ORDER OF RULEMAKING

By the authority vested in the Credit Union Commission under section 370.063, RSMo Supp. 1999, the commission adopts a rule as follows:

4 CSR 105-3.040 Exemptions from Limitations on Groups is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on February 15, 2000 (25 MoReg 360). No changes have been made in the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Credit Union Commission received one comment letter pertaining to this proposal during the specified comment period. This comment letter was from a credit union trade association.

COMMENT: The credit union trade association wrote, “. . . we agree with the criteria set for exemptions for groups over 3,000. However, we believe the Commission could have taken a more liberal view of the law with regard to community areas.” The commenter went on to express the belief that exemptions, for community areas, should only be required for community areas with

populations greater than 300,000, and provided support for this belief.

RESPONSE: The Credit Union Commission believes that it has properly interpreted section 370.081, RSMo Supp. 1999, as it is written. The Commission continues to strive to expedite the application process, and this rule is designed to serve that purpose. No change was made to this proposed rule as a result of this comment.

SUMMARY OF COMMENTS: The board received comments on this proposed rule.

COMMENT: The Kansas Association of Private Investigators submitted three (3) comments with several subsections in connection with this proposed rule. They argued that both company and individual licenses should be reclassified, that private investigators be allowed to hold a Class B license and that the requirement for dual licenses be eliminated.

RESPONSE AND EXPLANATION OF CHANGE: Board considered these comments and decided to create a new classification as (1)(B)4. which would allow private investigators to hold a Class B license.

17 CSR 10-2.030 Classification of Licenses

(1) Individual licenses to private security services granted pursuant to this chapter shall be classified as either Class A licenses or Class B licenses, and shall be issued pursuant to the authority conveyed upon the licensee.

(B) Class B licenses shall not grant the authority for the licensees to detain or apprehend suspects. An applicant shall designate the particular subclassification listed in this subsection when applying for a Class B license. An applicant must make a separate application when applying for a Class B license designating more than one (1) subclassification of authority. The license identification issued by board shall designate which subcategory of a Class B license has been granted.

1. Guard—A guard is an unarmed uniformed position with primary responsibilities being to watch and report on/or in a specific premises or designated area, to escort or guide, to control crowds, give directions, control access for the purposes of offering assistance for the safety of others. The guard has no authority to detain or apprehend a person suspected of committing a crime.

2. Armed courier—An armed, uniformed position primarily responsible for the protection and transport of money and other valuables from one (1) designated area to another. This licensee has the authority to conduct private security services on the public streets of city, but this authority is limited to protecting property from activities which would impact the property protected. The courier must meet the qualifications relating to authority to carry a firearm, as referred to elsewhere in this chapter.

3. Special event—A special category Class B license may be granted for single date events. The license may require only criminal records checks and certification by the applicant that s/he understands the limits of his/her authority.

4. Private investigator—An armed or unarmed nonuniformed position responsible for proactive, aggressive investigations of all illegal activities which impact the person or property they are hired to protect. The qualification for this classification is set out in Title 17 CSR 10-2.050(1)(C).

SUMMARY OF COMMENT: The board received comments on this proposed rule.

COMMENT: The Kansas Association of Private Investigators submitted four (4) comments in connection with this proposed rule. They argued that the rule unfairly required private officers to meet the same standards as police officers for firearms qualification, that a Class B license should be an option for private investigators, that in-house training of inexperienced private investigators should be allowed and that the requirement that private officers meet police physical standards violated the Americans With Disabilities Act.

RESPONSE: The board considered these comments and made a change in 17 CSR 10-2.030 by creating a Class B private investigator license, but decided to make no changes to this rule.

ORDER OF RULEMAKING

By the authority vested in the Board of Police Commissioners under section 84.720, RSMo 1994, the board adopts a rule as follows:

17 CSR 10-2.055 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on February 15, 2000 (25 MoReg 418-422). Changes have been made to the text of the proposed rule, and the sections changed are reprinted below. This proposed rule becomes effective thirty days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received comments on this proposed rule.

COMMENT: The Kansas Association of Private Investigators submitted two (2) comments in connection with this proposed rule and one (1) comment dealing with 17 CSR 10-2.050 which applies to this rule as well. They argued that the requirement that private officers meet police physical standards violated the Americans With Disabilities Act and that “striker action firearms” should be included in the list of approved firearms. In addition, the language found in 17 CSR 10-2.050(1) requiring private officers to meet the same firearms qualification standard as police officers (which the Kansas Association of Private Investigators found objectionable) also appears in this rule in 17 CSR 10-2.055(2).

RESPONSE AND EXPLANATION OF CHANGE: The board considered these comments and made a change in 17 CSR 10-2.055 by adding language to (1) to allow the carrying of striker action firearms. Because of the change in the firearms allowed and in order to ensure the safety of all persons at the shooting range, a provision was added that gives the supervisor or his/her designee the discretion to prohibit an individual or a weapon deemed unsafe from the opportunity to qualify at the shooting range. Board also rewrote a phrase in (2) due to a typographical error.

17 CSR 10-2.055 Firearms Regulations and Qualification

(1) A licensee is authorized to carry only firearms approved by board and only if the licensee has qualified with that firearm as set out herein. All licensees must have a completed verification of Firearms Training Form before reporting to department shooting range. The firearms approved by board are as follows: .38 caliber, double or single action pistols or solid frame revolvers (five or six shot); .357 revolvers with .38 caliber ammunition; and semi-automatics, double action only or double/single action, which are equipped with a decocker or decocker safety. This requirement limits the semi-automatics which may be carried to .380, .40, .45, 9mm and 10mm calibers. Striker action firearms are acceptable. The department shooting range supervisor or his/her designee may deny a licensee the opportunity to qualify if, in their discretion, they believe a person or a firearm does not meet the requirements set out herein or presents a danger to others.

(2) All applicants seeking licensure for positions for which firearms may be possessed must qualify annually with the firearm(s) on an approved shooting range and under the supervision of a qualified firearms instructor. The firearms qualifications standards shall be in accordance with those established by department for its officers.
