Missouri Secretary of State
John R. Ashcroft
Dear fellow Missourians,

It is a privilege to publish the 2023 General Assembly Roster. In the following pages you will find information about Missouri’s elected officials, the roles they serve and their contact information.

When Missourians go to the polls, they elect the men and women listed in this roster. In Missouri, the secretary of state serves as the chief elections officer who oversees the election process. I believe elections are the foundation of our republic; for the people, by the people.

It is a privilege to live in the United States and vote according to conscience. Just as it is our right to expect safe, secure elections with timely, accurate results – it is our responsibility to vote.

As Missourians, we rightly expect leadership, direction and results from this legislative body. We trust these elected few to put aside partisan politics and come to the table with ideas and insight that will best serve all Missouri.

I encourage you to participate in your government. I hope this information is helpful as you contact your elected representatives and make your voice heard.

Sincerely,

John R. Ashcroft
Secretary of State
