

Title 15 ELECTED OFFICIALS
Division 30 Secretary of State
Chapter 110 [Notary Use of] Electronic Notarization [Signatures and Seals]

EMERGENCY RULE

15 CSR 30-110.080 Audit Trail. The secretary is adding a section for electronic notary rules to update electronic notarization as authorized by the Missouri legislatures.

PURPOSE: This amendment updates the Chapter title to more accurately reflect its purpose and to create rules related to online notarization authorized by the legislatures.

EMERGENCY STATEMENT: The Secretary of State determined that this emergency rule is necessary to preserve a compelling government interest. This emergency rule is necessary to address changes made by the legislatures, which takes effect on August 28, 2020, to electronic notarization. The Secretary of State needs this emergency rule since the Executive Order issued by the Governor expired on August 28, 2020. The Secretary of State finds there is a compelling government interest, which requires this emergency action since due to the pandemic of COVID-19 in person notarization is unable to be performed for wills, powers of attorney and durable power of attorney in health care decisions.

A proposed rule, which covers the same material, is published in this issue of the Missouri Register. The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the Missouri and United States Constitutions. The Secretary of State believes this emergency rule is fair to all interested persons and parties under the circumstances. This emergency rule was filed August 31, 2020, becomes effective September 10, 2020, and expires March 10, 2021.

2. Each document completed as part of a RON should be electronically signed and rendered Tamper-Evident.

AUTHORITY: section 486.1110, RSMo 2020.
