Virtual Book Clubs

Lisa Hellman (to All - Entire Audience): 10:04 AM: I have "run one." And it is interesting.

Niki Moen (to All - Entire Audience): 10:04 AM: I agree, Debbie, virtual programming is here to stay

Niki Moen (to All - Entire Audience): 10:05 AM: Agree very much

Hilary Aid (to All - Entire Audience): 10:05 AM: Definitely!

Niki Moen (to All - Entire Audience): 10:05 AM: My teens are really struggling with their mental health right now

Cheryl Wright (to All - Entire Audience): 10:06 AM: Not many teens interacting with us.

Caitlin Greathouse (to All - Entire Audience): 10:06 AM: Teens are our group that are asking to come back to the library to meet. It kills me to have to tell them no

Niki Moen (to All - Entire Audience): 10:06 AM: @Caitlin same here

Alyssa Tabor (to All - Entire Audience): 10:06 AM: I have tried, but no one will register for the book clubs.

Alyssa Tabor (to All - Entire Audience): 10:08 AM: We just worked with Digeridoo Down Under and their program was fantastic! very positive response from the patrons too

Christy Schink (to All - Entire Audience): 10:11 AM: We've had Swords and Roses do their virtual escape room on Zoom webinar. And Glen Foster do a live virtual show on Zoom.

Niki Moen (to All - Entire Audience): 10:12 AM: My teens are huge into discord

Niki Moen (to All - Entire Audience): 10:12 AM: Mostly for gaming

Lisa Hellman (to All - Entire Audience): 10:12 AM: I have not used it for work, but I am on Discord personally

Rebecca Woodin (to All - Entire Audience): 10:12 AM: Same, I have done Discord for Pokemon Go LOL

Debbie Musselman (to All - Entire Audience): 10:12 AM: Today's topic is Virtual Book Clubs.

Niki Moen (to All - Entire Audience): 10:12 AM: They've been begging me to get on discord but I feel like I'm way too old LOL

Alyssa Tabor (to All - Entire Audience): 10:13 AM:

Caitlin Greathouse (to All - Entire Audience): 10:13 AM: Local Pokemon Go Groups :)

Caitlin Greathouse (to All - Entire Audience): 10:14 AM: Yes. Just to get a group together to battle.

Niki Moen (to All - Entire Audience): 10:14 AM: Gaming, right Caitlin?

Caitlin Greathouse (to All - Entire Audience): 10:14 AM: Niki, yes.

Niki Moen (to All - Entire Audience): 10:15 AM: Caitlin, I'd love to hear what kinds of games you're playing

Niki Moen (to All - Entire Audience): 10:15 AM: I use Remind with my teens

Rebecca Woodin (to All - Entire Audience): 10:16 AM: the only text thing we have is disabled but whenever there were holds we did texts to notify patrons. That's it though

Niki Moen (to All - Entire Audience): 10:16 AM: The local school uses it so they mostly all have it already

Rebecca Woodin (to All - Entire Audience): 10:16 AM: Yes I love Remind! our district uses it too

Rebecca Woodin (to All - Entire Audience): 10:16 AM: One less platform to learn! :)

Niki Moen (to All - Entire Audience): 10:17 AM: I've been working more with the schools this year, and I've always worked a lot with them. Teachers are really struggling to fill the days with things that are other than "learning"

Christy Schink (to All - Entire Audience): 10:22 AM: What was the username and password for Teen Book Cloud?

Debbie Musselman (to All - Entire Audience): 10:23 AM: Teen BookCloud username is motumbles and the password is trial.

Rebecca Woodin (to All - Entire Audience): 10:19 AM: I just read the original PJ series a few months ago... I loved it! :)

Caitlin Greathouse (to All - Entire Audience): 10:19 AM: We have had a lot of success asking our teens to bring any book they have read within the past month. This was when we were able to have the discussions in the building. I know it is informal but usually the teens describe their books and then try to "sell" them to the other members each time.

Rebecca Woodin (to All - Entire Audience): 10:20 AM: That is a great idea too! :) I love it, Catlin

Lisa Hellman (to All - Entire Audience): 10:21 AM: Thunder Dog: The True Story of a Blind Man, His Guide Dog, and the Triumph of Trust by Michael Hingson

Niki Moen (to All - Entire Audience): 10:22 AM: It's easier to say things when no one is looking at you

Rebecca Woodin (to All - Entire Audience): 10:22 AM: Also, the Mr. Lemoncello's Library trilogy (a 4th coming out I saw!) is great too

Caitlin Greathouse (to All - Entire Audience): 10:22 AM: We have one of our teen staff members add to the discussion and get the talking going. No one wants to go first so we have someone ready to do that for the teens.

Niki Moen (to All - Entire Audience): 10:27 AM: I tried doing virtual mad libs on instagram live but I had a lot of lagging issues. If I can fix that, I think the kids were pretty into it

AMY HELD (to All - Entire Audience): 10:28 AM: We just did Harry Potter Pictionary

AMY HELD (to All - Entire Audience): 10:29 AM: We did it over Zoom. I sent word lists to the participants beforehand then met on Zoom. We went one a time and did about 5 rounds

Rebecca Woodin (to All - Entire Audience): 10:30 AM: My own kids are 8 6 and 5 (today! :)) and we love HP! :) I would love to do something like that :)

AMY HELD (to All - Entire Audience): 10:30 AM: Each person got a different word list

Caitlin Greathouse (to All - Entire Audience): 10:30 AM: As much as I love Harry Potter, I know I would not be able to draw many of the items or people. But the entertainment value alone would make it worth it!

AMY HELD (to All - Entire Audience): 10:30 AM: We went around drawing and then everybody else guessed.

AMY HELD (to All - Entire Audience): 10:31 AM: They were drawing at home. Some were able to flip their screen. Others held up a pad of paper and drew.

Niki Moen (to All - Entire Audience): 10:30 AM: I'm really struggling with Harry Potter programs because of the recent controversies around JK Rowling. This may not be the place to discuss, but....I just don't know

Hilary Aid (to All - Entire Audience): 10:34 AM: I know all sorts of things lol

Rebecca Woodin (to All - Entire Audience): 10:34 AM: That's the first one that popped up but something like that! :)

Niki Moen (to All - Entire Audience): 10:36 AM: I find that if I fill the silence, the kids will start to join me before long

Caitlin Greathouse (to All - Entire Audience): 10:36 AM: Have another staff member adding to the chat other than the presenter.

Christy Schink (to All - Entire Audience): 10:44 AM: The Building Block committee has had picture book readings taken down from YouTube before.

Niki Moen (to All - Entire Audience): 10:45 AM: Mine videos are showing as unable to be monetized, and I've had copyright claims on my videos, but I haven't had any removed yet

AMY HELD (to All - Entire Audience): 10:46 AM: I believe we had a concerned member who told us that they had to be taken down after attending a copyright conference

AMY HELD (to All - Entire Audience): 10:46 AM: We also had to take down a lot of the activity sheets at that same time
