12 CSR 10-110.990 Tax—Sales of Food

(2) Basic Application of Rule.

(B) A business whose gross receipts from sales of food and drink prepared by the business for immediate consumption, either on or off premises, are 80% or less of its total gross receipts must remit tax on its qualifying food sales at a reduced state tax rate of 1.225% plus any applicable local tax.

(3) Examples.

(G) A company sells pre-packaged ice cream bars made by an unrelated ice cream manufacturer to neighborhood families from trucks. The ice cream truck driver should charge the reduced rate of tax because the seller does not prepare the ice cream bars and are not consumed on the premises of the seller.

(H) An ice cream vendor sells soft cones and pre-packaged ice cream bars made by an unrelated ice cream manufacturer at a foot-

ball game. The gross receipts from the sales of soft cones are less than 80% of the ice cream vendor's total gross receipts. None of the ice cream qualifies for the reduced rate because it is consumed on the premises.

ORDER OF RULEMAKING

By the authority vested in the director of the Department of Health under section 197.080, RSMo 2000, the director amends a rule as follows:

19 CSR 30-24.020 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on July 17, 2000 (25 MoReg 1851). Those subsections with changes are reprinted here. This proposed amendment becomes effective thirty days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Department of Health received eleven letters of comment on this proposed amendment. One letter supported the proposed amendment as published.

COMMENT: Ten comments were received recommending that paragraph 4 should be revised to read "The responsibility for the treatment and care of patients shall rest with the admitting or attending medical staff member, who is accountable to the governing body." so that psychologists also have the responsibility for the treatment and care of patients as allowed by their legally established scope of practice.

RESPONSE AND EXPLANATION OF CHANGE: The director agreed with this comment and has made the suggested changes to paragraph 4.

COMMENT: Six comments were received recommending that a new paragraph 6 be inserted to provide that no application for membership on the medical staff be denied based solely upon the applicant's professional degree or the school or health care facility in which the practitioner received medical, dental, psychology or podiatry schooling, postgraduate training or certification, if the schooling or postgraduate training for a physician was accredited by the American Medical Association or the American Osteopathic Association, for a dentist was accredited by the American Dental Association's Commission on Dental Accreditation, for a psychologist was accredited by the state board of education and the regional accrediting body recognized by the federal government, and for a podiatrist was accredited by the American Podiatric Medical Association.

RESPONSE: The director considered this comment and decided not to add the requested paragraph so that the facilities in question have discretion in the selection of the medical staff members who will have medical privileges at their facility.
