to the participating entity. If the Department determines that the contractor becomes compliant with the commitment, any funds retained as stated above, will be released.

END OF PART THREE: CONTRACTUAL REQUIREMENTS

4. BID RESPONSE SUBMISSION INFORMATION AND REQUIREMENTS

This section of the RFQ includes information and instructions to the vendor that are integral to vendors submitting a bid. The contents of this section are informational and instructional. Many of the instructional provisions require certain actions by the vendor in submitting a bid.

4.1 Submission of Solicitation:

4.1.1 Submission of Information – To facilitate the evaluation process, the bidder is encouraged to submit bid information by sections that correspond with the individual evaluation categories described herein. The bidder is cautioned that it is the bidder's sole responsibility to submit necessary information. The State of Missouri is under no obligation to solicit any information if it is not included with the bid. The bidder's failure to submit information with the bid, including pricing, may cause an adverse impact on the evaluation of the bid. The bid proposal shall include:

- Brief outline of workshops and webinar plans, including a sample of hands-on small group activities, polls, etc. to be used. Attach a separate sheet, if necessary.
- Contractor fee must be a firm, fixed amount for all costs for development and presentation of the workshops and webinars. This shall be listed on Exhibit A, Pricing Page.
- Contact information for three references for whom similar training was provided for quotes over \$3,000 and one reference for quotes under this amount. The bidder should copy and complete Exhibit C, Current/Prior Experience, for each reference being submitted as demonstration of the bidder's current/prior experience. The bidder is advised that if the contact person listed for the reference is unable to be reached during the evaluation, the listed experience may not be considered.
- Complete other Exhibits, located in this RFQ, as applicable (refer to pages 20-34).

4.2 Compliance with Requirements, Terms and Conditions:

4.2.1 Vendors are cautioned that the State of Missouri shall not award a non-compliant solicitation response. Consequently, a vendor indicating non-compliance or providing a bid in conflict with mandatory requirements, terms, conditions or provisions of the RFQ may result in the vendor's bid being rendered as non-responsive and eliminated from further consideration for award.

4.2.2 The vendor is cautioned when submitting pre-printed terms and conditions or other type material to make sure such documents do not contain other terms and conditions which conflict with those of the RFQ and its contractual requirements.

4.2.3 In order to ensure compliance with the RFQ, the vendor should indicate agreement that, in the event of conflict between any of the vendor's bid and the RFQ requirements or terms and conditions, the RFQ shall govern. Taking exception to the Department's terms and conditions may render a vendor's bid unacceptable and removed from consideration for award.

4.3 Confidential Materials:

4.3.1 Pursuant to section 610.021, RSMo, the vendor's bid and related documents shall be considered an open record.

- a. Section 610.011, RSMo, requires that all provisions be "*liberally construed and their exceptions strictly construed*" to promote the public policy that records are open unless otherwise provided by law.
- b. Regardless of any claim by a vendor as to material being confidential and not subject to copying or distribution, or how a vendor characterizes any information provided in its bid, all material submitted by the vendor in conjunction with the RFQ is subject to release in relation to a request for public records under the Missouri Sunshine Law (see chapter 610, RSMo). Only information expressly permitted to be closed pursuant to the strictly construed provisions of Missouri's Sunshine Law will be treated as a closed record and withheld from any public request submitted to the Department. The vendor should

presume information provided to the Department in a bid will be public and made available upon request in accordance with the provisions of state law. The vendor's sole remedy for the state's denial of any confidentiality request shall be limited to withdrawal of their bid in its entirety. It is not the State of Missouri's intention to have requested any confidential material as part of the vendor's bid. Therefore, vendors should NOT include confidential material with their bid.

- c. In no event will the following be considered confidential or exempt from the Missouri Sunshine Law:
- 1) Vendor's entire bid including client lists, references, proposed personnel, and methodology;
 - 2) Vendor's pricing; and
 - 3) Vendor's product specifications unless specifications specifically disclose scientific and technological innovations in which the owner has a proprietary interest (see subsection 15 of section 610.021, RSMo).

4.4 Solicitation Submittal Documentation - The vendor should include a completed copy of each exhibit and any other documentation requested or required herein with the bid. The vendor is cautioned that it is the vendor's sole responsibility to submit requested information and that the State of Missouri is under no obligation to solicit such information if it is not included with the bid. The vendor's failure to submit such information may adversely affect the evaluation of the bid.

- 4.4.1 The vendor must provide pricing for all line items as required on Exhibit A, Pricing Page,
- 4.4.2 Experience - The vendor should complete Exhibit C with information related to previous and current services/contracts performed by the vendor's organization which are similar to the requirements of this RFQ. If the vendor is proposing an entity other than the vendor to perform the required services, the vendor should also submit the information requested for such proposed subcontractor.

- 4.4.4 Affidavit of Work Authorization and Documentation - Pursuant to section 285.530, RSMo, if the vendor meets the section 285.525, RSMo, definition of a "business entity" ([Section: 285.0525 Definitions. RSMO 285.525](#)), the vendor must affirm the vendor's enrollment and participation in the E-Verify federal work authorization program with respect to the employees hired after enrollment in the program who are proposed to work in connection with the services requested herein. The vendor should complete applicable portions of Exhibit I, Business Entity Certification, Enrollment Documentation, and Affidavit of Work Authorization. The applicable portions of Exhibit I must be submitted prior to an award of a contract.
- 4.4.5 Debarment Certification – The vendor certifies by signing the signature page of this original document and any addendum signature page(s) that the vendor is not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded from participation, or otherwise excluded from or ineligible for participation under federal assistance programs. The vendor should complete and return the attached certification regarding debarment, etc., Exhibit J with the bid. This document must be satisfactorily completed prior to award of the contract.
- 4.4.6 Miscellaneous Information – The vendor should complete and submit Exhibit K, Miscellaneous Information.

The vendor certifies by signing the signature page of this original document and any addendum signature page(s) that the vendor and any proposed subcontractors either are presently in compliance with such laws or shall be in compliance with such laws prior to any resulting contract award.

The vendor shall provide documentation of compliance upon request by the Department. The compliance to conduct business in the state shall include, but not necessarily be limited to:

The vendor should refer to the Missouri Business Portal at <http://business.mo.gov> for additional information.

4.5 Evaluation and Award Process:

4.5.1 After determining that a bid satisfies the mandatory requirements stated in the Request for Quotation, the evaluator(s) shall use both objective analysis and subjective judgment in conducting a comparative assessment of the bid in accordance with the evaluation criteria stated below. The contract shall be awarded to the lowest and best bid. Additionally, MSOS reserves the right to award one, some or all line items specified on the Pricing Page, Exhibit A. Other factors that affect the determination of the lowest price responsive bidder include consideration of the Blind/Sheltered Workshop Preference, and the Missouri Service Disabled Veterans Preference explained in the paragraphs that follow.

| Evaluation Criteria Scoring Category | Maximum Points |
|---|----------------|
| Cost | 120 |
| Experience, Reliability, and Expertise of Personnel | 80 |
| TOTAL | 200 |

4.5.2 The Department may make multiple contract awards for each age group (Children/Teens/Adults). Separate evaluations shall be conducted for each age group (Children/Teens/Adults) and awards made accordingly.

4.5.3 Determination of Lowest Priced Vendor including Consideration of Preferences: The vendor with the most points after completing the cost evaluations and determining preferences as specified below is considered the lowest vendor.

- a. Objective Evaluation of Cost –The cost evaluation shall be based on the sum of the prices stated on the Exhibit A, Pricing Page.
- b. Cost evaluation points shall be determined from the result of the calculation stated above using the following formula:

$$\frac{\text{Lowest Responsive Vendor's Price}}{\text{Compared Vendor's Price}} \times \frac{\text{Maximum Cost Evaluation points (120)}}{1} = \text{Assigned Cost Points}$$

If the unit of measure specified on the Pricing Page is different than the manner in which the vendor offers that item, the vendor must clearly identify the unit of measure being proposed on the pricing page. The vendor should shall all mathematical conversions upon specific request from the buyer.

- In the cost evaluation, a unit price conversion will be done to fairly evaluate proposed prices. However, for any resulting contract, the unit of measure proposed will be the unit of measure awarded.

- The vendor should contact the buyer **prior to** submission of their bid to discuss anticipated unit modifications.
 - The vendor is cautioned that the State of Missouri reserves the right to clarify the unit of measure modification or to disqualify the bid for that line item if the unit of measure modification is not deemed appropriate or in the best interests of the State of Missouri.
- c. Organizations for the Blind and Sheltered Workshop Preference - Pursuant to section 34.165, RSMo, and 1 CSR 40-1.050, a five to fifteen (5-15) bonus point preference shall be granted to vendors including products and/or services manufactured, produced or assembled by a qualified nonprofit organization for the blind established pursuant to 41 U.S.C. sections 46 to 48c or a sheltered workshop holding a certificate of approval from the Department of Elementary and Secondary Education pursuant to section 178.920, RSMo.
- 1) In order to qualify for the five to fifteen (5-15) bonus points, the following conditions must be met and the following evidence must be provided:
- The vendor must either be an organization for the blind or sheltered workshop or must be proposing to utilize an organization for the blind/sheltered workshop as a subcontractor and/or supplier in an amount that must equal, at a minimum, the greater of \$5,000 or 2% of the total dollar value of the contract for purchases not exceeding \$10 million.
 - The services performed or the products provided by the organization for the blind or sheltered workshop must provide a commercially useful function related to the delivery of the contractually-required service/product in a manner that will constitute an added value to the contract and shall be performed/provided exclusive to the performance of the contract. Therefore, if the services performed or the products provided by the organization for the blind or sheltered workshop are utilized, to any extent, in the vendor's obligations outside of the contract, it shall not be considered a valid added value to the contract and shall not qualify as participation in accordance with this clause.
 - If the vendor is proposing participation by an organization for the blind or sheltered workshop, in order to receive evaluation consideration for participation by the organization for the blind or sheltered workshop, the vendor must provide the requested information with the bid.
- 2) A sliding scale for the award of points shall range from a minimum of five (5) points to a maximum of fifteen (15) points. The award of the minimum five (5) points shall be based on the bid containing a commitment that the participating nonprofit organization or workshop is providing the greater of two percent (2%) or five thousand dollars (\$5,000) of the total contract value of solicitations for purchases not exceeding ten (10) million dollars.
- Where the commitment in the bid exceeds the minimum level set forth in section 34.165, RSMo to obtain five (5) points, the awarded points shall exceed the minimum five (5) points, up to a maximum of fifteen (15) points. As the statute sets out a minimum of five (5) points for a minimum two percent (2%) commitment, each percent of commitment is worth two and one-half (2.5) points. The formula to determine the awarded points for commitments above the two percent (2%) minimum shall be calculated based on the commitment in the bid (which in the formula will be expressed as a number [Vendor's Commitment Number below], not as a percentage) times two and one-half (2.5) points:
 - Vendor's Commitment Number x 2.5 points = Awarded Points
 - Examples: A commitment of three percent (3%) would be calculated as: 3 x 2.5 points = 7.5 awarded points. A commitment of five and one-half percent (5.5%) would be calculated as: 5.5 x 2.5 points = 13.75 awarded points. If, instead of a percentage, a vendor's bid lists a dollar figure that is over the minimum amount, the dollar figure shall be converted into the percentage of the vendor's total contract value for calculation of the awarded points. Commitments at or above six percent (6%) receive the maximum of fifteen (15) points.

- 3) Participation Commitment - The vendor must complete Exhibit F, Participation Commitment, by identifying the organization for the blind or sheltered workshop and the commercially useful products/services to be provided by the listed organization for the blind or sheltered workshop. If the vendor submitting the bid is an organization for the blind or sheltered workshop, the vendor must be listed in the appropriate table on the Participation Commitment Form.
- 4) Documentation of Intent to Participate – The vendor must either provide a properly completed Exhibit G, Documentation of Intent to Participate Form, or a letter of intent recently signed by the proposed organization for the blind or sheltered workshop which: (1) must describe the products/services the organization for the blind/sheltered workshop will provide and (2) should include evidence of the organization for the blind/sheltered workshop qualifications (e.g. copy of certificate or Certificate Number for Missouri Sheltered Workshop).

NOTE: If the vendor submitting the bid is an organization for the blind or sheltered workshop, the vendor is not required to complete Exhibit F, Documentation of Intent to Participate Form or provide a recently dated letter of intent.

- 6) The websites for the Missouri Lighthouse for the Blind and the Alphapointe Association for the Blind can be found at the following Internet addresses:
<http://www.lhbindustries.com>
<http://www.alphapointe.org>
- 7) Commitment – If the vendor’s bid is awarded, the organization for the blind or sheltered workshop participation committed to by the vendor on Exhibit F, Participation Commitment, shall be interpreted as a contractual requirement.

- d. Missouri Service-Disabled Veteran Business Enterprise (SDVE) Preference - Pursuant to section 34.074, RSMo, and 1 CSR 40-1.050, a three (3) bonus point preference shall be granted to vendors who qualify as Missouri service-disabled veteran business enterprises and who complete and submit Exhibit H, Missouri Service-Disabled Veteran Business Enterprise Preference with the bid. If the bid does not include the completed Exhibit H and the documentation specified on Exhibit H in accordance with the instructions provided therein, no preference points will be applied.

4.6 Determination for Award:

- 4.6.1 Determination of Responsiveness - Any bid which does not comply with the mandatory requirements of the RFQ will be determined to be non-responsive and will not be considered for an award.
- 4.6.2 Determination of Responsibility and Reliability - The state shall determine the responsibility and reliability of the lowest responsive vendor.
 - a. The State of Missouri reserves the right to reject any bid for reasons which may include but are not necessarily limited to: (1) receipt of any information, from any source, regarding unsatisfactory experience/performance of similar services by the vendor or any subcontractor(s) within the past three (3) years, or (2) the vendor’s inability or failure to document recent responsible and reliable past experience/performances similar to the services required, or (3) failure of the vendor to provide a sample or providing an unacceptable sample, if a sample is deemed necessary by the State of Missouri.

- b. If the lowest responsive vendor is determined to not be responsible and reliable, the state shall conduct a determination of responsibility and reliability for the next lowest responsive vendor.
- 4.6.3 Determination of Award - The contract will be awarded to the lowest, responsive, and responsible and reliable vendors determined as specified herein.

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS FOR CERTIFICATION)

- (1) The prospective recipient of Federal assistance funds certifies, by submission of this bid, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal Department or Department.
- (2) Where the prospective recipient of Federal assistance funds is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this bid.

Instructions for Certification

- 1. By signing and submitting this bid, the prospective recipient of Federal assistance funds is providing the certification as set out below.
- 2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
- 3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to which this bid is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- 4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "bid," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this bid is submitted for assistance in obtaining a copy of those regulations.
- 5. The prospective recipient of Federal assistance funds agrees by submitting this bid that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the DOL.
- 6. The prospective recipient of Federal assistance funds further agrees by submitting this bid that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the List of Parties Excluded from Procurement or Nonprocurement Programs.
- 8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- 9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may pursue available remedies, including suspension and/or debarment.

- b. To the extent that a provision of the contract is contrary to the Constitution or laws of the State of Missouri or of the United States, the provisions shall be void and unenforceable. However, the balance of the contract shall remain in force between the parties unless terminated by consent of both the contractor and the DEPARTMENT.

- f. The contractor shall only employ personnel authorized to work in the United States in accordance with applicable federal and state laws and Executive Order 07-13 for work performed in the United States.

3. OPEN COMPETITION/REQUEST FOR QUOTATION DOCUMENT

- a. It shall be the vendor's responsibility to ask questions, request changes or clarification, or otherwise advise the DEPARTMENT if any language, specifications or requirements of an RFQ appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFQ to a single source. Any and all communication from vendors regarding specifications, requirements, competitive bid process, etc., must be directed to the buyer from the DEPARTMENT, unless the RFQ specifically refers the vendor to another contact. Such e-mail, fax, or phone communication should be received at least five calendar days prior to the official bid target date.
- b. Every attempt shall be made to ensure that the vendor receives an adequate and prompt response. However, in order to maintain a fair and equitable bid process, all vendors will be advised, via the issuance of an addendum to the RFQ, of any relevant or pertinent information related to the procurement. Therefore, vendors are advised that unless specified elsewhere in the RFQ, any questions received less than five calendar days prior to the RFQ target date may not be answered.
- c. Vendors are cautioned that the only official position of the State of Missouri is that which is issued by the DEPARTMENT in the RFQ or an addendum thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.
- d. The DEPARTMENT monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among vendors, price-fixing by vendors, or any other anticompetitive conduct by vendors which appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.
- e. The RFQ is available for viewing and downloading on the MissouriBUYS Statewide eProcurement System. Registered vendors are electronically notified of those bid opportunities that match the commodity codes for which the vendor registered in MissouriBUYS. If a registered vendor's e-mail address is incorrect, the vendor must update the e-mail address themselves on the state's MissouriBUYS Statewide eProcurement System at <https://missouribuy.com>.
- f. The DEPARTMENT reserves the right to officially amend or cancel an RFQ after issuance. It shall be the sole responsibility of the vendor to monitor the MissouriBUYS Statewide eProcurement System to obtain a copy of the addendum(s). Registered vendors who received e-mail notification of the bid

opportunity when the RFQ was established and registered vendors who have responded to the RFQ on-line prior to an addendum being issued should receive e-mail notification of the addendum(s). Registered vendors who received e-mail notification of the bid opportunity when the RFQ was established and registered vendors who have responded to the bid on-line prior to a cancellation being issued should receive e-mail notification of a cancellation issued prior to the official target date and time specified in the RFQ.

4. PREPARATION OF BIDS

- a. Vendors **must** examine the entire RFQ carefully. Failure to do so shall be at vendor's risk.
- b. Unless otherwise specifically stated in the RFQ, all specifications and requirements constitute minimum requirements. All bids must meet or exceed the stated specifications and requirements.
- c. Unless otherwise specifically stated in the RFQ, any manufacturer names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The vendor may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the bid. In addition, the vendor shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Bids which do not comply with the requirements and specifications are subject to rejection without clarification.
- d. Bids lacking any indication of intent to bid an alternate brand or to take an exception shall be received and considered in complete compliance with the specifications and requirements as listed in the RFQ.
- e. In the event that the vendor is an agency of state government or other such political subdivision which is prohibited by law or court decision from complying with certain provisions of an RFQ, such a vendor may submit a bid which contains a list of statutory limitations and identification of those prohibitive clauses. The vendor should include a complete list of statutory references and citations for each provision of the RFQ, which is affected by this paragraph. The statutory limitations and prohibitive clauses may (1) be requested to be clarified in writing by DEPARTMENT or (2) be accepted without further clarification if the statutory limitations and prohibitive clauses are deemed acceptable by DEPARTMENT. If DEPARTMENT determines clarification of the statutory limitations and prohibitive clauses is necessary, the clarification will be conducted in order to agree to language that reflects the intent and compliance of such law and/or court order and the RFQ.
- f. All equipment and supplies offered in a bid must be new, of current production, and available for marketing by the manufacturer unless the RFQ clearly specifies that used, reconditioned, or remanufactured equipment and supplies may be offered.
- g. Prices shall include all packing, handling and shipping charges FOB destination, freight prepaid and allowed unless otherwise specified in the RFQ.
- h. Bids, including all prices therein, shall remain valid for 90 days from bid target date unless otherwise indicated. If the bid is accepted, the entire bid, including all prices, shall be firm for the specified contract period.
- i. Any foreign vendor not having an Employer Identification Number assigned by the United States Internal Revenue Service (IRS) must submit a completed IRS Form W-8 prior to or with the submission of their bid in order to be considered for award.

5. SUBMISSION OF BIDS

- a. Registered vendors may submit bids electronically through the MissouriBUYS Statewide eProcurement System at <https://missouribuys.mo.gov> or by delivery or fax of a hard copy to the DEPARTMENT office. Vendors that have not registered on the MissouriBUYS Statewide eProcurement System may submit bids hard copy delivered or faxed to the DEPARTMENT office. All bids must (1) be submitted by a duly authorized representative of the vendor's organization, (2) contain all information required by the RFQ, and (3) be priced as required. Delivered or faxed bids should be received in the DEPARTMENT office prior to the target time and date specified in the RFQ.
- b. The envelope or container containing a bid should be clearly marked on the outside with (1) the official RFQ number and (2) the official target date and time. Different bids should not be placed in the same envelope, although copies of the same bid may be placed in the same envelope.
- c. A bid submitted electronically by a registered vendor may be modified on-line prior to the official target date and time. A bid which has been delivered to the DEPARTMENT office may be modified by signed, written notice which has been received by the DEPARTMENT prior to the official target date and time specified. A bid may also be modified in person by the vendor or its authorized representative, provided proper identification is presented before the official target date and time. Telephone or telegraphic requests to modify a bid shall not be honored.
- d. A bid submitted electronically by a registered vendor may be retracted on-line prior to the official target date and time. A bid which has been delivered to the DEPARTMENT office may only be withdrawn by a signed, written document on company letterhead transmitted via mail, e-mail, or facsimile which has been received by the DEPARTMENT prior to the official target date and time specified. A bid may also be withdrawn in person by the vendor or its authorized representative, provided proper identification is presented before the official target date and time. Telephone or telegraphic requests to withdraw a bid shall not be honored.
- e. A bid may also be withdrawn after the bid opening through submission of a written request by an authorized representative of the vendor. Justification of withdrawal decision may include a significant error or exposure of bid information that may cause irreparable harm to the vendor.
- f. When submitting a bid electronically, the registered vendor indicates acceptance of all RFQ requirements, terms and conditions by clicking on the "Accept" button on the Overview tab. Vendors delivering or faxing a hard copy bid to DEPARTMENT must sign and return the RFQ cover page or, if applicable, the cover page of the last addendum thereto in order to constitute acceptance by the vendor of all RFQ terms and conditions. Failure to do so may result in rejection of the bid unless the vendor's full compliance with those documents is indicated elsewhere within the vendor's response.
- g. Faxed and e-mail no-bid notifications shall be accepted.

6. PREFERENCES

- a. In the evaluation of bids, preferences shall be applied in accordance with chapter 34, RSMo, other applicable Missouri statutes, and applicable Executive Orders. Contractors should apply the same preferences in selecting subcontractors.
- b. By virtue of statutory authority, a preference will be given to materials, products, supplies, provisions and all other articles produced, manufactured, mined, processed or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations or individuals. Such preference shall be given when quality is equal or better and delivered price is the same or less.
- c. In accordance with Executive Order 05-30, contractors are encouraged to utilize certified minority and women-owned businesses in selecting subcontractors.

7. EVALUATION/AWARD

- a. Any clerical error, apparent on its face, may be corrected by the buyer before contract award. Upon discovering an apparent clerical error, the buyer shall contact the vendor and request clarification of the intended bid. The correction shall be incorporated in the notice of award. Examples of apparent clerical errors are: 1) misplacement of a decimal point; and 2) obvious mistake in designation of unit.

- b. Any pricing information submitted by a vendor shall be subject to evaluation if deemed by the DEPARTMENT to be in the best interest of the State of Missouri.
- c. The vendor is encouraged to propose price discounts for prompt payment or propose other price discounts that would benefit the State of Missouri. However, unless otherwise specified in the RFQ, pricing shall be evaluated at the maximum potential financial liability to the State of Missouri.
- d. Awards shall be made to the vendor whose bid (1) complies with all mandatory specifications and requirements of the RFQ and (2) is the lowest and best bid, considering price, responsibility of the vendor, and all other evaluation criteria specified in the RFQ and (3) complies with chapter 34, RSMo, other applicable Missouri statutes, and all applicable Executive Orders.
- e. In the event all vendors fail to meet the same mandatory requirement in an RFQ, DEPARTMENT reserves the right, at its sole discretion, to waive that requirement for all vendors and to proceed with the evaluation. In addition, the DEPARTMENT reserves the right to waive any minor irregularity or technicality found in any individual bid.
- f. The DEPARTMENT reserves the right to reject any and all bids. When all bids are non-responsive or otherwise unacceptable and circumstances do not permit a rebid, DEPARTMENT may negotiate for the required supplies.
- g. When evaluating a bid, the State of Missouri reserves the right to consider relevant information and fact, whether gained from a bid, from a vendor, from vendor's references, or from any other source.
- h. Any information submitted with the bid, regardless of the format or placement of such information, may be considered in making decisions related to the responsiveness and merit of a bid and the award of a contract.
- i. Any award of a contract shall be made by notification from the DEPARTMENT to the successful vendor. The DEPARTMENT reserves the right to make awards by item, group of items, or an all or none basis. The grouping of items awarded shall be determined by DEPARTMENT based upon factors such as item similarity, location, administrative efficiency, or other considerations in the best interest of the State of Missouri.
- j. All bids and associated documentation will be considered open records pursuant to section 610.021, RSMo.
- k. The DEPARTMENT posts all bid results on the MissouriBUYS Statewide eProcurement System website for all vendors to view for a reasonable period after bid award. The DEPARTMENT maintains images of all bid file material for review. Vendors who include an e-mail address with their bid will be notified of the award results via e-mail.
- l. The DEPARTMENT reserves the right to request clarification of any portion of the vendor's response in order to verify the intent of the vendor. The vendor is cautioned, however, that its response may be subject to acceptance or rejection without further clarification.
- m. Any bid award protest must be received within ten (10) business days after the date of award in accordance with the requirements of 1 CSR 40-1.050.
- n. The final determination of contract award(s) shall be made by DEPARTMENT.

8. CONTRACT/PURCHASE ORDER

- a. By submitting a bid, the vendor agrees to furnish any and all equipment, supplies and/or services specified in the RFQ, at the prices quoted, pursuant to all requirements and specifications contained therein.
- b. A binding contract shall consist of: (1) the RFQ and any addendums thereto, (2) the contractor's response (bid) to the RFQ, (3) clarification of the bid, if any, and (4) DEPARTMENT's acceptance of the response (bid) by "notice of award" or by "purchase order." All Exhibits and Attachments included in the RFQ shall be incorporated into the contract by reference.
- c. A notice of award issued by the State of Missouri does not constitute an authorization for shipment of equipment or supplies or a directive to proceed with services. Before providing equipment, supplies and/or services for the State of Missouri, the contractor must receive a properly authorized purchase order or other form of authorization given to the contractor at the discretion of the state agency.
- d. The contract expresses the complete agreement of the parties and performance shall be governed solely by the specifications and requirements contained therein. Any change to the contract, whether by modification and/or supplementation, must be accomplished by a formal contract amendment signed and approved by and between the duly authorized representative of the contractor and the DEPARTMENT or by a modified purchase order prior to the effective date of such modification. The contractor expressly and explicitly understands and agrees that no other method and/or no other document, including correspondence, acts, and oral communications by or from any person, shall be used or construed as an amendment or modification to the contract.

9. INVOICING AND PAYMENT

- a. The State of Missouri does not pay state or federal taxes unless otherwise required under law or regulation.
- b. The statewide financial management system has been designed to capture certain receipt and payment information. For each purchase order received, an invoice must be submitted that references the purchase order number and must be itemized in accordance with items listed on the purchase order. Failure to comply with this requirement may delay processing of invoices for payment.
- c. The contractor shall not transfer any interest in the contract, whether by assignment or otherwise, without the prior written consent of the DEPARTMENT.
- d. Payment for all equipment, supplies, and/or services required herein shall be made in arrears unless otherwise indicated in the RFQ.
- e. The State of Missouri assumes no obligation for equipment, supplies, and/or services shipped or provided in excess of the quantity ordered. Any unauthorized quantity is subject to the State's rejection and shall be returned at the contractor's expense.
- f. All invoices for equipment, supplies, and/or services purchased by the State of Missouri shall be subject to late payment charges as provided in section 34.055, RSMo.
- g. The State of Missouri reserves the right to purchase goods and services using the state purchasing card.

10. DELIVERY

Time is of the essence. Deliveries of equipment, supplies, and/or services must be made no later than the time stated in the contract or within a reasonable period of time, if a specific time is not stated.

11. INSPECTION AND ACCEPTANCE

- a. No equipment, supplies, and/or services received by an agency of the state pursuant to a contract shall be deemed accepted until the agency has had reasonable opportunity to inspect said equipment, supplies, and/or services.
- b. All equipment, supplies, and/or services which do not comply with the specifications and/or requirements or which are otherwise unacceptable or defective may be rejected. In addition, all equipment, supplies, and/or services which are discovered to be defective or which do not conform to any warranty of the contractor upon inspection (or at any later time if the defects contained were not reasonably ascertainable upon the initial inspection) may be rejected.

The contractor further agrees that during the term of the contract neither the contractor nor any of its employees shall acquire any other contractual relationships which create such a conflict.

14. REMEDIES AND RIGHTS

- a. No provision in the contract shall be construed, expressly or implied, as a waiver by the State of Missouri of any existing or future right and/or remedy available by law in the event of any claim by the State of Missouri of the contractor's default or breach of contract.
- b. The contractor agrees and understands that the contract shall constitute an assignment by the contractor to the State of Missouri of all rights, title and interest in and to all causes of action that the contractor may have under the antitrust laws of the United States or the State of Missouri for which causes of action have accrued or will accrue as the result of or in relation to the particular equipment, supplies, and/or services purchased or procured by the contractor in the fulfillment of the contract with the State of Missouri.

15. CANCELLATION OF CONTRACT

At its sole discretion, the DEPARTMENT may give the contractor an opportunity to cure the breach or to explain how the breach will be cured. The actual cure must be completed within no more than 10 working days from notification, or at a minimum the contractor must provide DEPARTMENT within 10 working days from notification a written plan detailing how the contractor intends to cure the breach.
- b. If the contractor fails to cure the breach or if circumstances demand immediate action, the DEPARTMENT will issue a notice of cancellation terminating the contract immediately. If it is determined the DEPARTMENT improperly cancelled the contract, such cancellation shall be deemed a termination for convenience in accordance with the contract.
- c. If the DEPARTMENT cancels the contract for breach, the DEPARTMENT reserves the right to obtain the equipment, supplies, and/or services to be provided pursuant to the contract from other sources and upon such terms and in such manner as the DEPARTMENT deems appropriate and charge the contractor for any additional costs incurred thereby.
