SECRETARY OF STATE  
COMMISSIONS DIVISION

WHEREAS, section 188.010, RSMo, provides that “it is the intention of the general assembly of the State of Missouri to grant the right to life of all humans, born and unborn;” and

WHEREAS, on May 2, 2017, the United States District Court for the Western District of Missouri (the “Court”) in *Comprehensive Health of Planned Parenthood Great Plains, et al. v. Dr. Randall Williams, et al.*, Case No. 2:16-cv-047313-HFS ruled against health and safety standards for abortion clinics by preliminarily enjoining the enforcement of § 197.215.1(2), RSMo; 19 CSR § 30-30.060(1)(C)(4); the second sentence of § 188.080, RSMo; and § 188.027.1(1)(e), RSMo, as to physicians seeking to perform abortions; and

WHEREAS, on May 2, 2017, the Court also ruled against common sense health and safety standards for abortion clinics by preliminarily enjoining the enforcement of 19 CSR § 30-30.070 and 19 CSR § 30-30.060(1)(C)(4) as to abortion facilities; and

WHEREAS, the effect of the Court’s ruling is to eliminate the meaningful licensure of abortion clinics in Missouri, and the Court’s ruling constitutes an immediate danger to the public health, safety, and welfare; and

WHEREAS, the City of St. Louis enacted Board Bill 203CS/City Ordinance 70459, which undermines pregnancy care centers that provide critical resources for women seeking counseling and support for alternatives to abortion and the State’s “Alternatives to Abortion” program; and

WHEREAS, the State should protect freedoms of speech, association, and religion and allow persons and institutions to follow their conscience with respect to abortion-related decisions; and

WHEREAS, Article IV, Section 9 of the Missouri Constitution authorizes the Governor to “[o]n extraordinary occasions . . . convene the General Assembly by proclamation, wherein he shall state specifically each matter on which action is deemed necessary;” and

WHEREAS, the immediate danger to the public health, safety, and welfare due to the Court’s ruling against health and safety regulations of abortion clinics is an extraordinary occasion as envisioned by Article IV, Section 9 of the Missouri Constitution; and

WHEREAS, the threat to pregnancy care centers and the State’s “Alternatives to Abortion” program due to St. Louis City Ordinance 70459 likewise amounts to an extraordinary occasion as envisioned by Article IV, Section 9 of the Missouri Constitution.
