ORDER OF RULEMAKING

By the authority vested in the State Board of Education under sections 168.011, 168.128, 168.405 and 168.409, RSMo 2000 and 161.092, 168.021, 168.071, 168.081 and 168.400, RSMo Supp. 2003, the board amends a rule as follows:

5 CSR 80-800.360 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on October 15, 2003 (28 MoReg 1790-1793). Changes have been made in the text of the proposed amendment and the *Compendium of Missouri Certification Requirements* which is incorporated by reference. Those sections of the proposed amendment with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received forty-seven (47) letters of comment.

COMMENT: The board received four (4) comments pointing out that the *Compendium of Missouri Certification Requirements* has typographical errors in the requirements for Nursing Assistant-Aide, the School Psychologist, and Speech-Language Pathologist. In addition, the Speech-Language Specialist should be eliminated and the Speech-Language Pathologist moved to the Student Services section.
RESPONSE AND EXPLANATION OF CHANGE: The board has carefully reviewed the comments and will make the corrections in the *Compendium of Missouri Certification Requirements* which is incorporated by reference.

COMMENT: The board received a comment requesting that the local districts not have to report the professional development hours, rather the certificate holder should report the hours.

COMMENT: The board received twenty-eight (28) comments concerned that the professional development plan not be too burdensome and left to the local district's control.

RESPONSE AND EXPLANATION OF CHANGE: The board

carefully reviewed the comments and would point out that the professional development must be reported by the local school district and the professional development plan is within the control of the local school district. For clarification paragraphs (6)(B)2. and (7)(A)2. will be modified.

COMMENT: The board received twenty-six (26) comments concerned that the language of National Board Certification is too restrictive.

RESPONSE: The board carefully reviewed the comments and decided to make no changes in the text of the proposed amendment at this time. The board will, however, consider changing the rule to include other rigorous national certifications as specific requests are made.

COMMENT: The board received nine (9) comments requesting that the provisional classification be added again for alternative teacher preparation programs.

RESPONSE AND EXPLANATION OF CHANGE: The board carefully reviewed the comments and agrees to add provisional classification for alternative teacher preparation programs. Subsection (14)(B) is added.

COMMENT: The board received a comment seeking clarification of college hours and contact hours of professional development, questioning the authority for the PBTE's, asking for clarification of calendar or school years, and two (2) comments questioning the beginning teacher assistance program.

RESPONSE AND EXPLANATION OF CHANGE: The board carefully reviewed the comments and points out that the authority for the PBTE's is found in section 168.128, RSMo, which is listed in the authority section. In addition, the board will delete and clarify language regarding contact hours, beginning teacher assistance and clarify that it is school years. Subsections (5)(B), (6)(B), (7)(A) and (B) and section (9) are modified. Section (9) and subsections (5)(B), (6)(B), (7)(A), (7)(B), (14)(B) and (14)(C) are reprinted here for clarity.

(6) Initial Professional Classification (IPC):

(B) During the valid dates of the IPC classification, the certificate holder shall complete the following requirements:

1. Individuals possessing a CCPC who do not complete fifteen (15) contact hours of professional development each school year, may within two (2) school years make up the missing hours. The individual must first meet the fifteen (15)-hour requirement for the current school year and then count the excess hours as makeup hours;

2. A CCPC becomes inactive if the individual does not make up the requisite hours within two (2) school years; and/or

3. A CCPC may be reactivated by the individual completing twenty-four (24) contact hours of professional development within six (6) months prior to or after the reactivation of the certificate. Failure of the individual to complete the twenty-four (24) contact hours within six (6) months will result in the certificate becoming inactive; and

ORDER OF RULEMAKING

By the authority vested in the Department of Mental Health under section 630.050, RSMo 2000, the department amends a rule as follows:

9 CSR 10-5.190 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 1, 2003 (28 MoReg 2153–2155). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The department received one (1) comment.

COMMENT: One person suggested that subsection (1)(A) ought to specifically mention one (1) residential program and two (2) comprehensive substance abuse and treatment and rehabilitation programs.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees and has revised the rule accordingly.

EXPLANATION OF OTHER CHANGE: Even though no specific comment was received, the department has eliminated the phrase “regarding disqualifying crimes” from the end of subsection (1)(B). This is necessary because the sections of the rule referenced in this context include some disqualifications that are not related to crimes.

9 CSR 10-5.190 Background Screening for Employees and Volunteers

(1) For the purposes of this rule, residential facilities, day programs and specialized services are divided into two (2) categories, as follows:

(A) Category I. Those that are certified or licensed exclusively by the Department of Mental Health (DMH) or, although not certified or licensed, are funded by the department. Specifically this category includes:

1. Agencies certified by DMH as community psychiatric rehabilitation programs (CPRP), comprehensive substance abuse and treatment and rehabilitation programs (CSTAR), residential and/or outpatient programs;

2. Agencies certified by DMH in the community-based waiver certification program;

3. Agencies certified by the Division of Alcohol and Drug Abuse;

4. Facilities that have contractual arrangements with the department but are exempt from the department’s licensing and certification rules due to accreditation or other reason; and

5. Facilities and day programs which are licensed by the department and do not have a license from another state agency; and

(B) Category II. Those that, in addition to a license or certificate from DMH, have a license or certification from another state agency. Specifically, this category includes facilities licensed by the Children’s Division or the Department of Health and Senior Services; also included are intermediate care facilities/mental retardation (ICF/MR). Facilities and agencies included in Category II are subject to rules regarding criminal record review as promulgated by the state agency which licenses or certifies them and are not subject to sections (2) through (7) of this rule. However such agencies are subject to sections (8), (9), (10) and (11).

Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS AND EXPLANATION OF CHANGE: Even though no specific comment was received the department notes a typographical error. In subsection (1)(A) is the phrase "results to a person being disqualified." This should read "results in a person being disqualified." The department has revised the rule accordingly.

9 CSR 10-5.210 Exceptions Committee Procedures

(1) Definitions. The following terms are defined as follows:

(A) Disqualifying incident, a crime which under 9 CSR 10-5.190 results in a person being disqualified from employment, or one (1) or more administrative findings of abuse, neglect or misuse of client funds which, under 9 CSR 10-5.200 leads to a person being listed on the Department of Mental Health disqualification registry;

Title 9—DEPARTMENT OF MENTAL HEALTH Division 45—Division of Mental Retardation and Developmental Disabilities Chapter 5—Standards for Community-Based Services

ORDER OF RULEMAKING

By the authority vested in the Department of Mental Health under sections 630.050 and 630.655, RSMo 2000, the department adopts a rule as follows:

9 CSR 45-5.110 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on October 15, 2003 (28 MoReg 1805-1809). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The department received five (5) comments on the proposed rule.

COMMENT: One person made a general comment about 9 CSR 45-5.110(2)(E) which requires exit doors to swing in the direction of egress travel. The person estimated the cost of compliance with that requirement for a specific provider to be \$1,500 for each of two buildings totaling \$3,000.

RESPONSE AND EXPLANATION OF CHANGE: The department will revise the fiscal note accordingly based on this one provider's determination of cost. However, the department does not generalize that this is the cost to any other facilities.

COMMENT: One person asked if this rule applied to providers accredited by CARF (The Rehabilitation Accreditation Commission).

RESPONSE: The certification of a provider accredited by CARF is not contingent upon meeting the requirements of this regulation. However, the department considers these standards minimal and essential to the safety of consumers and therefore, would expect accredited providers to have an equivalent of these standards.

COMMENT: One person commenting on section (8) stated that parameters are needed regarding the storage of materials near a furnace.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees and has added wording in subsection (8)(N).

COMMENT: One person commenting on subsection (7)(H) suggested that examples of appliances that pose a risk of carbon monoxide be added.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees and has added examples to this section.

COMMENT: One person commented that the wording in subsection (7)(I) regarding the number and placement of fire extinguishers is contradictory.

RESPONSE: The department has reviewed the wording and believes it is clear and has not revised the rule in response to this comment.

9 CSR 45-5.110 Fire Safety for On-Site Day Habilitation

(7) Detection, Alarms, Extinguishment.

(H) Facilities using equipment or appliances, such as a gas stove or gas water heater, that pose a potential carbon monoxide risk, including facilities with attached garages, shall install a carbon monoxide detector(s). The detector(s) shall be installed according to the manufacturer's instructions. The state fire marshal may require additional carbon monoxide detectors if the state fire marshal inspector determines that the safety of the occupants is endangered.

1. Carbon monoxide detectors shall be in good operating condition. If a battery-operated detector is not operational, the facility shall install a detector that is powered by the building's electrical system with a battery backup.

2. If an elevated carbon monoxide level is detected during a fire inspection, the facility shall have all gas-fired appliances checked by a heating and air conditioning company to identify the source of the carbon monoxide. Until the facility has documentation on file at the facility verifying that all gas-fired appliances were checked by a heating and air conditioning company and are in safe working order, and the facility is determined safe by the state fire marshal inspector, the fire inspection shall not be approved.

3. If a level of carbon monoxide is determined that endangers the lives of the occupants in care, the state fire marshal shall take measures necessary to protect the occupants. This may include evacuation of the building or closing the facility. The facility shall obtain and have on file at the facility, documentation verifying that all gas-fired appliances were checked by a heating and air conditioning company and are in safe working order. The facility shall be reinspected by the state fire marshal inspector and determined safe before the occupants can return to the building or the facility can reopen.

(8) Heating, Ventilating, Air Conditioning, and Mechanical Equipment.

(N) If any combustibles are stored in a furnace room, they must be enclosed in a metal container.

REVISED PRIVATE COST: The department estimates a one-time cost of three thousand dollars (\$3,000). See fiscal note.

III. WORKSHEET. \$1500 times two doors = \$3000.

IV. ASSUMPTIONS AND METHODOLOGY.

Information available to the department at the time this proposed rule was published indicated that providers did not anticipate any cost in complying with this rule. However, during the public comment period one provider stated that it would cost his agency approximately \$1500 per door to comply with the requirement, under subsection (2)(E), that exit doors swing in the direction of egress travel. The provider stated that two doors at his day habilitation program would be affected.

ORDER OF RULEMAKING

By the authority vested in the Department of Mental Health under sections 630.050 and 630.655, RSMo 2000, the department adopts a rule as follows:

9 CSR 45-5.130 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on October 15, 2003 (28 MoReg 1809-1812). SUMMARY OF COMMENTS: The department received six (6) comments on the proposed rule.

COMMENT: One person asked if the regulation applied to providers accredited by CARF (The Rehabilitation Accreditation Commission). **RESPONSE:** The certification of a provider accredited by CARF is not contingent upon meeting the requirements of this regulation. However, the department considers these standards minimal and essential to the safety of consumers and therefore, would expect accredited providers to have an equivalent of these standards.

COMMENT: One person commenting on section (7) stated that parameters are needed regarding the storage of materials near a furnace.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees and has added wording in (7)(O).

COMMENT: One person commenting on subsection (6)(G) suggested that examples of appliances that pose a risk of carbon monoxide be added.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees and has added examples to this section.

COMMENT: One person commented that the wording on subsection (6)(H) regarding the number and placement of fire extinguishers is contradictory.

RESPONSE: The department has reviewed the wording and believes it is clear and has not revised the rule in response to this comment.

COMMENT: One person commenting on sections (1) General Requirements and (4) Protection expressed a concern that some of the proposed changes are cost prohibitive, and other specific examples of potential concerns particular to the writer's provider organization.

RESPONSE: In cooperation with many providers, these sections were written to give reasonable protection appropriate to the consumer's needs and the vision of the department and consumers for community living. The department considers these minimally necessary. All potential difficulties are taken into account in the drafting of the rules. The final draft is a reflection of striking a balance of regulatory responsibility and the realities of living in the community. The efforts made by the department to access the fiscal impact of this rule did not lead to any conclusion that the requirements would be cost prohibitive. The agency making this comment is not subject to this rule because the agency is accredited by CARF. (See **RESPONSE** to the first comment above).

COMMENT: One person commenting on fire safety rules in residential sites asked, "Shouldn't the residential habilitation sites have a restriction similar to the day habilitation programs restricting them

to use ground level areas plus one above and one below with appropriate sprinkler systems?"

RESPONSE: Residential habilitation homes and facilities are subject to different regulations, particularly regarding staffing patterns and the number of residents.

ORDER OF RULEMAKING

By the authority vested in the Soil and Water Districts Commission under sections 278.070.4 and 278.110.8, RSMo 2000 and 278.080.1 and 278.080.5(8), RSMo Supp. 2003, the commission amends a rule as follows:

10 CSR 70-5.040 Cost-Share Rates and Reimbursement Procedures is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on November 3, 2003 (28 MoReg 1916). No changes have been made to the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: Comments were received from twenty-eight (28) Soil and Water Conservation District Board of Supervisors. All comments were in support of the rulemaking and have been summarized as follows:

COMMENT: The Soil and Water District Board of Supervisors support the proposed rule change that would remove the state cost-share rate that is tied to the local federally funded cost-share rate. We would also like to express our support of the continued 75% cost-share rate, with the option of a lower percent being left to the discretion of the local Soil and Water Conservation Board of Supervisors. We truly appreciate the time and effort the commission has put forth to insure that the State Cost-Share Program remains in force and beneficial to the landowners of Missouri.

RESPONSE: The Soil and Water Districts Commission would like to express their appreciation for the support of rulemaking 10 CSR 70-5.040, Cost-Share Rates and Reimbursement Procedures, shown by the local Soil and Water District Board of Supervisors throughout the state.
