## KEVA Planks support AASL, Future Ready Library, and ISTE standards

Keva Planks are for everyone.

Every piece is exactly the same size and shape.

No glue or connectors, just simple stacking.

Children discover the joy of creating original works of art or cleverly designed Rube Goldberg style ball-runs. Parents gladly build alongside their kids. Teachers are empowered and equipped. Toddlers build safely alongside older siblings. Grown-ups reignite their creative spark.
