ORDER AND FINAL JUDGMENT

The Secretary of State submitted his Second Revised Summary Statement along with his Second Revised Fair Ballot Language Statement on October 2, 2025. On October 4, 2025, the parties briefed the fairness and sufficiency of these revised statements. Both parties waived further argument. Having considered the revisions to both statements and the parties' briefing, the Court finds that the revisions are fair and sufficient under §§ 116.155 and 116.025, RSMo. The Court therefore certifies the Second Revised Summary Statement and the Second Revised Fair Ballot Language Statement to the Secretary of State. *See* § 116.190.4(2)(c). The Secretary is ordered to include the Second Revised Summary Statement on the ballot. *Id.*

Because the Secretary's Second Revised Summary Statement and Second Revised Fair Ballot Language are now fair and sufficient, Judgment on Counts II and III is hereby entered.¹

So ordered and adjudged this 7 day of Oct, 2025.

Judge Daniel R. Green

¹ On September 19, 2025, the Court entered judgment for Respondents on Count I of the Petition. Now that the Secretary completed fair and sufficient revisions, final judgment and closure of this action is proper under § 116.190.4(2).
