**Title 1—OFFICE OF ADMINISTRATION  
Division 10—Commissioner of Administration  
Chapter 11—Travel Regulations**

**ORDER OF RULEMAKING**

By the authority vested in the commissioner of administration under section 33.090, RSMo 2000, the commissioner amends a rule as follows:

**1 CSR 10-11.010 State of Missouri Travel Regulations is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on July 15, 2002 (27 MoReg 1180-1182). No changes have been made in the text of the proposed amendment, however a revised fiscal note is reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** Pursuant to 536.021.6(4), RSMo 2001, the following is a brief summary of the general nature and extent of comments submitted to the proposed amendment to the rule, and a concise summary of the Office of Administration's findings with respect to the merits of the comments submitted.

The Office of Administration received written comments from five (5) individuals. All the comments were opposed to section (3) of the amendment that requires a minimum twelve (12)-hour continuous travel status to qualify for meal reimbursement. One of the individuals opposed the deletion of section (10). One individual suggested a change to subsection (16)(D).

This revision to the rules came about due to an audit by the State Auditor. The audit recommended that the Commissioner of OA clarify the travel regulations to specify when noontime meals would be reimbursable. The audit further recommended that the state adopt the standard used by the federal government and many states, that the employee must be in travel status for at least twelve (12) hours in order to qualify for meal reimbursements.

In response to the audit findings, the Commissioner convened an interagency work group to review current regulations and practices. All sixteen (16) state departments were asked to designate someone to serve on the group. The task force issued recommendations in January 2002. Among their recommendations was establishment of a twelve (12)-hour continuous travel status rule to qualify for meal reimbursements.

**COMMENT:** It was pointed out that the State Auditor's report allowed for the alternative that any reimbursed meals simply be taxed as wages, and suggested that this was a more acceptable solution than the twelve (12) hour rule.

**RESPONSE:** This task force noted that the current meal reimbursement rule, without any change, would result in increased employer tax liabilities due to the IRS interpretation that these reimbursements are taxable income to employees, and that the associative administrative costs would be burdensome. They also noted outstanding questions as to the impact of meal reimbursements on pay administration statutes and regulations and whether meal reimbursements for less than twelve (12) hours travel should be paid from personal services or equipment and expense appropriations.

**COMMENT:** It was suggested that this restriction on meals would result in increasing this entity's expenses rather than saving money because it will result in additional requests for overnight lodging. Employees would rather stay overnight than agree to work longer into the evening and not receive any meal reimbursement.

**RESPONSE:** The Commissioner will continue to review the practical application of this amendment to see whether the results reflect the audit findings, including whether it results in more overnight stay requests.

**COMMENT:** An individual strongly disagreed that the proposed amendment would not cost private entities more than five hundred dollars (\$500) in the aggregate. It was asserted that state employees will have to spend their money to eat while on state travel and not be reimbursed. The individual also claimed that restaurants and catering companies will be affected because state agencies will not be ordering meals for meetings. This individual disagreed that the amendment was fair and was disappointed that there was no public hearing, and requested that the Office of Administration schedule a hearing.

**RESPONSE AND EXPLANATION OF CHANGE:** In responding to the comments about the fiscal impact to individual state government employees, the Office of Administration has submitted a revised fiscal estimate. While the Audit found that the state could save \$1.8 million dollars, this amount is not directly convertible into what impacted employees would spend for meals. Some employees may choose to carry meals from home and some departments may change their business practices so as to reduce the need for meal reimbursement. In addition, this rule does not require the expenditure of money by any private entity. However, given the IRS interpretation that meal reimbursements may be taxable income to employees for travel that lasts less than twelve (12) hours, the revised fiscal note reflects that this rule could be interpreted as reducing income to affected public employees in that respect. In response to the comment about this amendment's impact on restaurants and catering due to reduced catering needs by state agencies, this amendment does not address those situations.

COMMENT: It was noted that this amendment will have serious impact on field staff who are on the road inspecting, investigating and serving citizens. It will also impact commissioners, emergency personnel and others who volunteer their services for the state. It was also asserted that this amendment will result in a cost to many persons that will exceed five hundred dollars (\$500). This individual also submitted a comment related to (16)(D), suggesting that since some destinations do not have coach airfare available to compare to, the Office of Administration consider adding in some flexibility.

RESPONSE: With regard to the comment related to subsection (16)(D), if there is no coach airfare to the actual travel destination, the coach airfare to the most reasonable airport destination will be considered, and thus the actual expenses will include travel to and from the nearest airport to the destination.

COMMENT: This comment expressed opposition to the twelve (12)-hour travel status requirement and to the deletion of section (10). This public entity employs inspectors who must travel to do their job. It was suggested that this change could result in increasing costs due to overnight stays. This public entity has voluntarily put cost cutting measures in place for travel expenses.

RESPONSE: The Commissioner will continue to review the practical application of this amendment to see whether the results reflect the audit findings, including whether it results in more overnight stay requests.

**REVISED FISCAL NOTE  
 PRIVATE COST**

**I. RULE NUMBER**

Rule Number and Name:	1 CSR 10-11.010 State of Missouri Travel Regulations
Type of Rulemaking:	Order of Rulemaking

**II. SUMMARY OF FISCAL IMPACT**

Estimate of the number of entities by class which would likely be affected by the adoption of the proposed rule:	Classification by types of the business entities which would likely be affected:	Estimate in the aggregate as to the cost of compliance with the rule by the affected entities:
This amendment may affect all employees who would be subject to travel for state business	State employees who may be subject to travel for state business	The estimate is unknown (see assumption section below). But, in any case, the estimate could be no more than the \$1.8 million set forth in the audit.

**III. WORKSHEET**

The estimate came from the Office of the State Auditor's Performance Audit, Report No. 2001-95, pgs. 14-15.

**IV. ASSUMPTIONS**

This rule amendment does not require the expenditure of money by state employees as private persons. We recognize, however, the interpretation by the IRS that meal reimbursements to employees who travel less than 12 hours continuously are considered taxable income. Thus, this amendment could be interpreted as reducing income to affected employees in that respect.

The amount of money estimated to be saved by state government in the audit, \$1.8 million, is not directly convertible into what impacted employees would spend on meals while travelling for state business. Some employees may choose to carry meals from home and departments may change their business practices so as to reduce the need for meal reimbursement.

**ORDER OF RULEMAKING**

By the authority vested in the director of the Department Agriculture under section 267.645, RSMo 2000, the director amends a rule as follows:

2 CSR 30-2.010 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on June 17, 2002 (27 MoReg 966-967). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** Comments were accepted from June 18 through July 17, 2002.

**COMMENT:** A comment was received in support of the proposed amendment with one concern that the proposed amendment does not require the issuing veterinarian to make sure that the VS Form 10-11 is completed accurately and any consequences if not completed accurately.

**RESPONSE:** The issuing veterinarian is bound by his accreditation to complete the VS Form 10-11 accurately and completely. The VS Form 10-11 is a federal form and the *Code of Federal Regulations* addresses the issue of accredited veterinarians not completing federal forms completely and accurately.

**COMMENT:** A comment was received questioning whether the proposed amendment would accept any officially recognized state EIA test chart or just the VS Form 10-11.

**RESPONSE AND EXPLANATION OF CHANGE:** Concern noted and the proposed amendment will include any officially recognized state EIA test chart as well as the VS Form 10-11.

**COMMENT:** A comment was received questioning the prohibition of use of facsimile or photocopies of the VS Form 10-11 for change of ownership and the purpose of this requirement.

**RESPONSE AND EXPLANATION OF CHANGE:** Alterations to the originals may not be detected on a photocopy or facsimile. This provision helps to ensure that the buyer is receiving a valid test chart, which he will be able to use until the expiration date of the EIA test.

**EXPLANATION OF OTHER CHANGES:** Further administrative review of the proposed amendment in subsection (5)(A) and (5)(A)1. disclosed duplication of text; clarification needed on what date the EIA test is based on in (5)(2)B.; change of wording in (5)(C)3. to define veterinary inspection and in (5)(C)4. under special circumstances who will suspend the six (6)-month passports. Those sections with changes are printed in this final order of rulemaking.

**2 CSR 30-2.010 Health Requirements Governing the Admission of Livestock, Poultry and Exotic Animals Entering Missouri**

(5) *Equidae*.

(A) All *equidae* (except nursing foals accompanied by their dams) must be accompanied by:

1. A current VS Form 10-11 (or later revision) or any officially recognized state EIA test chart showing the graphic description of all markings needed for identification; and

2. An Official Certificate of Veterinary Inspection (health certificate) showing:

A. Identification and description of each and every *equidae* listed on the health certificate; and

B. Negative test results of an official Equine Infectious Anemia (EIA) test, showing test date within twelve (12) months prior to entry, the name of the EIA accredited testing laboratory, and the test accession number assigned by the laboratory.

(B) A certified photocopy or certified facsimile of the VS Form 10-11 (or later revision) or any officially recognized state EIA test chart may be accepted for the purpose of travel or exhibition, but not for change of ownership (including leasing or gifting):

1. A certified photocopy is one obtained from the testing veterinarian or accredited testing laboratory bearing seal or signature in the lower right hand corner along with the date of certification in some ink color other than black.

2. A certified facsimile may be obtained only from the testing veterinarian or accredited testing laboratory and must bear the facsimile imprint of the originating facility clearly across the top of the page. It must also bear the date of the facsimile either along the top or in the lower right hand corner.

(C) For purpose of travel and exhibition, Missouri will accept six (6)-month passports from states with which there is a reciprocal agreement. These passports must meet the following criteria:

1. Proof of a negative EIA test within thirty (30) days of the date of application of the passport;

2. Permanent identification for each horse by means of registered brand, legible tattoo or electronic identification (microchip); to be recorded on the passport and the VS Form 10-11 (or later revision) or any official recognized state EIA test chart, along with other identifying characteristics;

3. Inspection by an accredited veterinarian; and

4. In the event of confirmed vesicular stomatitis in any of the states with which reciprocal agreements exist, use of the six (6)-month passports will be suspended by the state veterinarian of Missouri.

**ORDER OF RULEMAKING**

By the authority vested in the director of the Department of Agriculture under section 267.645, RSMo 2000, the director amends a rule as follows:

2 CSR 30-2.020 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on June 17, 2002 (27 MoReg 967-969). Those sections with changes are reprinted here. This proposed amendment becomes effective (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** Comments were accepted from June 18 through July 17, 2002.

**COMMENT:** A comment was received in support of the proposed amendment with one concern that the proposed amendment does not require the issuing veterinarian to make sure that the VS Form 10-11 is completed accurately and any consequences if not completed accurately.

**RESPONSE:** The issuing veterinarian is bound by his accreditation to complete the VS Form 10-11 accurately and completely. The VS Form 10-11 is a federal form and the *Code of Federal Regulations* addresses the issue of accredited veterinarians not completing federal forms completely and accurately.

COMMENT: A comment was received expressing concern about whether the proposed amendment would accept any officially recognized state Equine Infectious Anemia (EIA) test chart or just the VS Form 10-11.

RESPONSE AND EXPLANATION OF CHANGE: Concern noted and the proposed amendment will include any officially recognized state EIA test chart as well as the VS Form 10-11.

COMMENT: A comment was received questioning the appropriateness of the wording in (4)(C)2. of the proposed amendment

RESPONSE AND EXPLANATION OF CHANGE: The wording in this section was reviewed and to clarify the acceptable form of verification at boarding, breeding and training facilities the proposed amendment will be reworded.

COMMENT: A comment was received asking which state/federal regulatory personnel does (4)(E)2. refer to and if mounted participants should expect someone to be at these events asking for proof of a negative EIA test results and if this was an adequate reason to stop a rider.

RESPONSE: The state/federal regulatory personnel include employees of the Department of Agriculture and USDA/APHIS, Veterinary Services. This same wording exists in our current regulations and while we proposed a different presentation, the intent did not change. However, if an incident would arise and a mounted participant is asked for proof of a negative EIA test, the department has authority under 267.645, RSMo to make such a request for the purpose of enforcing the regulations and protecting the livestock industry of the state.

COMMENT: A comment on the proposed amendment was received questioning who will enforce the requirement of having a current EIA test while riding on public lands and is this requirement because of documented risk of transmission of EIA under these specific circumstances.

RESPONSE AND EXPLANATION OF CHANGE: It will be the responsibility of the individual in charge of the trail ride and individual riders to meet the requirements as set forth in this proposed amendment. Also, many riders often use trailhead and sections at the same time and animals are often tied out at trailers, trees and tie-out lines at the same time. During vector season it is entirely possible that EIA may be transmitted in these circumstances.

COMMENT: A comment was received asking if accredited veterinarians were included in the definition of "a state/federal official" in (4)(H)5.A. of the proposed amendment.

RESPONSE AND EXPLANATION OF CHANGE: State/federal official refers to any veterinarian or animal health officer employed by the Missouri Department of Agriculture or veterinarian or animal health technician employed by USDA/APHIS, Veterinary Services. The sentence will be reworded to clarify the personnel responsible for issuing the VS Form 1-27 shipping permit.

COMMENT: A comment was received suggesting that the wording in (4)(H)6. changed to read "sixty (60) days or more" instead of "sixty (60) days or later"

RESPONSE AND EXPLANATION OF CHANGE: Suggestion noted and wording will be changed.

COMMENT: A comment was received questioning whether it would be more appropriate to refer to "sixty (60) days after separation from all positive equids" instead of "sixty (60) days after weaning" assuming that passive antibody transfer only occurs with colostrum.

RESPONSE AND EXPLANATION OF CHANGE: There is a potential risk through vector exposure as well as colostrum and the suggested wording does not change the intent of the paragraph and will be implemented.

COMMENT: A comment was received noting the name of the laboratory was incorrectly quoted in the proposed amendment.

RESPONSE AND EXPLANATION OF CHANGE: According to 2 CSR 30-1.010 General Organization, section (3) the official name is "Cooperative State and Federal Veterinary Diagnostic Laboratory" and correction will be made in the final order of rulemaking.

EXPLANATION OF OTHER CHANGES: Further administrative review noted for clarification that the name of the form be included with the form number and typographical errors. Corrections made in this final order of rulemaking.

1. Upon notification of a positive EIA test from any accredited laboratory, the positive animal(s) will be permanently identified by

microchip, quarantined, and isolated at least two hundred (200) yards from any other *equidae*.

2. All *equidae* determined or believed to be exposed to the positive animal will be quarantined, permanently identified by microchip, and blood collected by a veterinarian employed by the Missouri Department of Agriculture or a veterinarian employed by USDA, APHIS-Veterinarian Services or a licensed accredited deputy veterinarian acting under the direction of the state veterinarian for official EIA testing.

3. The original reactor animal is to be tested a second time within thirty (30) days of the first positive test. The second sample will be drawn by state or federal regulatory personnel and will be submitted to a Department of Agriculture Animal Health Diagnostic Laboratory. The owner may request that the sample be split and submit one (1) to a private accredited laboratory of their choice at their own expense. There will be no laboratory charge for retests of positive or exposed animals submitted to a Department of Agriculture Animal Health Diagnostic Laboratory.

4. Upon confirmation of positive status by a Department of Agriculture Animal Health Diagnostic Laboratory and the National Veterinary Services Laboratory, the positive animal will be freeze-branded on the left side of the neck with an alpha-numeric code that indicates the state of Missouri (by the number 43), EIA positive by (AP), the last digit of the year, followed by the positive EIA case number for that year. The freeze-brand will be a minimum of two inches (2") high and seven (7) characters long.

5. The owner or a representative of the owner must decide within fifteen (15) days the disposition of the positive animal with the following options:

A. Ship to an approved slaughter establishment on a VS Form 1-27 shipping permit issued by a veterinarian or animal health officer employed by the Department of Agriculture or a veterinarian or animal health technician employed by USDA, APHIS-Veterinarian Services. Market veterinarians may issue a VS Form 1-27 shipping permit for positive animals going directly to slaughter from a licensed livestock market/sale;

B. Euthanasia with a written statement from the attending veterinarian including date and disposition of the animal(s); or

C. Permanently quarantined, with the owner agreeing to abide by all the stipulations required by signing an EIA Quarantine Affidavit (MO Form 350-1052).

6. All other *equidae* owned/managed or leased will be placed under quarantine for sixty (60) days after removal of the last known positive animal. Two (2) negative EIA tests will be required to be released from quarantine. The first test at the time exposure was discovered and the second test sixty (60) days or more after the removal of the last known positive animal.

A. All exposed animals will be permanently identified by electronic microchip.

B. Blood samples will be drawn by a veterinarian or animal health officer employed by the Department of Agriculture or a veterinarian or an animal health technician employed by USDA, APHIS-Veterinarian Services and submitted to a Department of Agriculture Animal Health Diagnostic Laboratory (at no charge).

C. Foals from EIA positive mares will acquire passive antibody to EIA in the colostrum and may test positive for more than six (6) months. In these cases, the foal will be quarantined for at least sixty (60) days after weaning or separation from all positive equids and up to one (1) year of age pending negative EIA test results. If the animal is still test positive by one (1) year of age, it is considered infected and will be handled as such.

7. Violation of quarantine by any person in possession of the positive animal(s) or exposed animal(s) or refusal to test or to allow microchip implanting will be in violation of section 267.603, RSMo and may result in civil penalties not to exceed one thousand dollars (\$1,000) for each violation and penalties not to exceed five hundred dollars (\$500) for each day such person fails to cooperate as required.

**ORDER OF RULEMAKING**

By the authority vested in the director of the Department of Agriculture under section 267.645, RSMo 2000, the director amends a rule as follows:

2 CSR 30-2.040 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on June 17, 2002 (27 MoReg 969-970). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: Comments were accepted from June 18 through July 17, 2002.

COMMENT: A comment was received in support of the regulations with one concern that the proposed amendment does not require the issuing veterinarian to make sure that the VS Form 10-11 is completed accurately and any consequences if not completed accurately. RESPONSE: The issuing veterinarian is bound by his accreditation to complete the VS Form 10-11 accurately and completely. The VS Form 10-11 is a federal form and the *Code of Federal Regulations* addresses the issue of accredited veterinarians not completing federal forms completely and accurately.

COMMENT: A comment was received questioning whether the proposed amendment would accept any officially recognized state EIA test chart or just the VS Form 10-11.

RESPONSE AND EXPLANATION OF CHANGE: Concern noted and the proposed amendment will include any officially recognized state EIA test chart as well as the VS Form 10-11.

COMMENT: A comment was received asking the purpose of having an official inspecting veterinarian inspect all *equidae* daily and the definition of "when required" in (6)(H).

RESPONSE AND EXPLANATION OF CHANGES: The purpose of this section is to have the animals monitored daily for signs of diseases by the official inspecting veterinarian and removal of animals showing signs of diseases to protect the other animals present at the event. Out-of-state *equidae* exhibiting in Missouri requires a health certificate and a negative EIA test whereas Missouri origin horses require a current negative EIA test and are exempt from the health certificate requirement. Section reviewed and will be reworded to clarify when health certificates and tests are required.

EXPLANATION OF OTHER CHANGES: Further administrative review disclosed a clarification in (6)(B)2.B. on what date the EIA test is based on and clarification in (6)(D)3. on veterinary inspection. Those clarifications are noted and made in this final order of rulemaking.

(C) A certified photocopy or certified facsimile of the VS Form 10-11 (or later revision) or any officially recognized state EIA test chart may be accepted for the purpose of travel or exhibition but not for change of ownership (including leasing or gifting).

1. A certified photocopy is one obtained from the testing veterinarian or accredited testing laboratory bearing seal or signature in the lower right hand corner along with the date of certification of photocopy in some ink color other than black.

2. A certified facsimile may be obtained only from the testing veterinarian or accredited testing laboratory and must bear the facsimile imprint of the originating facility clearly across the top of the page. It must also bear the date of the facsimile either along the top or in the lower right hand corner.

(D) For the purpose of travel and exhibition, Missouri will accept six (6)-month passports from states with which there is a reciprocal agreement. These passports must meet the following criteria:

1. Proof of negative EIA test within thirty (30) days of the date of application of the passport;

2. Permanent identification for each horse by means of registered brand, legible tattoo, or electronic identification (microchip), to be recorded on the passport and the VS form 10-11 (or later revision) or any officially recognized state EIA test chart, along with other identifying characteristics;

3. Inspection by an accredited veterinarian;

4. In the event of confirmed vesicular stomatitis in any of the states with which reciprocal agreements exist, use of the six (6)-month passport will be suspended by the state veterinarian of Missouri.

(H) Any sick *equidae* at an exhibition may be excused by the official inspecting veterinarians. When an official inspecting veterinarian is present, all *equidae* will be subject to daily inspections. Any *equidae* entering without proper health certification when required and/or EIA test will be excused from the show until proper documentation and tests are obtained.

COMMENT: A comment was received asking for the definition of "state or federal regulatory personnel" in section (E) of the proposed amendment and questioned the procedure of handling *equidae* found positive on a test performed by the market veterinarian in section (E).

RESPONSE AND EXPLANATION OF CHANGE: Section (E) had no proposed changes and was not published in the *Missouri Register* on June 17, 2002 (27 MoReg 970-971). Without being published in the *Missouri Register*, no changes can be made at this time to section (E). Comments will be kept for future consideration.

EXPLANATION OF OTHER CHANGES: Further administrative review of the proposed amendments resulted in further discussion in subsection (5)(B) clarifying *equidae* found test positive suspect at a market and deletion of text in subsection (5)(C) for clarification purposes.

**(5) Required Testing and Handling of *Equidae*.**

(B) All *equidae* presented at any licensed market/sale for the purpose of change of ownership, not having proof of an official negative Equine Infectious Anemia (EIA) test within the previous twelve (12) months, shall have blood samples for EIA testing collected before the sale at the seller's expense.

1. In a licensed livestock market/sale where the veterinarian has an approved EIA testing laboratory, EIA tests will be run prior to the sale. Test positive suspect equids will be identified and returned to the owner's premises under quarantine pending test confirmation, or the owner may sell that animal directly to slaughter accompanied by a VS Form 1-27 shipping permit.

2. In markets where on-site EIA testing is not available, the equids will sell test-pending, identified as such by a red hip tag (furnished by the Missouri Department of Agriculture) recorded on an Equine Sales & Test Record form (MO 350-1138) and sold under quarantine to the buyer. This quarantine restricts the buyer from taking the equids out of Missouri and from another change of ownership, until the test results are received.

(C) *Equidae* presented with current, negative EIA test chart (VS Form 10-11 (or later revision) or any officially recognized state EIA test chart) will be sold with a white hip tag (furnished by the Missouri Department of Agriculture) and recorded on an Equine Sales & Test Record form (MO 350-1138). The seller must present an original EIA test chart; no photocopies or facsimiles will be accepted. The test must have been done within the previous twelve (12) months, and must be accurately completed, showing graphic descriptions of all markings needed for identification. Verification of each animal to the EIA test chart shall be the responsibility of the market veterinarian. If in the opinion of the market veterinarian the information shown on the EIA test chart does not match the animal presented or the test chart has been altered, the market veterinarian shall confiscate the form, mark the document "invalid" and the animal(s) will be tested at the seller's expense prior to the sale.

(D) No *equidae* will be released from any licensed market/sale without a current, negative EIA test; a test-pending quarantine, or released on a VS Form 1-27 shipping permit returning to the seller's premises. Once copy of all quarantines and Equine Sales & Test Record form (MO 350-1138) completed for each sale will be sent to the state veterinarian's office.

SUMMARY OF COMMENTS: The Commission received comments from three parties.

COMMENT FROM THE OFFICE OF THE PUBLIC COUNSEL: If the Commission wants to improve the decision making process, a more direct and reasonable course of action would be to direct the parties to briefly identify in their position statements (without arguing the case) the relevant law or facts that support their positions on that issue. In this way, the parties can assist the Commission understand their position on the issues and keep the focus on the differences between the parties, rather than on drafting a neutral statement of issues acceptable to all parties.

RESPONSE: The Commission finds that no changes to this rule are necessary as a result of this comment.

COMMENT FROM SOUTHWESTERN BELL TELEPHONE COMPANY: The Commission's proposed rule will lead to more disputes and will not be workable on a practical basis. For most cases, the commenter does not believe that the parties will be able to agree on a brief description of either the "factual premises" or "legal premises" relating to an issue. As a result, the commenter believes that in most cases, it will be difficult to comply with the Commission's proposed rule, resulting in less unanimity, not more, in descriptions of issues presented for Commission determinations. RESPONSE: The Commission finds that no changes to this rule are necessary as a result of this comment.

JOINT COMMENT OF MISSOURI-AMERICAN WATER COMPANY AND SOUTHERN UNION COMPANY D/B/A MISSOURI GAS ENERGY: The proposed amendment is likely to create additional (and perhaps insurmountable) difficulties for parties in cases being heard by the Commission. The commenter believes that the proposed form of issue statement is unnecessarily restrictive in some cases. Often the issues that come before the Commission are highly complex from a legal or factual standpoint.

RESPONSE: The Commission finds that no changes to this rule are necessary as a result of this comment.
