The Missouri State Library will again offer training for completing the 2019 Public Library Survey.

**Main Objectives:**

- Introduce new users to the survey
- Review components of the survey interface and new questions for 2019
- Provide tips on completing the survey with fewer edit checks

**Who should participate in the training?**

- Those who have not previously completed a Public Library Survey
- Those who feel they will need help navigating the Bibliostat CollectConnect
- Users who want tips on completing the survey more accurately and efficiently

**What are the training options?**

There are two options: 45-minute webinar sessions or online videos.

There are three videos available on 2019 PLS: an eleven minute video on Bibliostat CollectConnect, a four minute video on edit checks; and a two minute video on the PLS. The Library Development Public Library Survey video catalog can be found at: [https://mostatellibrary.watch.more.net/#/media/videos/category/578b2539-e15a-4ba0-bad4-b29b1a9861a3](https://mostatellibrary.watch.more.net/#/media/videos/category/578b2539-e15a-4ba0-bad4-b29b1a9861a3)

Baker and Taylor also offer videos on [Navigation](#), [Answering Questions](#), [Printing](#), [Survey Status](#), and [Submitting Your Survey](#).

**Online Webinar training will be offered on the following dates and times:**
