Missouri Public Library Survey, 2022

Public libraries in Missouri are required by statute 181.021 RSMO and US Congress (P.L. 103-382, Title IV, National Education Statistics Act of 1994, Sec. 404(a)) to submit annual data. This submission is required in order to be eligible for State Aid funding. The data received from the libraries is used by policy makers at the local, state, and national level.

Each library submits data based on their most recently completed fiscal year, which for 2021 ranged from January 1, 2021 to October 31, 2022. The data is publicly available at the Missouri State Library: Library Statistics webpage (<http://www.sos.mo.gov/library/development/statistics/default>) or by request from:
