

## Children and Teen Services Online Forums 2020

April 24, 2020

**Christal Bruner (to All - Entire Audience):** 10:15 AM: Does anyone have a sample form that they are currently using that can be used for a public library?

**Sarah Howard (to All - Entire Audience):** 10:15 AM: hoping they will extend since we will be unable to have face to face programs for more months...

**Sarah Howard (to All - Entire Audience):** 10:16 AM: Do not mess with Raffi : )

**Caitlin Greathouse (to All - Entire Audience):** 10:19 AM: Anyone have any recommendations for captioning software?

**Lisa Hellman (to All - Entire Audience):** 10:19 AM: Describing pictures and describing movement can help those with visual impairment enjoy the storytime

**Heather Emokpae (to All - Entire Audience):** 10:19 AM: Facebook live has an add captions option

**Leslie Bowman (to All - Entire Audience):** 10:21 AM: Thank you for having the accessibility as part of your presentation. You are absolutely right that accessibility is a best practice!

**Katie Long (to All - Entire Audience):** 10:22 AM: Flannel boards

**Lisa Hellman (to All - Entire Audience):** 10:23 AM: For this summer, the theme really lends itself to many public domain materials.

**Elizabeth Outar (to All - Entire Audience):** 10:23 AM: Fortunately, summer reading has a fairytale and folk tale focus! Our plan is to show the covers of several books/version of a folk or fairy tale...and then just, tell it. Not actually reading a specific book.

**Coli Creach (to All - Entire Audience):** 10:25 AM: Elizabeth Outar that is a great idea. I hadn't thought of doing that. Thanks!

**Belinda Birrer (to All - Entire Audience):** 10:25 AM: We have FB premieres. They are recorded, but act as live. That counts as live as long as we moderate?

**Katie Wibbenmeyer (to All - Entire Audience):** 10:25 AM: Is a recorded Facebook Premiere considered live upon its premiere?

**Belinda Birrer (to All - Entire Audience):** 10:26 AM: Thank you!!! We appreciate you guys doing that work in gray areas!

**Elizabeth Outar (to All - Entire Audience):** 10:26 AM: Just trying to find any work around to keep us on the right side of the law! Plus I know several authors, so I am sympathetic to people just taking their stuff for use.

**Sarah Howard (to All - Entire Audience):** 10:26 AM: Remember, any song can be chanted, go for it :)

**Lisa Hellman (to All - Entire Audience):** 10:27 AM: Can you make a FB live only be available live and not available to rewatch?

**Rebecca Woodin (to All - Entire Audience):** 10:27 AM: Great! Thanks! I have been doing some of his but definitely not all! eek! Also my library does not want us doing live. Admin wants me to record, upload to drive, watch, then they put on FB.

**Christina Matekel-Gibson (to All - Entire Audience):** 10:29 AM: I'm noticing that some videos are showing up mirrored. How do we avoid this?

**Rebecca Woodin (to All - Entire Audience):** 10:29 AM: I use a tripod! :) Then I can be outside, inside, anywhere :)

**Betsy King (to All - Entire Audience):** 10:30 AM: I have been recording with my phone and using an editing app called You Cut. I'm not super tech-savvy, so if I can do it, you can, too!

**Lisa Hellman (to All - Entire Audience):** 10:30 AM: Pausing for 15 seconds tends to be a good rule.

**Elizabeth Outar (to All - Entire Audience):** 10:30 AM: Do Dora the Explorer style! :-)

**Lisa Hellman (to All - Entire Audience):** 10:32 AM: I've used iMovie

**Alyssa Tabor (to All - Entire Audience):** 10:32 AM: iMovie is very easy.

**Eric Lyon (to All - Entire Audience):** 10:32 AM: I use OpenShot.

**Heather Emokpae (to All - Entire Audience):** 10:33 AM: I have used Vimeo.

**Betsy King (to All - Entire Audience):** 10:33 AM: I use that with my phone (Android)

**Elizabeth Outar (to All - Entire Audience):** 10:33 AM: There's a setting on the phone that will correct for that (mirroring)

**Rebecca Woodin (to All - Entire Audience):** 10:33 AM: The words show up backwards

**Alyssa Tabor (to All - Entire Audience):** 10:33 AM: You can flip the screen on many software options.

**Sharon Anderson (to All - Entire Audience):** 10:33 AM: Typing and text reversed

**Christina Matekel-Gibson (to All - Entire Audience):** 10:33 AM: Yes, the words in the books

**Joe Monahan (to All - Entire Audience):** 10:33 AM: I haven't used it, but I've seen Loom suggested. It's browser-based, so you don't have to download software.

**Rebecca Woodin (to All - Entire Audience):** 10:33 AM: i record on my phone and changed the settings and don't have that issue :)

**Sharon Anderson (to All - Entire Audience):** 10:33 AM: There is a YouTube video that shows how to fix it

**Sharon Anderson (to All - Entire Audience):** 10:33 AM: Easy to follow.

**Erin Hood (to All - Entire Audience):** 10:33 AM: There's a setting on your iphone to flip it on FB Live, unfortunately they took away the option on Android phones

**Sheila Jensen (to All - Entire Audience):** 10:34 AM: A laptop makes the words correct, but I noticed the phone makes it mirrored.

**Rebecca Woodin (to All - Entire Audience):** 10:34 AM: @sheila i have the opposite issue LOL!

**Denise Loges (to All - Entire Audience):** 10:34 AM: How do you get started doing this?

**Hannah Magruder (to All - Entire Audience):** 10:35 AM: How do you balance eye contact with the camera with an in-person audience? I feel weird looking at people in the room if I'm also talking to a virtual audience? Do you explain that there's in person audience as well?

**Sara Steinmetz (to All - Entire Audience):** 10:35 AM: Jump in!

**Lisa Hellman (to All - Entire Audience):** 10:35 AM: Best thing about recording is you can keep rerecording ;-)

**Betsy King (to All - Entire Audience):** 10:36 AM: Don't be too hard on yourself - we are not professional videographers!

**Beth Snow (to All - Entire Audience):** 10:36 AM: Could try practice round in controlled share w/friends or family

**Sara Steinmetz (to All - Entire Audience):** 10:37 AM: I've cut back to two books

**Lisa Hellman (to All - Entire Audience):** 10:37 AM: CSLP has Pinterest where you can find more craft ideas

**Katie Wibbenmeyer (to All - Entire Audience):** 10:37 AM: I'm doing welcome song, one story, one song or fingerplay... Upload time is a consideration, and I think the shorter ones are more likely to be watched by our patrons

**Lisa Hellman (to All - Entire Audience):** 10:37 AM: Lots of paper plate ideas and paper towel rolls

**Rebecca Woodin (to All - Entire Audience):** 10:37 AM: We have only been doing one book at a time,

and I talk to them about 3 minutes after and let them go. This is what I was asked to do from my manager :)

**Sarah Howard (to All - Entire Audience):** 10:38 AM: I would vote for shorter compared to regular length of ST. I am hearing from patrons kids have even less attention spans for screens even with parent with them...we may be shooting for 10 min.. or less...

**Sheila Jensen (to All - Entire Audience):** 10:38 AM: The last time I did storytime, the video delayed, and I was reading the next page, but still on the last page.

**Lisa Hellman (to All - Entire Audience):** 10:38 AM: May want to read a bit slower than normal.

**Katie Wibbenmeyer (to All - Entire Audience):** 10:39 AM: Sarah, that's what I'm thinking as well!

**Betsy King (to All - Entire Audience):** 10:39 AM: Did you hear about the NASA engineer whose cat walked across the keyboard?

**Sarah Oser (to All - Entire Audience):** 10:39 AM: Sarah Howard I agree with you and I have had parents messaging me the same things about the attention spans of their children

**Sarah Sieg (to All - Entire Audience):** 10:39 AM: Yes, doing a shorter Storytime with two songs, one book and one felt set.

**CATHERINE LAMB (to All - Entire Audience):** 10:39 AM: I accidentally coughed--ack!!

**Katie Wibbenmeyer (to All - Entire Audience):** 10:39 AM: MY DOG WONT STOP JUMPING BEHIND ME ON THE COUCH

**Sharon Anderson (to All - Entire Audience):** 10:39 AM: Tongue tangled when I read a challenging text.

**Emma Simshauser (to All - Entire Audience):** 10:39 AM: Son wants to be in every video lol he's 2

**Gaylee Harris (to All - Entire Audience):** 10:39 AM: My flannel board pieces all fell to the floor.

**Erin Hood (to All - Entire Audience):** 10:39 AM: When I was doing a FB Live at the library, I had a little girl wander up to me and start a conversation about the book.

**Sara Steinmetz (to All - Entire Audience):** 10:39 AM: I have a dachshund...BARK BARK BARK

**Betsy King (to All - Entire Audience):** 10:39 AM: In one of my STEM videos, I put bloopers at the end lol

**Erin Hood (to All - Entire Audience):** 10:39 AM: That was pre-covid

**Sarah Howard (to All - Entire Audience):** 10:39 AM: Oh good to hear Sarah O

**Rebecca Woodin (to All - Entire Audience):** 10:40 AM: @sharon yes. i end up laughing so hard and having to redo the whole thing haha

**Lisa Hellman (to All - Entire Audience):** 10:40 AM: I actually saw an actor say the wrong character's name

**Elizabeth Outar (to All - Entire Audience):** 10:40 AM: Animal knocked over tripod, fortunately a recording and not live!

**Eric Lyon (to All - Entire Audience):** 10:40 AM: Jingling dog collar. I had to take it off.

**Heather Emokpae (to All - Entire Audience):** 10:40 AM: My screen went completely black, but my camera light stayed on. Had to keep going and hope they could still see me (they could!).

**Heidi Lanz (to All - Entire Audience):** 10:40 AM: Hey even Jimmy Fallon's kids have been in his live videos!

**Sarah Oser (to All - Entire Audience):** 10:40 AM: My phone rang during the recording

**Kristen Thompson (to All - Entire Audience):** 10:40 AM: My dog is always running around in the background and wants to howl

**Sara Steinmetz (to All - Entire Audience):** 10:40 AM: Referred to King Bidgood as MR Bidgood

**Sarah Sieg (to All - Entire Audience):** 10:40 AM: Forgot how to count using my fingers. Don't ask which finger was up last. \*cringe\* So glad I'm recording and could start over!

**Caitlin Greathouse (to All - Entire Audience):** 10:40 AM: Pets want all of the attention

**Katie Wibbenmeyer (to All - Entire Audience):** 10:41 AM: I recorded 10 minutes and got to the song and just completely blanked on the lyrics

**Sheila Jensen (to All - Entire Audience):** 10:41 AM: Cars driving down my street ended up in the audio. It sounded like I was sitting next to the washer draining.

**Sarah Oser (to All - Entire Audience):** 10:41 AM: Neighbor peeping in through the screen story and yelling yeah it is story time!!!

**Lisa Hellman (to All - Entire Audience):** 10:41 AM: We're all human! :-)

**Heather Emokpae (to All - Entire Audience):** 10:41 AM: Hope you are all keeping bloopers reels!

**Betsy King (to All - Entire Audience):** 10:41 AM: My 5-year-old granddaughter helps with all my videos - she makes me much more interesting!

**Elizabeth Outar (to All - Entire Audience):** 10:41 AM: Yeah, blanking when you're trying to be SO perfect. Concentrating on the process and not the story. Happens all the time!

**Cheryl Slayton (to All - Entire Audience):** 10:42 AM: Would you use these for tweens? My first year and I feel clueless!

**Lisa Hellman (to All - Entire Audience):** 10:43 AM: Maybe try to change up songs or do "mad libs?"

**Rebecca Woodin (to All - Entire Audience):** 10:44 AM: How long should we leave the videos up?

**Lisa Hellman (to All - Entire Audience):** 10:44 AM: Watching others can be helpful

**Lisa Hellman (to All - Entire Audience):** 10:45 AM: Practice is perfect

**Rebecca Woodin (to All - Entire Audience):** 10:45 AM: We have some from mid-March still on

**Sherri Luce (to All - Entire Audience):** 10:45 AM: Just to clarify-we should only post to our library's public page, not create a private Facebook link for programming?

**Rebecca Woodin (to All - Entire Audience):** 10:45 AM: Our management has us doing it all under fair use assumption so to my knowledge no contact has been made with publishers?

**Heidi Lanz (to All - Entire Audience):** 10:45 AM: My Director has us take them down at the end of a week, then we put up the next one for a week...just an idea

**Dawn Payne (to All - Entire Audience):** 10:45 AM: For our regional libraries we have four so we are trying to start a webpage?

**Sheila Jensen (to All - Entire Audience):** 10:45 AM: Some publishers want it immediately taken down, and others are saying June 30th.

**Caitlin Greathouse (to All - Entire Audience):** 10:46 AM: All of our virtual performers have had rules about how long to leave the video up so we have been sure to ask that question

**Sharon Anderson (to All - Entire Audience):** 10:46 AM: Someone has created a Google spreadsheet with publishers' permissions, etc.

**Betsy King (to All - Entire Audience):** 10:46 AM: What do you consider a reasonable amount of time to wait for publisher permission once you have emailed them?

**Emma Simshauser (to All - Entire Audience):** 10:47 AM: I am doing teen craft videos and I make sure to announce they are not mine. I link the original video/guide in the description. Is this adequate?

**Sharon Anderson (to All - Entire Audience):** 10:47 AM: Maybe it came through FB Storytime Underground group

**Shannon Sansom (to All - Entire Audience):** 10:47 AM: The article on SLJ about publisher permission is very helpful.

**Rebecca Woodin (to All - Entire Audience):** 10:48 AM: Sorry I am VERY new, I just began my position in January, was a SAHM for 9 years prior, so this is all SO new to me I am unsure with all of this. I

appreciate all that you are doing

**Katie Wibbenmeyer (to All - Entire Audience):** 10:48 AM: Rebecca, I started my job in youth services in February, I TOTALLY feel that

**Debbie Musselman (to All - Entire Audience):** 10:49 AM: The slides and chat will be at [https://www.sos.mo.gov/library/development/services/youth\\_srs](https://www.sos.mo.gov/library/development/services/youth_srs)

**Lisa Hellman (to All - Entire Audience):** 10:49 AM: We're all here to support each other ;-)

**Rebecca Woodin (to All - Entire Audience):** 10:49 AM: We are in this together, Katie! Thank you :)

**Lisa Hellman (to All - Entire Audience):** 10:49 AM: Also everyone is on MOYAC, right?

**Sharon Anderson (to All - Entire Audience):** 10:49 AM: Which issue of SLJ had the article about publisher permission?

**Katie Wibbenmeyer (to All - Entire Audience):** 10:49 AM: I've now done more virtual storytimes than in person for my library. Thanks so much for the guidance!

**Sheila Jensen (to All - Entire Audience):** 10:50 AM: A lot of publishers have a Covid-19 link with their rules on it.

**Lisa Hellman (to All - Entire Audience):** 10:50 AM: So make sure when you send an email asking permission that you give them a response date in the email?

**Traci Clair (to All - Entire Audience):** 10:50 AM: We are going to be starting this pretty quickly so I thank you all for this information!! We plan to start pre-recorded and then move to live as staff feel more comfortable with this.

**Heather Emokpae (to All - Entire Audience):** 10:50 AM: Publisher's guidelines from SLJ article:

<https://www.slj.com/?detailStory=publishers-adapt-policies-to-help-educators-coronavirus-covid19>

**Judy Daniel (to All - Entire Audience):** 10:51 AM: Like the idea of beginning pre-recorded and moving to live. Good tip.
