The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

PS Form 3526, October 1999 (Reverse)
Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the Missouri and the United States Constitutions; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons and findings which support its conclusion that there is an immediate danger to the public health, safety or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

Title 9—DEPARTMENT OF MENTAL HEALTH
Division 10—Director, Department of Mental Health
Chapter 31—Reimbursement for Services

EMERGENCY RULE

9 CSR 10-31.014 Waiver of Standard Means Test for Children in Need of Mental Health Services

PURPOSE: This rule implements a revision to section 630.210, RSMo requiring the department to promulgate a rule waiving the Standard Means Test for a child in need of mental health services.

EMERGENCY STATEMENT: Under current statutes, the parent of a child who receives mental health services through the Department of Mental Health (DMH) must be charged for those services according to their ability to pay. The amount of the required payment is determined by a Standard Means Test. Some parents find it impossible to pay the required fee and, in order to ensure continued services for their child, they transfer legal custody of the child to the Children’s Division. The 92nd General Assembly, in its second session, passed SB 1003 to address this situation. SB 1003 revised section 630.210, RSMo to require DMH to promulgate a rule waiving the Standard Means Test in these special circumstances. The Department of Mental Health finds that the early effective date of this legislation, i.e. August 28, 2004, makes it necessary to file an emergency rule implementing the waiver process. Without the waiver process, some parents would continue to transfer custody of children to the Children’s Division for inappropriate reasons or risk the termination of needed mental health services. As a result the Department of Mental Health finds that there is a compelling governmental interest in filing an emergency rule. A proposed rule, which covers the same material, is published in this issue of the Missouri Register. The scope of this emergency rule is limited to the circumstances creating the emergency and complies with the protections extended in the Missouri and United States Constitutions. The Department of Mental Health thinks that this emergency rule is fair to all interested persons and parties under the circumstances. This emergency rule was filed September 2, 2004, effective September 15, 2004, and expires March 13, 2005.

(1) Definitions.
   (A) The terms defined in 9 CSR 10-31.011 Standard Means Test are incorporated by reference as though set out in this rule.
   (B) A “child in need of mental health services,” as used in this rule, is any child who qualifies to receive services from the Department of Mental Health under Chapters 630, 631, 632 or 633, RSMo.

(2) Request for Waiver. At the time of initial application of the Standard Means Test (SMT) for a child in need of mental health services, and at the time of any subsequent reapplication, the provider shall inform the financially responsible person that the SMT may be waived.
   (A) The provider shall make available to the financially responsible person information on how to submit a request for SMT waiver.
   (B) The financially responsible person shall submit the request in writing to the department director, with a copy to the provider.
   (C) The provider shall not charge the monthly rate as determined by the provider’s application of the SMT to the financially responsible person for services provided to the child during the time the request is under review.
   (D) A waiver may be approved, or approved with conditions, for up to one (1) year. It is the responsibility of the financially responsible person to notify the provider of any significant change in financial status. A waiver may be reevaluated at the initiative of the department director due to any significant change in financial status.

(3) Review of Request for Waiver. Upon receipt of a request for SMT waiver the department director shall designate an individual or individuals to review the request. The designee or designees shall approve, approve with conditions, or deny the request within seven (7) working days of receipt of the written request. The designee or designees shall provide notice of the decision to the requestor by certified mail with copy to the provider.

(4) Consideration of Request. In making the decision to approve, approve with conditions, or deny the request, the designee or designees must consider the following, as presented by the requestor:
   (A) The recommendation of the local care team, or other designated local or regional children’s mental health authority that waiving the SMT will contribute to the therapeutic needs of the child by allowing the child to remain in the custody of the parent or custodian;
   (B) History of the child being in state custody due exclusively to the need for mental health services where no substantiated reports of abuse or neglect exist;
   (C) Statement from the financially responsible person that their primary motivation for requesting the waiver is to avoid loss of custody because they are unable to pay the monthly amount as determined by application of the Standard Means Test;
   (D) Past efforts of the financially responsible person to obtain needed medical care, and expenses incurred by the financially
responsible person for the treatment of the mental health condition or for the physical health of the child necessitated by the onset of the mental health condition;

(E) The parent or custodian’s history of insurance benefits expended for physical and mental health treatment of the child and their present attempts to obtain commercial or government-sponsored insurance coverage; and

(F) The parent or custodian’s overall wherewithal to pay for the child’s mental health treatment needs at the time of requesting the waiver, including gross income, medical expenses, assets, liabilities, and financial responsibility for other dependents in the home.

(5) Denial of Request. A request for waiver shall be denied when the request for waiver—

(A) Is not submitted in writing;

(B) Does not raise factual issues sufficient to show that inappropriate transfer of custody to the Children’s Division is likely to occur absent the waiver; or

(C) Does not present persuasive, factual evidence that the financially responsible person cannot afford to pay the monthly amount required by the application of the Standard Means Test.

(6) Appeal of Denial. Within seven (7) working days of receipt of notice of approval with conditions or denial of a request, the financially responsible person may appeal the approval with conditions or denial in writing to the department director, with copy to the provider.

(7) Review of Appeal. Within seven (7) working days of receipt of the written appeal, and upon completion of review, the department director shall issue a decision which may alter the approval with conditions or denial. The department director shall provide notice of the decision by certified mail to the financially responsible person with copy to the provider. The decision of the department director shall be the final decision of the department.

EMERGENCY AMENDMENT

19 CSR 20-3.080 Description of Persons Qualified to Perform Percolation Tests [of], Soils Morphology Examinations in Determining Soil Properties for On-Site Sewage Disposal Systems and Installation of On-Site Wastewater Treatment Systems. The department is amending the title, subsection (1)(D), sections (2), (4), (5), (8), (11), (13) and (15); adding new subsections (1)(A), (B), (E), (G) and (J), sections (3), (6), (7), (10), (12), (14) and (16); and renumbering as necessary.

The Department of Health and Senior Services believes this emergency amendment is fair to all interested persons and parties under the circumstances. Failure to adhere to department standards may be cause for suspension or revocation of the certification or authorization, or for mandatory successful completion of a training course as described in section (4) (5). The audit may be an unannounced visit to the property on which the percolation test or soil morphology examination was conducted, which may include an independent soil percolation test or soil morphology examination, or a visit within the period of a soil percolation test or soil morphology examination with or without prior appointment with the certified or authorized person.
