

Agency Records Disposition Schedule

Department: Department of Natural Resources

Section: Environmental Remediation Program

Division: Division of Environmental Quality

Sub-Section: Federal Facilities

TITLE: National Priority List (NPL) and Non-NPL and Registry Files

CUTOFF: EOSFY

DESCRIPTION: These are general and site specific files containing documents related to oversight of assessment and corrective action or cleanup of Department of Defense and Department of Energy (DOE) sites. The majority of these files pertain to two major DOE cleanup projects: Weldon Spring and Formerly Utilized Sites Remedial Action Program (FUSRAP) radiological sites. These files contain historical documents, decision documents, general correspondence, laboratory analysis reports, technical reports, and long-term stewardship documents such as deed restrictions and restrictive covenants. Military/Federal Facility sites have unique contaminants not typically found at other sites, including unexploded ordnance and radiological contamination, which often cannot be cleaned to unrestricted use standards.
