

## Address Confidentiality Program

Denny Hoskins • Secretary of State

### What is Safe at Home?

Safe at Home is an address confidentiality program to help crime victims and their families in their efforts to stay safe.

### How Does Safe at Home Work?

Safe at Home provides a substitute address for survivors to use on new public records created by government agencies and the courts such as:

- Driver license or state identification cards
- Law enforcement reports
- City and county services and records
- Public school enrollment
- Social services benefits
- Voter registration
- Library cards
- Court documents

### Who Is Safe at Home Right For?

- Survivors of domestic violence, sexual assault, stalking, human trafficking, rape or other crimes.
- Victims of crime who have recently relocated or are planning to relocate because they fear future harm.
- Individuals who understand that Safe at Home is one piece of a comprehensive safety plan.
- Residents of Missouri.

*Everyone deserves to be*
