

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbolology under the heading of the proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety (90)-day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

(1) The following words and terms, as used in this rule, mean:

(A) Catastrophic event, any event that occurs with a consumer or facility that would result in possible media attention to either the provider or the department;

(B) Consumer, individual receiving department funded or contracted services, including case management only services, directly from any program or facility;

(C) Corrective action plan, the document a provider submits to the department in response to the results of an event or events which outlines those measures that are intended to reduce the likelihood that the event(s) will recur or to remediate a deficiency. Such actions include but are not limited to: removal of an individual receiving services or staff from a provider; staff training; improvements in the physical plant; revision of operating procedures; contractual sanctions; suspension or revocation of a license/certificate;

(D) Department, the Department of Mental Health's local regional center, district administrator, or supported community living office, depending on the division providing service;

(E) Guardian, individual who is legally responsible for the care and custody of the consumer;

(2) This section applies to event notification and reporting requirements for employees of providers, as defined under section 630.005, RSMo.

(A) Providers must maintain written policies requiring their employees to report events under this regulation and those events identified in 9 CSR 10-5.200. The policies must make clear that administrative or disciplinary sanctions may result from failure to report. Providers must ensure that their employees and those who support the agency are educated about the department's notification and reporting requirements.

(B) It is the responsibility of the provider to—

1. Notify the department with a written or verbal report of all events reportable under this regulation as identified on the Report Form or guidelines. The only exception to this is if the parent(s) or legal guardian is the suspected primary person involved that forms the basis for the reported event. If the provider is unable to verbally contact the guardian/parent, the provider shall document on the Report Form all efforts made to comply.

(3) The provider shall develop and implement written procedures for the internal review of reportable events. The provider shall review and analyze reportable events to identify patterns and trends to prevent the reoccurrence of such events and to identify systemic issues, on an annual basis. Upon request by the department, the provider shall provide evidence that this review has been conducted and that appropriate action has been taken.

(4) The provider shall ensure that patterns and trends of reportable events, specific to a consumer, are included and addressed in the consumer's personal/treatment plan upon approval by the planning team. To the extent that specific consumer and systemic issues are identified, the department staff may meet with the provider to discuss action steps to address and resolve issues, including submission of corrective action plans.

(5) The department may request a corrective action plan be provided by the provider based on the facts surrounding the event. This plan is subject to approval of the department within a time frame specified by the department. This plan must be carried out as specified.

(6) Programs licensed or certified by the department must maintain internal records of incidents involving individuals receiving no department funded or contracted services, to include appropriate quality assurance and follow-up of these incidents. These records must be available for review by the department as needed for monitoring or licensure/certification activities.

**Title 13—DEPARTMENT OF SOCIAL SERVICES
Division 35—Children’s Division
Chapter 30—Voluntary Placement Agreement**

PROPOSED RULE

13 CSR 35-30.010 Voluntary Placement Agreement Solely for the Purpose of Accessing Mental Health Services and Treatment for Children Under Age Eighteen (18)

PURPOSE: This rule sets forth procedures to be followed to divert children from Children’s Division (CD) legal custody when a parent is unable to access or afford clinically indicated mental health services for their child and the child otherwise is not the subject of parental abuse, neglect or abandonment.

(1) Parents or legal guardians (parents) who are considering relinquishing custody solely for the purpose of accessing clinically indicated mental health services for their child or who otherwise cannot afford such services shall be referred by the Children’s Division (CD) or Juvenile Court to the Department of Mental Health (DMH) or their designee for an assessment of eligibility to enter into a Voluntary Placement Agreement (VPA) in accordance with Chapter 536, RSMo.

(2) The Department of Social Services-Children’s Division (DSS-CD) and the DMH shall develop protocol, policy and procedure to assess the level and extent of services needed for such children and to develop criteria for determining whether a child may be appropriate for a VPA in accordance with Chapter 536, RSMo.

(3) If DMH determines pursuant to the procedures, policies, and protocols as indicated in section (2) above, that the child requires services that cannot be provided in the home and the parent is currently unable to access or financially afford the clinically indicated care the child requires, the parent may enter into a VPA with the DSS-CD.

(A) A VPA means a written agreement between the DSS-CD and a parent, legal guardian, or custodian of a child under age eighteen (18) in need of out-of-home placement, solely because he/she is in need of mental health treatment and services.

(B) A VPA developed following a DMH assessment and certification of appropriateness authorizes the DSS-CD to administer the placement and care of a child while the parent, legal guardian, or custodian of the child retains legal custody.

(4) The DSS-CD will authorize the DMH to place the child, administer the placement, and provide care and treatment for the child while he/she is under the Voluntary Placement Agreement.

(5) The DMH shall ensure that a child’s placement, under the VPA, shall be in the most appropriate and least restrictive environment available for the shortest period of time as clinically indicated.

(6) The VPA shall be effective the date the child is placed. Voluntary Placement Agreements may be for as short a period as the parties may agree in the best interests of the child but under no circumstances shall the total period of time that a child shall remain in care under a VPA exceed one hundred eighty (180) days. Subsequent agreements may be entered into, but the total period of placement of the child under a single VPA or a series of VPAs shall not exceed one hundred eighty (180) days without the express authorization of the director of the Children’s Division or his/her designee.

(7) The parents, DMH and DSS-CD shall hold a family support team meeting to develop a permanency/treatment plan for the child either prior to or within seventy-two (72) hours of the date of placement of the child pursuant to a VPA. The permanency/treatment plan shall be completed and in place no later than sixty (60) days from the date that the child is placed according to the agreement.

(8) The parents, the DSS-CD and DMH shall hold a family support team meeting no later than one hundred (100) days from the date that the child is placed pursuant to a VPA to determine whether:

(A) The parties have exercised reasonable efforts to finalize the permanency plan; and

(B) Whether it is in the best interests of the child to either terminate the VPA and reunite the child with the child’s parents or whether it is in the best interests of the child to continue the child in care beyond the expiration date of the VPA.

(9) The DSS-CD shall maintain responsibility for compliance with all Federal Title IV-E requirements. All Voluntary Placement Agreements shall be consistent with the requirements of sections 210.108 and 210.710, RSMo and Title IV-E of the Social Security Act and its implementing regulations, including, but not limited to 42 U.S.C. section 672.

(10) DMH shall develop and submit to DSS-CD at prescribed intervals a report of services provided to any child served under a VPA. Such report shall include any information identified by DSS-CD as required for federal reporting purposes.

(11) The VPA may be terminated by the DSS-CD upon ten (10) days written notice to the parties.

(12) The parent(s) may terminate the VPA for any reason at any time by providing either oral or written notification to DSS-CD. Upon receipt of such notice the VPA shall immediately terminate and the child shall be returned to the legal and physical custody of the parents.

(13) All VPAs shall be in writing and shall be on a form approved by the DSS-CD in consultation with the DMH.

AUTHORITY: section 210.108, RSMo Supp. 2004. Emergency rule filed Dec. 23, 2004, effective Jan. 2, 2005, expires June 30, 2005. Original rule filed Dec. 23, 2004.

PUBLIC COST: This proposed rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.

PRIVATE COST: This proposed rule will not cost private entities more than five hundred dollars (\$500) in the aggregate.

NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed rule with the Children's Division, Frederic M. 13 CSR 70-10.110 Nursing Facility Reimbursement Allowance. The division is amending sections (1) and (2) and adding section (3).

PURPOSE: This amendment clarifies the NFRA regulation, updates the applicable quarterly survey to be used in determining the NFRA assessment and provides for an adjustment to the NFRA for qualifying facilities.

PUBLISHER'S NOTE: The secretary of state has determined that the publication of the entire text of the material which is incorporated by reference as a portion of this rule would be unduly cumbersome or expensive. This material as incorporated by reference in this rule shall be maintained by the agency at its headquarters and shall be made available to the public for inspection and copying at no more than the actual cost of reproduction. This note applies only to the reference material. The entire text of the rule is printed here.

(III) On a regular basis, health-care and services to individuals who because of their mental or physical condition require care and services (above the level of room and board) which can be made available to them only through institutional facilities, and is not primarily for the care and treatment of mental diseases; and

4. Director. Director of the Department of Social Services.

5. Division. Division of Medical Services, Department of Social Services.

6. *[Division of Aging] Department of Health and Senior Services (DHSS).* The *[division of the Department of Social Services] Missouri state agency* responsible for *[surveys, certification and licensure of nursing facilities] licensing and inspecting all long-term care facilities operating in Missouri and certifying annually those facilities participating in the Medicare or Medicaid program.*

7. Engaging in the business of providing nursing facility services. Accepting payment for nursing facility services rendered.

8. **Quarterly survey.** The survey filled out each quarter by a nursing facility providing data on its licensed and certified beds and the related resident occupancy days (ROD) that is submitted to the DHSS. The survey form, "Missouri Department of Health and Senior Services, Division of Senior Services and Regulation, ICF/SNF Certificate of Need Quarterly Survey" (form MO 886-9001 (6-95)), incorporated by reference in this rule, is published by the Department of Health and Senior Services, Division of Senior Services and Regulation, PO Box 570, Jefferson City, MO 65102. This rule does not incorporate any subsequent amendments or additions.

9. **Applicable quarterly survey.** The quarterly survey used by the division from which the patient occupancy days are taken to determine the NFRA assessment for a given period as set forth in section (2).

[8./10. Patient occupancy days. The number of days that residents occupied the licensed beds in a nursing facility as shown on

the *[Division of Aging's]* quarterly survey, line D. "Number of occupied RODs (days patients in beds or beds held)."

[9./11. *[Total]* Annualized level of patient occupancy days. The annual level of patient occupancy days used to determine the annual NFRA assessment.

A. For existing nursing facilities whose NFRA assessment is set in accordance with (1)(B)1. of this regulation, the annualized level of patient occupancy days is calculated by taking *[T]*the number of patient occupancy days shown on line D. of the *[Division of Aging's]* quarterly survey multiplied by four (4).

B. For nursing facilities whose NFRA assessment is not set by the general rule set forth in (1)(B)1. (i.e., it is an exception set under (1)(B)1.A., is a new facility set under (1)(B)2., qualifies for a NFRA Adjustment in accordance with section (3), etc.), the annualized level of patient occupancy days may be calculated differently and is set forth in those sections.

[10./12. Licensed beds. Any skilled nursing facility or intermediate care facility bed meeting the licensing requirement of the *[Division of Aging or the] Missouri Department of Health and Senior Services.*

13. **Licensed bed days.** The total number of patient days available for use during a given period for all licensed beds. For purposes of this regulation, licensed bed days are calculated for an annual period and is the number of licensed beds times three hundred sixty-five (365) days.

14. **Change of ownership.** A change in the ownership, control, operator or leasehold interest.

(B) Each nursing facility, except any nursing facility operated by the Department of Mental Health, engaging in the business of providing nursing facility services in Missouri shall pay a Nursing Facility Reimbursement Allowance (NFRA).

1. The NFRA owed for existing nursing facilities shall be calculated by multiplying the NFRA rate by the annualized level of patient occupancy days from the applicable *[Division of Aging ICF/SNF Certificate of Need] Quarterly Survey.* The NFRA shall be divided by and collected over the number of months for which each NFRA rate is effective. The NFRA rates, effective dates and applicable quarterly surveys are set forth in section (2).

A. Exceptions.

(I) If an existing nursing facility's applicable quarterly survey, as set forth in section (2), does not represent a full quarter's worth of days due to a termination, temporary closure, change of ownership, etc., the annualized level of patient occupancy days used to determine the NFRA shall be the greater of:

(a) The annualized level of patient occupancy days from the quarterly survey immediately prior to the applicable quarterly survey, if it represents a full quarter's worth of days; or

(b) Fifty percent (50%) of licensed bed/s/ days (i.e., number of licensed beds times three hundred sixty-five (365) days times fifty percent (50%)).

(II) If an existing nursing facility did not have patient occupancy information included on the applicable quarterly survey due to a termination, temporary closure, change of ownership, etc., the annualized level of patient occupancy days used to determine the NFRA shall be the greater of:

(a) The annualized level of patient occupancy days from the quarterly survey immediately prior to the applicable quarterly survey, if it represents a full quarter's worth of days; or

(b) Fifty percent (50%) of licensed bed/s/ days.

(III) If a nursing facility has ICF licensed beds and SNF licensed beds and none of the beds are Medicaid certified, only the SNF beds are subject to NFRA. The annualized level of patient occupancy days used to determine the NFRA shall be determined by multiplying the occupancy percentage from the applicable quarterly survey by the *[annualized level of patient occupancy] licensed bed days [based on]* for the SNF licensed beds (i.e., number of SNF licensed beds times three hundred sixty-five (365) days).

(IV) If two (2) existing nursing facilities merge, with one (1) nursing facility terminating and transferring its beds to the remaining facility, the NFRA for the two (2) previously independent nursing facilities shall be added together and assessed to the remaining facility.

2. The initial NFRA owed by a newly licensed nursing facility that just opened as a result of receiving a Certificate of Need (CON) for a new nursing facility shall be calculated by multiplying the NFRA rate by the annualized level of patient occupancy days based on fifty percent (50%) of licensed bed/s/ days. The NFRA shall be prorated for the number of months remaining in the NFRA period. If a nursing facility's licensure date is after the first day of a month, the NFRA will be collected beginning with the first day of the month following the actual licensure date.

3. If a nursing facility ceases to provide nursing facility services, the nursing facility is not required to pay the NFRA during the months in which it does not have residents, even though it may retain a license due to temporary closure for renovations, replacement, etc. **If a nursing facility provided nursing facility services for any portion of a month, it shall pay the NFRA for the entire month (i.e., the NFRA shall not be prorated for the month in which it ceases to provide nursing facility services).** If the facility reopens, it shall resume paying the NFRA. It shall owe the same NFRA as it did prior to closing, if the NFRA has not changed per section (2) below. If the NFRA has changed, the facility shall be assessed in accordance with paragraph (1)(B)1. above.

(F) Each nursing facility, upon receiving written notice of the final determination of its Nursing Facility Reimbursement Allowance may file a protest with the director of the department setting forth the grounds on which the protest is based, within thirty (30) days from the date of receipt of written notice from the department. The director of the department shall reconsider the determination and, if the nursing facility so requested, the director or the director's designee shall grant the nursing facility a hearing to be held within forty-five (45) days after the protest is filed, unless extended by agreement between the nursing facility and the director. The director shall issue a final decision within forty-five (45) days of the completion of the hearing. After a final decision by the director, a nursing facility's appeal of the director's final decision shall be to the Administrative Hearing Commission in accordance with sections 208.156, RSMo and 621.055, RSMo.

(2) NFRA Rates. The NFRA rates determined by the division, as set forth in (1)(B) above, are as follows:

(H) The NFRA will be seven dollars and thirty cents (\$7.30) per patient occupancy day, effective July 1, 2001. The applicable quarterly survey for this period shall be the Division of Aging's December 2000 quarterly survey; *and*

(I) The NFRA will be eight dollars and forty-two cents (\$8.42) per patient occupancy day, effective July 1, 2003. The applicable quarterly survey for this period shall be the Department of Health and Senior Services' December 2002 quarterly survey [.] ;

(J) **Effective January 1, 2005, the applicable quarterly survey shall be the June 2004 quarterly survey.** The NFRA will continue to be eight dollars and forty-two cents (\$8.42) per patient occupancy day; and

(K) **Effective July 1, 2005, the applicable quarterly survey shall be updated at the beginning of each state fiscal year using the previous December's quarterly survey.**

(3) NFRA Adjustment Request. A facility being assessed the NFRA may request that its current NFRA assessment be adjusted, as set forth below.

(A) **Qualifying Criteria.** In order for a facility to receive an adjustment to its current NFRA assessment, it must meet all of the following criteria:

1. **The facility must decrease its licensed bed capacity by at least fifteen percent (15%).**

2. **The facility must draft a written statement documenting that the decrease in licensed bed capacity is intended to be permanent.**

A. **If the facility increases its licensed capacity back to the original capacity within one (1) year of the decrease, the NFRA Adjustment shall be voided and the facility shall resume paying the original NFRA beginning with the first of the month in which the facility made the request to DHSS to increase licensed capacity.**

3. **The annualized level of patient occupancy days currently being assessed is not possible to attain because it is greater than one hundred percent (100%) of its new licensed capacity.** For example, assume a facility had one hundred thirty (130) licensed beds and was being assessed on an average of one hundred (100) beds:

A. **If a facility decreased its license by twenty (20) beds, being left with a total of one hundred ten (110) licensed beds, the facility could still obtain the occupancy at which it was assessed (i.e., one hundred (100) beds being assessed is less than the one hundred ten (110) licensed bed capacity).** Therefore, it would not meet the criteria for a NFRA Adjustment.

B. **If a facility decreased its license by forty (40) beds, being left with a total of ninety (90) licensed beds, the facility could not obtain the occupancy at which it was assessed (i.e., one hundred (100) beds being assessed is greater than the ninety (90) licensed bed capacity).** Therefore, it would meet the criteria for a NFRA Adjustment.

4. **The facility must submit a written request to the Division that includes an explanation as to why it believes it qualifies for an adjustment to its NFRA and documentation supporting its request. The following documentation is required:**

A. **A copy of the facility's request submitted to the DHSS and/or the CON program that its licensed bed capacity be decreased.**

B. **A copy of the license issued as a result of the request for the decrease and all licenses issued from that point forward to the current license.**

C. **If the facility's request submitted to the DHSS and/or the CON program to decrease its licensed bed capacity did not include a statement that the facility intended for the decrease to be permanent, such a statement must be submitted with the NFRA Adjustment Request.**

D. **The division may obtain this documentation and any other documentation it deems relevant to satisfy itself that the facility's licensed bed capacity has been decreased and the facility intends for the decrease to be permanent from the facility, the DHSS, the CON program, or any other source it deems appropriate.**

E. **If the division makes a written request for additional information and the facility does not comply within ninety (90) days of the request, the division shall consider the NFRA Adjustment Request withdrawn.**

(B) **Calculation of Adjustment.** A nursing facility meeting the criteria for a NFRA Adjustment shall have its NFRA recalculated and it shall replace the current NFRA. The revised, adjusted NFRA shall be calculated as follows:

1. **The facility's new, decreased licensed bed capacity shall be multiplied by three hundred sixty-five (365) days to determine the annualized level of patient occupancy days.**

2. **The new annualized level of patient occupancy days shall be multiplied by the current NFRA rate set forth in section (2) to determine the revised annual assessment.**

3. **The revised annual assessment shall be divided by twelve (12) months to determine the revised monthly assessment that the facility will owe beginning with the effective date of the adjustment.**

(C) **Effective Date of NFRA Adjustment.** The effective date of the NFRA Adjustment shall be the first day of the month following the date the request is received; it will not be retroactive back to the effective date of the original NFRA.

**Title 22—MISSOURI CONSOLIDATED HEALTH
CARE PLAN
Division 10—Health Care Plan
Chapter 2—State Membership**

PROPOSED RULE

22 CSR 10-2.020 Subscriber Agreement and General Membership Provisions

PURPOSE: This rule establishes the policy of the board of trustees in regard to the employee's membership agreement and membership period for participation in the Missouri Consolidated Health Care Plan.

(1) The participant's initial application, any subsequently accepted modifications to such application, and the plan document as adopted by the board along with duly executed amendments shall comprise the subscriber agreement between the participant and the Missouri Consolidated Health Care Plan (MCHCP). Any associated administrative guidelines interpret the subscriber agreement for the benefit of members and administrators but are not a part of the subscriber agreement.

(A) By applying for coverage under the MCHCP a participant agrees that—

1. The employer may deduct the cost of the premium for the employee's plan from the employee's paychecks;

2. Individual and family deductibles, if appropriate, will be applied; and

3. Any individual eligible as an employee shall not be covered as a dependent unless the employee is on an approved leave of absence.

(2) The effective date of participation shall be determined, subject to the effective date provision in subsection (2)(C), as follows:

(A) Employee Participation.

1. If application by an employee is made on or before the date of eligibility, participation shall become effective on such date of eligibility;

2. If application by an employee is made within thirty-one (31) days after the date of eligibility, participation may become effective on the date of eligibility or the first day of the calendar month coinciding with or following the date of application, except that participation shall be retroactive to the beginning of the month for employees rehired during the month following the month participation would have terminated; and

3. Not limiting or excluding any of the other provisions, if application is not made within thirty-one (31) days of the employee's date of eligibility, they may apply for coverage only if a life event occurs. Life events include: marriage, birth, adoption, death, divorce, legal separation, job loss or failure to elect continuation of coverage. A special enrollment period of thirty-one (31) days shall be available beginning with the date of the life event. It is the employee's responsibility to notify the plan administrator of the life event;

(B) Dependent Coverage. Dependent participation cannot precede the subscriber's participation. Application for participants must be made in accordance with the following provisions. For family coverage, once a subscriber is participating with respect to dependents, newly acquired dependents are automatically covered on their effective dates as long as the plan administrator is notified within thirty-one (31) days of the person becoming a dependent. First eligible dependents must be added within thirty-one (31) days of such qualifying event. The employee is required to notify the plan administrator on the appropriate form of the dependent's name, date of birth, eligibility date and Social Security number, if available. Claims will not be processed until the required information is provided.

1. If an employee makes concurrent application for dependent participation on or before the date of eligibility or within thirty-one (31) days thereafter, participation for dependent will become effective on the date the employee's participation becomes effective;

2. When an employee participating in the plan first becomes eligible with respect to a dependent child(ren), coverage may become effective on the eligibility date or the first day of the month coinciding with or following the date of eligibility if application is made within thirty-one (31) days of the date of eligibility and provided any required contribution for the period is made;

3. Unless required under federal guidelines—

A. An emancipated dependent who regains his/her dependent status is immediately eligible for coverage if an application is submitted within thirty-one (31) days of regaining dependent status; and

B. An eligible dependent that is covered under a spouse's health plan who loses eligibility under the criteria stipulated for dependent status under the spouse's health plan is not eligible for coverage until the next open enrollment period. (Note: Subparagraphs (2)(B)3.A. and B. do not include dependents of retirees or long-term disability members covered under the plan); and

4. Survivors, retirees, vested subscribers and long-term disability subscribers may only add dependents to their coverage when the dependent is first eligible for coverage;

(C) Effective Date Proviso.

1. In any instance when the employee is not actively working full-time on the date participation would otherwise have become effective, participation shall not become effective until the date the employee returns to full-time active work;

(D) Application for dependent coverage may be made at other times of the year when the spouse's, ex-spouse's (who is the natural parent providing coverage), or legal guardian's: 1) employment is terminated or is no longer eligible for coverage under his/her employer's plan, or 2) employer-sponsored medical plan is terminated. With respect to dependent child(ren) coverage, application may also be made at other times of the year when the member receives a court order stating s/he is responsible for providing medical coverage for the dependent child(ren) or when the dependent loses Medicaid coverage. Dependents added under any of these exceptions must supply verification from the previous insurance carrier or the member's employer that they have lost coverage and the effective date of termination. Coverage must also be requested within sixty (60) days from the termination date of the previous coverage. Application must be made within sixty (60) days of the court order. (Note: This section does not include dependents of retirees, survivors, vested subscribers, or long-term disability subscribers covered under the plan);

(E) When an employee experiences applicable life events, eligibility will be administered according to Health Insurance Portability and Accountability Act (HIPAA) guidelines.

(3) Termination of participation shall occur on the last day of the calendar month coinciding with or following the happening of any of the following events, whichever shall occur first:

(A) Written request by the employee;

(B) Failure to make any required contribution toward the cost of coverage;

(C) Entry into the armed forces of any country. With respect to an employee, membership in the National Guard or Reserves with or without two (2) consecutive full weeks of active training each year shall not be considered as entry into the armed forces; or

(D) Termination of Eligibility for Participation.

1. With respect to employees, termination of participation shall occur upon termination of employment in a position covered by the MCHCP, except as specified in sections (4) and (5).

2. With respect to dependents, termination of participation shall occur upon ceasing to be a dependent as defined in this rule with the following exception: unemancipated mentally retarded and/or physically handicapped children will continue to be eligible beyond age twenty-three (23) during the continuance of a permanent disability provided documentation satisfactory to the plan administrator is furnished by a physician prior to the dependent's twenty-third birthday, and as requested at the discretion of the plan administrator.

3. Termination of employee's participation shall terminate the participation of dependents, except as specified in section (5).

(4) Termination of participation shall occur immediately upon discontinuance of the plan subject to the plan termination provision specified in 22 CSR 10-2.080(1).

(5) Continuation of Coverage.

(A) Dependents. Termination of an active employee's participation by reason of death shall not terminate participation with respect to the surviving spouse and/or dependent children if—

1. The active employee was vested and eligible for a future retirement benefit; or

2. Your eligible dependents meet one (1) of the following conditions:

A. They have had coverage through MCHCP since the effective date of the last open enrollment period;

B. They have had other health insurance for the six (6) months immediately prior to your death—proof of insurance is required; or

C. They have had coverage through MCHCP since they were first eligible.

(B) Employee Eligible for Retirement Benefits. Any employee who, at the time of termination of employment, met the following—

1. Eligibility criteria:

A. Coverage through MCHCP since the effective date of the last open enrollment period;

B. Other health insurance for the six (6) months immediately prior to the termination of state employment—proof of insurance is required; or

C. Coverage since first eligible;

2. Immediately eligible to receive a monthly retirement benefit from the Missouri State Employees' Retirement System, Public School Retirement System, the retirement system of a participating public entity, or the Highway Retirement System may elect to continue to participate in the plan by paying the cost of plan benefits as determined by the plan administrator. An employee must apply for continued coverage within thirty-one (31) days of the first day of the month following the date of retirement. An employee, continuing coverage under this provision, may also continue coverage for eligible dependents.

A. If a member participates in the MCHCP as a vested member, his/her dependents may also participate if they meet one (1) of the following criteria:

(I) They have had coverage through MCHCP since the effective date of the last open enrollment period;

(II) They have had other health insurance for the six (6) months immediately prior to state employment termination—proof of insurance is required; or

(III) They have had coverage since they were first eligible;

3. In the case of the death of a retiree who was maintaining dependent coverage under this provision, the dependent of the deceased retiree may continue his/her participation under the plan. However, retirees, survivors, vested subscribers and long-term disability subscribers and their dependents are not later eligible if they discontinue their coverage at some future time, except as noted in (5)(B)4.; and

4. A vested or retired member may elect to suspend their coverage upon entry into the armed forces of any country by submitting a copy of their activation papers within thirty-one (31) days of their activation date. Coverage will be suspended the first of the month following the month of activation. Coverage may be reinstated at the same level upon discharge by submitting a copy of their separation papers and a completed enrollment form within thirty-one (31) days of their separation date. Coverage will be reinstated as of the first of the month following the month of separation.

(C) Coverage at Termination. A former employee may participate in the plan if s/he terminates employment before retirement provided s/he is a vested employee. This means s/he will be eligible for a benefit from the Missouri State Employees' Retirement System, the Public School Retirement System, the retirement system of a participating public entity or the Highway Retirement System when s/he reaches retirement age. Coverage may also be continued by a member of the general assembly, a state official holding a statewide elective office, or an employee employed by an elected state official or member of the general assembly whose employment is terminated because the state official or member of the general assembly ceases to hold elective office. The election to participate must be made within thirty-one (31) days from the last day of the month in which employment terminated. The member must pay the full cost of coverage. However, s/he will not later be eligible if s/he discontinues coverage at some future time.

(D) Leave of Absence. An employee on approved leave of absence may elect to retain eligibility to participate in the plan by paying the required contributions. The employing department must officially notify the plan administrator of the leave of absence and any extension of the leave of absence by submitting the required form. Any employee on an approved leave of absence who was a member of the Missouri Consolidated Health Care Plan when the approved leave began, but who subsequently terminated participation in the Missouri Consolidated Health Care Plan while on leave, may recommence his/her coverage in the plan at the same level (employee only,

or employee and dependents) upon returning to employment directly from the leave, but they will be subject to preexisting limitations, when applicable. Preexisting limitations under this provision will not apply to health maintenance organization (HMO) or point-of-service (POS) members. However, eligibility is terminated for those members receiving a military leave of absence, as specified in subsection (3)(C). Coverage may be reinstated upon return from military leave without proof of insurability or preexisting conditions. However, the former member must complete an enrollment form. Coverage under this provision is effective on the first of the month coinciding with or following the employee's return to work. Coverage will be continuous if the employee returns to work in the subsequent month following the initial leave date and timely requests reinstatement of coverage.

(E) Layoff. An employee on layoff status may elect to retain eligibility to participate in the plan by paying the required contribution for a maximum of twenty-four (24) months with recertification of status at least every twelve (12) months by the employing department. Eligibility will terminate if the employee becomes eligible for health benefits as an employee of another employer. If participation terminates and the employee is recalled to service, eligibility will be as a new employee.

(F) Workers' Compensation. Any person who is receiving, or is entitled to receive, Workers' Compensation benefits as a result of an injury or accident sustained in employment and who was a member of the plan at the time of becoming disabled may continue his/her coverage in the plan at the same level of participation (employee only or employee and dependents) by paying the required contributions, if the disability occurred in the employment through which the employee qualifies for membership in the plan. Any person receiving, or entitled to receive, Workers' Compensation benefits who was a member of the plan at the time of becoming disabled as a result of an injury or accident sustained in employment through which the person qualified for membership in the plan, but who subsequently terminated participation in the plan, may recommence his/her coverage in the plan at the same level (employee only, or employee and dependents) upon returning to employment, without proving insurability.

(G) Reinstatement After Dismissal. If an employee is approved to return to work after being terminated as a result of legal or administrative action available as a recourse through his/her employer, s/he will be allowed to reinstate his/her medical benefit retroactively to the date of dismissal. If the employee is reinstated with back pay, s/he will be responsible for paying any contribution normally made for either his/her coverage or his/her covered dependents. No preexisting condition limitation will apply. If the employee is reinstated without back pay, s/he will be considered to have been on a leave of absence. Consequently, the employee will be responsible for making any required contribution toward the cost of his/her medical benefits. If the employee does not purchase coverage for the period between termination and reinstatement, s/he may regain the same level of coverage s/he had prior to termination. If the employee participates in a preferred provided organization (PPO) plan, the preexisting condition limitation will apply if coverage lapsed more than sixty-three (63) days. This does not apply if the employee participates in an HMO or POS.

(6) Federal Consolidated Omnibus Budget Reconciliation Act (COBRA).

(A) In accordance with the COBRA, eligible employees and their dependents may continue their medical coverage after the employee's termination date.

1. Employees terminating for reasons other than gross misconduct may continue coverage for themselves and their covered dependents for eighteen (18) months at their own expense.

2. A surviving spouse and dependents, not normally eligible for continued coverage, may elect coverage for up to thirty-six (36) months at their own expense.

3. A divorced spouse may continue coverage at his/her own expense for up to thirty-six (36) months if the plan administrator is notified within sixty (60) days from the date coverage would terminate.

4. Dependent spouse and/or child(ren) may continue coverage up to thirty-six (36) months if the covered employee retires and the dependent spouse/child(ren) has not been covered by the plan for two (2) years.

5. Children who would no longer qualify as dependents may continue coverage for up to thirty-six (36) months at their (or their parent's/guardian's) expense if the plan administrator is notified within sixty (60) days of the loss of the dependent's eligibility.

6. Employees who are disabled at termination or become disabled during the first sixty (60) days of coverage may continue coverage for up to twenty-nine (29) months.

7. Premiums for continued coverage will be one hundred two percent (102%) of the health plan rate, one hundred fifty percent (150%) if disabled. Once coverage is terminated under the COBRA provision it cannot be reinstated.

8. All operations under the COBRA provision will be applied in accordance with federal regulations.

(7) Missouri State Law COBRA Wrap-Around Provisions—Missouri law provides that if you lose your group health insurance coverage because of a divorce, legal separation or the death of your spouse you may continue coverage until age sixty-five (65) if: a) You continue and maintain coverage under the thirty-six (36)-month provision of COBRA; and b) You are at least fifty-five (55) years old when your COBRA benefits end. The qualified beneficiary must apply to continue coverage through the wrap-around provisions and will have to pay all of the application premium. MCHCP may charge up to an additional twenty-five percent (25%) of the applicable premium. The above Cancellation of Continuation Coverage also applies to COBRA wrap-around continuation.

(8) Medicare—Participants eligible for Medicare who are not eligible for this plan as their primary plan, shall be eligible for benefits no less than those benefits for participants not eligible for Medicare. For such participants who elect to continue their coverage, benefits of this plan shall be coordinated with Medicare benefits on the then standard coordination of benefits basis to provide up to one hundred percent (100%) reimbursement for covered charges.

(A) If a participant eligible for Medicare who is not eligible for this plan as the primary plan is not covered by Medicare, an estimate of Medicare Part A and/or Part B benefits shall be made and used for coordination or reduction purposes in calculating benefits. Benefits will be calculated on a claim submitted basis so that if, for a given claim, Medicare reimbursement was for more than the benefits provided by this plan without Medicare, the balance will not be considered when calculating subsequent claims; and

(B) If any retired participants or long-term disability recipients, their eligible dependents or surviving dependents eligible for coverage elect not to be continuously covered from the date first eligible, or do not apply for coverage within thirty-one (31) days of their eligibility date, they shall not thereafter be eligible for coverage.

PURPOSE: This rule establishes the policy of the board of trustees in regard to the utilization review of the Missouri Consolidated Health Care Plan Medical Plans.

(1) Clinical Management—Certain benefits are subject to a utilization review (UR) program. The program consists of four (4) parts, as described in the following:

(A) Precertification—The medical necessity of a non-emergency hospital admission, specified procedures as documented in the claims administrator's guidelines, and/or skilled nursing services provided on an inpatient basis must be prior authorized by the appropriate review agency. For emergency hospital admissions, the review agency must be notified within forty-eight (48) hours of the admission. PROPOSED RULE

22 CSR 10-2.070 Coordination of Benefits

PURPOSE: This rule establishes the policy of the board of trustees in regard to coordination of benefits in the Missouri Consolidated Health Care Plan.

(1) If a participant is also covered under any other plan (as defined here) and is entitled to benefits or other services for which benefits are payable under this plan, the benefits under this plan will be adjusted as shown in this rule.

(2) As used in this rule—

1. A group or blanket plan on an insured basis;
2. Other plan which covers people as a group;
3. A self-insured or non-insured plan or other plan which is arranged through an employer, trustee or union;
4. A prepayment group plan which provides medical, vision, dental or health service;
5. Government plans, including Medicare;
6. Auto insurance when permitted by the laws of the state of jurisdiction; and
7. Single- or family-subscribed plans issued under a group- or blanket-type plan;

(B) The definition of plan shall not include:

1. Hospital preferred provider organization (PPO) type plans;
2. Types of plans for students; or
3. Any individual policy or plan;

(C) Each plan, as defined previously, is a separate plan. However, if only a part of the plan reserves the right to adjust its benefits due to other coverage, the portion of the plan which reserves the right and the portion which does not shall be treated as separate plans;

(D) Allowable expense means a necessary, reasonable and customary item of medical, vision, dental or health expense which is covered at least in part under one of the plans. If a plan provides benefits in the form of services, the cash value of such service will be deemed to be the benefit paid. An allowable expense to a secondary plan includes the value or amount of any allowable expense which was not paid by the primary or first paying plan; and

(E) Benefit determination period means from January 1 of one year through December 31 of the same year.

(3) The benefits under the policy shall be subject to the following:

(A) This provision shall apply in determining the benefit as to a person covered under the policy for a benefit determination period if the sum of paragraphs (3)(A)1. and 2. listed in this rule exceeds the allowable expense incurred by or on behalf of such person during the period—

1. The benefits payable under this plan in the absence of this provision; and

2. The benefits payable under all other plans in the absence of provisions similar to this one;

(B) As to any benefit determination period, the allowable expense under this plan shall be coordinated, except as provided in subsection (3)(C) of this rule, so that the sum of such benefits and all of the benefits paid, payable or furnished which relate to such allowable expense under other plans, shall not exceed the total of allowable expenses incurred by the covered individual. All benefits under other plans shall be taken into account whether or not claim has been made;

(C) If coverage under any other plan is involved, as shown in subsection (3)(B) of this rule—

1. This plan contains a provision coordinating benefits with other plans; and

2. The terms set forth in subsection (2)(D) would require benefits under this plan be figured before benefits under the other plan are figured, the benefits under this plan will be determined as though other plans were not involved;

(D) The basis for establishing the order in which plans determine benefits shall be as follows:

1. Benefits under the plan which cover the person on whom claim is based as an employee shall be determined before the benefits under a plan which cover the person as a dependent; and

2. The primary plan for dependent children will be the plan of the parent whose birthday occurs first in the calendar year. If both parents have the same birthday, the plan of the person who has been covered the longest period of time becomes the primary carrier:

A. When the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a plan which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of the plan which covers the child as a dependent of the parent without custody;

B. When the parents are divorced and the parent with custody of the child has remarried, the benefits of a plan which covers the child as a dependent of the parent with custody shall be determined before the benefits of a plan which covers that child as a dependent of the stepparent. The benefits of a plan which covers that child as a dependent of the stepparent will be determined before the benefits of a plan which covers that child as a dependent of the parent without custody; and

C. In spite of subparagraphs (3)(D)2.A. and B. of this rule, if there is a court decree which would otherwise decide financial duty for the medical, vision, dental or health care expenses for the child, the benefits of a plan which covers the child as a dependent of the parent with such financial duty shall be decided before the benefits of any other plan which covers the child as a dependent; and when paragraphs (3)(D)1. and 2. of this rule do not establish the order of benefit determination, the plan which covers the person for the longer time shall be determined first; and

(E) When this provision operates to reduce the benefits under this plan, each benefit that would have otherwise been paid will be reduced proportionately and this reduced amount shall be charged against the benefit limits of this plan.

(4) When a member has coverage with two (2) group plans, the plan which covers the person for the longer time shall be determined first.

(5) If a member is eligible for Medicare due to a disability, Medicare is the primary plan and this plan is a secondary plan. If a member or dependent is eligible for Medicare due to end stage renal disease,

this plan is primary for the first thirty (30) months. Medicare is primary after the first thirty (30) months.

(6) The claims administrator, with the consent of the employee or the employee's spouse when the claim is for a spouse, or the parent or guardian when the claim is for a minor child, may release or obtain any data which is needed to implement this provision.

(7) When payments should have been paid under this plan but were already paid under some other plan, the claims administrator shall have the right to make payment to such other plan of the amount which would satisfy the intent of this provision. This payment shall discharge the liability under this plan.

(8) When payments made under this plan are in excess of the amount required to satisfy the intent of this provision, the claims administrator shall have the right to recover the excess payment from one (1) or more of the following:

(A) Any person to whom, for whom or with respect to whom these payments were made;

(B) Any insurance company; or

(C) Any other organization.

(9) The claims administrator will pay benefits promptly, or, if applicable, within their contractual time frame obligations after submittal of due proof of loss unless the claims administrator provides the claimant a clear, concise statement of a valid reason for further delay which is in no way connected with, or caused by the existence of this provision nor otherwise caused by the claims administrator.

(10) If one of the other plans involved (as defined in coordination of benefits provision) provides benefits on an excess insurance or excess coverage basis, subsections (3)(C) and (D) of this rule shall not apply to the plan and this policy will pay as excess coverage.

Reimbursement will be in accordance with the benefit provisions of the type of coverage chosen by the participant.

(2) The plan administrator, agent or claims administrator, upon receipt of a notice of request, shall furnish to the employee the forms as are usually furnished for filing proofs of loss. If the forms are not furnished within thirty (30) days after the giving of such notice, the employee shall be deemed to have complied with the requirement as to proof of loss upon submitting, within the time fixed for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which request is made.

(4) In the case of medical benefits, the claims administrator will send written notice of any amount applied toward the deductible as well as any payments made. The claims administrator may also send a

request for additional information or material to support the claim, along with reasons why this information is necessary.

(5) All members of the Missouri Consolidated Health Care Plan (MCHCP) shall use the claims and administration procedures established by the health maintenance organization (HMO), point-of-service (POS), preferred provider organization (PPO) or co-pay health plan contractor or claims administrator applicable to the member. Only after these procedures have been exhausted may the member appeal directly to the Missouri Consolidated Health Care Plan Board of Trustees to review the decision of the health plan contractor or claims administrator.

(A) Appeals to the board of trustees shall be submitted in writing within forty-five (45) days of receiving the final decision from the member's health care plan contractor or claims administrator, specifically identifying the issue to be resolved and be addressed to:

Attn: Appeal
Board of Trustees
Missouri Consolidated Health Care Plan
PO Box 104355
Jefferson City, MO 65110

(B) The board may utilize a hearing officer, such as the Administrative Hearing Commission, to conduct a fact-finding hearing, and make proposed findings of fact and conclusions of law.

1. The hearing will be scheduled by the MCHCP.
2. The parties to the hearing will be the insured and the applicable health plan.
3. All parties shall be notified in writing of the date, time and location of the hearing.
4. All parties shall have the right to appear at the hearing and submit written or oral evidence. The appealing party shall be responsible for all copy charges incurred by MCHCP in connection with any documentation that must be obtained through the MCHCP. These fees will be reimbursed should the party prevail in his/her appeal. They may cross-examine witnesses. They need not appear and may still offer written evidence. The strict rules of evidence shall not apply.

5. The party appealing to the board shall carry the burden of proof.

6. The independent hearing officer shall propose findings of fact and conclusions of law, along with its recommendation, to the board. Copies of the summary, findings, conclusions and recommendations shall be sent to all parties.

(C) The board may, but is not required, to review the transcript of the hearing. It will review the summary of evidence, the proposed findings of fact and conclusions of law and shall then issue its final decision on the matter.

1. All parties shall be given a written copy of the board's final decision.

2. All parties shall be notified that if they feel aggrieved by the final decision, they shall have the right to seek judicial review of the decision within thirty (30) days of its receipt, as provided in sections 536.100 to 536.140, RSMo.

(D) Administrative decisions made solely by MCHCP may be appealed directly to the board of trustees, by either a member or health plan contractor providing a fully-insured product.

1. All the provisions of this rule, where applicable, shall apply to these appeals.

2. The parties to such appeal shall be the appellant and the MCHCP shall be respondent.

3. The appellant, if aggrieved by the final decision of the board, shall have the right of appeal as stated in subsection (5)(C) herein.

4. In reviewing these appeals, the board and/or staff may consider:

A. Newborns—

(I) Notwithstanding any other rule, if a member currently has children coverage under the plan, he/she may enroll his/her newborn retroactively to the date of birth if the request is made within six (6) months of the child's date of birth. If a member does not currently have children coverage under the plan but states that the required information was provided within the thirty-one (31)-day enrollment period, he/she must sign an affidavit stating that their information was provided within the required time period. The affidavit must be notarized and received in the MCHCP office within thirty-one (31) days after the date of notification from the MCHCP; and

(II) Once the MCHCP receives the signed affidavit from the member, coverage for the newborn will be backdated to the date of birth, if the request was made within six (6) months of the child's date of birth. The approval notification will include language that the MCHCP has no contractual authority to require the contractors to pay for claims that are denied due to the retroactive effective date. If an enrollment request is made under either of these two (2) scenarios past six (6) months following a child's date of birth, the information will be forwarded to the MCHCP board for a decision.

B. Credible evidence—Notwithstanding any other rule, the MCHCP may grant an appeal and not hold the member responsible when there is credible evidence that there has been an error or miscommunication, either through the member's payroll/personnel office or the MCHCP, that was no fault of the member.

C. Change of plans due to dependent change of address—A member may change plans outside the open enrollment period if his/her covered dependents move out of state and their current plan cannot provide coverage.

(E) Any member wishing to appeal their enrollment selection completed during the annual open enrollment period must do so in writing to the board of trustees within thirty (30) calendar days of the beginning of the new plan year. The MCHCP will respond within thirty (30) calendar days of the receipt of the appeal.

PROPOSED RULE

22 CSR 10-2.080 Miscellaneous Provisions

PURPOSE: This rule establishes the policy of the board of trustees in regard to miscellaneous provisions under the Missouri Consolidated Health Care Plan.

(1) Termination of the Plan. Any other provision of this plan to the contrary notwithstanding, no benefit will be paid for charges incurred by a participant or former participant after the termination of this plan.

(2) Facility of Payment. Plan benefits will be paid to the employee if living and capable of giving a valid release for the payment due. If the participant, while living, is physically, mentally or for any other reason incapable of giving a valid release for any payment due, the claims administrator at his/her option, unless and until request is made by the duly appointed guardian, may pay benefits which may become due to any blood relative or relative connected by marriage to the participant, or to any other person or institution appearing to the claims administrator to have assumed responsibility for the affairs of the participant. Any payments made by the claims administrator in good faith pursuant to this provision shall fully discharge the claims administrator to the extent of the payment. Any benefit unpaid at the time of the employee's death will be paid to the employee's estate. If any benefits shall be payable to the estate of the employee, the claims administrator may pay these benefits to any relative by blood or connection by marriage of the employee who is deemed by the claims administrator to be equitably entitled to it. Any payments made by the claims administrator in good faith pursuant to this provision shall fully discharge the claims administrator to the extent of this payment.

Subject to any acceptable written direction and assignment by the employee, any benefits provided, at the claims administrator's option, may be paid directly to an eligible provider rendering covered services; but it is not required that the service be rendered by a particular provider.

(3) Confidentiality of Records. The health records of the participants in the plan are confidential and shall not be disclosed to any person, except pursuant to a written request by, or with the prior written consent of, the individual to whom the records pertain, unless disclosure of the records would be to the officers and employees of the plan or claims administrator or his/her legal representatives who have a need for the records in the performance of their duties; or unless disclosure would be for a routine use by the plan or claims administrator for a purpose which is compatible with the purpose for which it was collected; or unless disclosure of the records would be to the commissioner of administration, or his/her legal representative, for the sole purpose of preventing fraudulent or redundant medical claims to either the Missouri Consolidated Health Care Plan, Missouri, or other public entities as an employer or self-insurer of Workers' Compensation for use in the investigation of a Workers' Compensation claim; or unless disclosure of the records is to the participant to whom the record pertains; or unless disclosure of the record is pursuant to the order of a court of competent jurisdiction. The parent of any minor, or the legal guardian of any individual who has been declared to be incompetent due to physical or mental incapacity by a court of competent jurisdiction, may act on behalf of the individual.

(4) Should any provision of this plan conflict with the requirements of federal or state law, including but not limited to the Health Insurance Portability and Accountability Act, Family and Medical Leave Act, the Americans with Disabilities Act or the Older Workers Benefit Protection Act, the plan shall be administered in such a way as to comply with the requirements of law, and will be deemed amended to conform with law.

(5) This document will be kept on file at the principal offices of the plan administrator and may be inspected by a participant during regular business hours. Also, the plan administrator reserves the right at any time to modify or amend, in whole or in part, any or all provisions of the plan.

Title 22—MISSOURI CONSOLIDATED HEALTH CARE PLAN

Division 10—Health Care Plan

Chapter 3—Public Entity Membership

PROPOSED RULE

22 CSR 10-3.020 Subscriber Agreement and General Membership Provisions

PURPOSE: This rule establishes the policy of the board of trustees in regard to the employee's subscriber agreement and membership period for participation in the Missouri Consolidated Health Care Plan.

(1) The participant's initial application, any subsequently accepted modifications to such application, and the plan document as adopted by the board along with duly executed amendments shall comprise the subscriber agreement between the participant and the Missouri Consolidated Health Care Plan (MCHCP). Any associated administrative guidelines interpret the subscriber agreement for the benefit of members and administrators but are not part of the subscriber agreement.

(A) By applying for coverage under the MCHCP a participant agrees that—

1. The employer may deduct the cost of the premium for the employee's plan from the employee's paychecks; and

2. Individual and family deductibles, if appropriate, will be applied. Deductibles previously paid to meet the requirements of the prior plan may be credited for those joining one of the preferred provider organization (PPO) options. Appropriate proof of said deductibles will be required.

(2) The participation period shall begin on the participant's effective date in the plan. Participation shall continue until this plan or coverage in this rule is terminated for any reason. However, transfer from the prior plan to this plan will be automatic upon the effective date of this plan.

(3) The effective date of participation shall be determined, subject to the effective date provision in subsection (3)(C), as follows:

(A) Employee Participation.

1. If application by an employee is made on or before the date of eligibility, participation shall become effective on such date of eligibility;

2. If application by an employee is made within thirty-one (31) days after the date of eligibility, participation may become effective on the date of eligibility or the first day of the calendar month coinciding with or following the date of application, except that participation shall be retroactive to the beginning of the month for employees rehired during the month following the month participation would have terminated; and

3. Not limiting or excluding any of the other provisions, if application is not made within thirty-one (31) days of the employee's date of eligibility, they may apply for coverage only if a life event occurs. Life events include: marriage, birth, adoption, death, divorce, legal separation, job loss or failure to elect continuation of coverage. A special enrollment period of thirty-one (31) days shall be available beginning with the date of the life event. It is the employee's responsibility to notify the plan administrator of the life event;

(B) Dependent Coverage. Dependent participation cannot precede the subscriber's participation. Application for participants must be made in accordance with the following provisions. For family coverage, once a subscriber is participating with respect to dependents, newly acquired dependents are automatically covered on their effective dates as long as the plan administrator is notified within thirty-one (31) days of the person becoming a dependent. First eligible dependents must be added within thirty-one (31) days of such qualifying event. The employee is required to notify the plan administrator on the appropriate form of the dependent's name, date of birth, eligibility date and Social Security number, if available. Claims will not be processed until the required information is provided.

1. If an employee makes concurrent application for dependent participation on or before the date of eligibility or within thirty-one (31) days thereafter, participation for dependent will become effective on the date the employee's participation becomes effective;

2. When an employee participating in the plan first becomes eligible with respect to a dependent child(ren), coverage may become effective on the eligibility date or the first day of the month coinciding with or following the date of eligibility if application is made within thirty-one (31) days of the date of eligibility and provided any required contribution for the period is made;

3. Unless required under federal guidelines—

A. An emancipated dependent who regains his/her dependent status is immediately eligible for coverage if an application is submitted within thirty-one (31) days of regaining dependent status; and

B. An eligible dependent that is covered under a spouse's health plan who loses eligibility under the criteria stipulated for dependent status under the spouse's health plan is not eligible for coverage until the next open enrollment period. (Note: Subparagraphs (3)(B)3.A. and B. do not include dependents of retirees or long-term disability members covered under the plan); and

4. Survivors, retirees, vested subscribers and long-term disability subscribers may only add dependents to their coverage when the dependent is first eligible for coverage;

(C) Effective Date Proviso.

1. In any instance when the employee is not actively working full-time on the date participation would otherwise have become effective, participation shall not become effective until the date the employee returns to full-time active work. However, this provision shall not apply for public entities (or any individual who is a member of that public entity) when the MCHCP is replacing coverage for that public entity;

(D) Application for dependent coverage may be made at other times of the year when the spouse's, ex-spouse's (who is the natural parent providing coverage), or legal guardian's: 1) employment is terminated or is no longer eligible for coverage under his/her employer's plan, or 2) employer-sponsored medical plan is terminated. With respect to dependent child(ren) coverage, application

may also be made at other times of the year when the member receives a court order stating s/he is responsible for providing medical coverage for the dependent child(ren) or when the dependent loses Medicaid coverage. Dependents added under any of these exceptions must supply verification from the previous insurance carrier or the member's employer that they have lost coverage and the effective date of termination. Coverage must also be requested within sixty (60) days from the termination date of the previous coverage. Application must be made within sixty (60) days of the court order. (Note: This section does not include dependents of retirees, survivors, vested subscribers, or long-term disability subscribers covered under the plan); and

(E) When an employee experiences applicable life events, eligibility will be administered according to Health Insurance Portability and Accountability Act (HIPAA) guidelines.

(4) Termination of participation shall occur on the last day of the calendar month coinciding with or following the happening of any of the following events, whichever shall occur first:

(A) Written request by the employee;

(B) Failure to make any required contribution toward the cost of coverage;

(C) Entry into the armed forces of any country. With respect to an employee, membership in the National Guard or Reserves with or without two (2) consecutive full weeks of active training each year shall not be considered as entry into the armed forces; or

(D) Termination of Eligibility for Participation.

1. With respect to employees, termination of participation shall occur upon termination of employment in a position covered by the MCHCP, except as specified in sections (5) and (6).

2. With respect to dependents, termination of participation shall occur upon ceasing to be a dependent as defined in this rule with the following exception: unemancipated mentally retarded and/or physically handicapped children will continue to be eligible beyond age twenty-three (23) during the continuance of a permanent disability provided documentation satisfactory to the plan administrator is furnished by a physician prior to the dependent's twenty-third birthday, and as requested at the discretion of the plan administrator.

3. Termination of employee's participation shall terminate the participation of dependents, except as specified in section (6).

(5) Termination of participation shall occur immediately upon discontinuance of the plan subject to the plan termination provision specified in 22 CSR 10-2.080(1).

(6) Continuation of Coverage.

(A) Dependents. Termination of an active employee's participation by reason of death shall not terminate participation with respect to the surviving spouse and/or dependent children if—

1. The active employee was vested and eligible for a future retirement benefit; or

2. Your eligible dependents meet one (1) of the following conditions:

A. They have had coverage through MCHCP since the effective date of the last open enrollment period;

B. They have had other health insurance for the six (6) months immediately prior to your death—proof of insurance is required; or

C. They have had coverage through MCHCP since they were first eligible.

(B) Employee Eligible for Retirement Benefits. Any employee who, at the time of termination of employment, met the following—

1. Eligibility Criteria:

A. Coverage through MCHCP since the effective date of the last open enrollment period;

B. Other health insurance for the six (6) months immediately prior to the termination of state employment—proof of insurance is required; or

C. Coverage since first eligible;

2. Immediately eligible to receive a monthly retirement benefit from the retirement system of the participating public entity may elect to continue to participate in the plan by paying the cost of plan benefits as determined by the plan administrator. An employee must apply for continued coverage within thirty-one (31) days of the first day of the month following the date of retirement. An employee, continuing coverage under this provision, may also continue coverage for eligible dependents.

A. If a member participates in the MCHCP as a vested member, his/her dependents may also participate if they meet one (1) of the following criteria:

(I) They have had coverage through MCHCP since the effective date of the last open enrollment period;

(II) They have had other health insurance for the six (6) months immediately prior to state employment termination—proof of insurance is required; or

(III) They have had coverage since they were first eligible;

3. In the case of the death of a retiree who was maintaining dependent coverage under this provision, the dependent of the deceased retiree may continue his/her participation under the plan. However, retirees, survivors, vested subscribers and long-term disability subscribers and their dependents are not later eligible if they discontinue their coverage at some future time, except as noted in (7)(B)4.; and

4. A vested or retired member may elect to suspend their coverage upon entry into the armed forces of any country by submitting a copy of their activation papers within thirty-one (31) days of their activation date. Coverage will be suspended the first of the month following the month of activation. Coverage may be reinstated at the same level upon discharge by submitting a copy of their separation papers and a completed enrollment form within thirty-one (31) days of their separation date. Coverage will be reinstated as of the first of the month following the month of separation.

(C) Coverage at Termination. A former employee may participate in the plan if s/he terminates employment before retirement provided s/he is a vested employee. This means s/he will be eligible for a benefit from the retirement system of the participating public entity when s/he reaches retirement age. The election to participate must be made within thirty-one (31) days from the last day of the month in which employment terminated. The member must pay the full cost of coverage. However, s/he will not later be eligible if s/he discontinues coverage at some future time.

(D) Leave of Absence. An employee on approved leave of absence may elect to retain eligibility to participate in the plan by paying the required contributions. The employing department must officially notify the plan administrator of the leave of absence and any extension of the leave of absence by submitting the required form. Any employee on an approved leave of absence who was a member of the Missouri Consolidated Health Care Plan when the approved leave began, but who subsequently terminated participation in the Missouri Consolidated Health Care Plan while on leave, may recommence his/her coverage in the plan at the same level (employee only, or employee and dependents) upon returning to employment directly from the leave, but they will be subject to preexisting limitations, when applicable. Preexisting limitations under this provision will not apply to health maintenance organization (HMO) or point-of-service (POS) members. However, eligibility is terminated for those members receiving a military leave of absence, as specified in subsection (5)(C). Coverage may be reinstated upon return from military leave without proof of insurability or preexisting conditions. However, the former member must complete an enrollment form. Coverage under this provision is effective on the first of the month coinciding with or following the employee's return to work. Coverage will be continuous if the employee returns to work in the subsequent month following the initial leave date and timely requests reinstatement of coverage.

(E) Layoff. An employee on layoff status may elect to retain eligibility to participate in the plan by paying the required contribution for a maximum of twenty-four (24) months with recertification of status at least every twelve (12) months by the employing department. Eligibility will terminate if the employee becomes eligible for health benefits as an employee of another employer. If participation terminates and the employee is recalled to service, eligibility will be as a new employee.

(F) Workers' Compensation. Any person who is receiving, or is entitled to receive, Workers' Compensation benefits as a result of an injury or accident sustained in employment and who was a member of the plan at the time of becoming disabled may continue his/her coverage in the plan at the same level of participation (employee only or employee and dependents) by paying the required contributions, if the disability occurred in the employment through which the employee qualifies for membership in the plan. Any person receiving, or entitled to receive, Workers' Compensation benefits who was a member of the plan at the time of becoming disabled as a result of an injury or accident sustained in employment through which the person qualified for membership in the plan, but who subsequently terminated participation in the plan, may recommence his/her coverage in the plan at the same level (employee only, or employee and dependents) upon returning to employment, without proving insurability.

(G) Reinstatement After Dismissal. If an employee is approved to return to work after being terminated as a result of legal or administrative action available as a recourse through his/her employer, s/he will be allowed to reinstate his/her medical benefit retroactively to the date of dismissal. If the employee is reinstated with back pay, s/he will be responsible for paying any contribution normally made for either his/her coverage or his/her covered dependents. No pre-existing condition limitation will apply. If the employee is reinstated without back pay, s/he will be considered to have been on a leave of absence. Consequently, the employee will be responsible for making any required contribution toward the cost of his/her medical benefits. If the employee does not purchase coverage for the period between termination and reinstatement, s/he may regain the same level of coverage s/he had prior to termination. If the employee participates in a PPO plan, the preexisting condition limitation will apply if coverage lapsed more than sixty-three (63) days. This does not apply if the employee participates in an HMO or POS.

(7) Federal Consolidated Omnibus Budget Reconciliation Act (COBRA).

(A) In accordance with the COBRA, eligible employees and their dependents may continue their medical coverage after the employee's termination date.

1. Employees terminating for reasons other than gross misconduct may continue coverage for themselves and their covered dependents for eighteen (18) months at their own expense.

2. A surviving spouse and dependents, not normally eligible for continued coverage, may elect coverage for up to thirty-six (36) months at their own expense.

3. A divorced spouse may continue coverage at his/her own expense for up to thirty-six (36) months if the plan administrator is notified within sixty (60) days from the date coverage would terminate.

4. Dependent spouse and/or child(ren) may continue coverage up to thirty-six (36) months if the covered employee retires and the dependent spouse/child(ren) has not been covered by the plan for two (2) years.

5. Children who would no longer qualify as dependents may continue coverage for up to thirty-six (36) months at their (or their parent's/guardian's) expense if the plan administrator is notified within sixty (60) days of the loss of the dependent's eligibility.

6. Employees who are disabled at termination or become disabled during the first sixty (60) days of coverage may continue coverage for up to twenty-nine (29) months.

7. Premiums for continued coverage will be one hundred two percent (102%) of the health plan rate, one hundred fifty percent (150%) if disabled. Once coverage is terminated under the COBRA provision it cannot be reinstated.

8. All operations under the COBRA provision will be applied in accordance with federal regulations.

(8) Missouri State Law COBRA Wrap-Around Provisions—Missouri law provides that if you lose your group health insurance coverage because of a divorce, legal separation or the death of your spouse you may continue coverage until age sixty-five (65) if: a) You continue and maintain coverage under the thirty-six (36)-month provision of COBRA; and b) You are at least fifty-five (55) years old when your COBRA benefits end. The qualified beneficiary must apply to continue coverage through the wrap-around provisions and will have to pay all of the application premium. MCHCP may charge up to an additional twenty-five percent (25%) of the applicable premium. The above Cancellation of Continuation Coverage also applies to COBRA wrap-around continuation.

(9) Medicare—Participants eligible for Medicare who are not eligible for this plan as their primary plan, shall be eligible for benefits no less than those benefits for participants not eligible for Medicare. For such participants who elect to continue their coverage, benefits of this plan shall be coordinated with Medicare benefits on the then standard coordination of benefits basis to provide up to one hundred percent (100%) reimbursement for covered charges.

(A) If a participant eligible for Medicare who is not eligible for this plan as the primary plan is not covered by Medicare, an estimate of Medicare Part A and/or Part B benefits shall be made and used for coordination or reduction purposes in calculating benefits. Benefits will be calculated on a claim submitted basis so that if, for a given claim, Medicare reimbursement was for more than the benefits provided by this plan without Medicare, the balance will not be considered when calculating subsequent claims; and

(B) If any retired participants or long-term disability recipients, their eligible dependents or surviving dependents eligible for coverage elect not to be continuously covered from the date first eligible, or do not apply for coverage within thirty-one (31) days of their eligibility date, they shall not thereafter be eligible for coverage.

**Title 22—MISSOURI CONSOLIDATED HEALTH
CARE PLAN
Division 10—Health Care Plan
Chapter 3—Public Entity Membership**

PROPOSED RULE

22 CSR 10-3.030 Public Entity Membership Agreement and Participation Period

PURPOSE: This rule establishes the policy of the board of trustees in regard to the public entity's membership agreement and participation period with the Missouri Consolidated Health Care Plan.

(1) The application packet, participation agreement and confirmation notice shall comprise the membership agreement between a public entity and the Missouri Consolidated Health Care Plan (MCHCP).

(A) By applying for coverage under the MCHCP a public entity agrees that—

1. The MCHCP will be the only health care offering made to its eligible members;

2. If the public entity participated in the MCHCP during calendar year 2004 and continues to participate each year subsequent to calendar year 2004, that public entity shall only be required to contribute twenty-five dollars (\$25) per month towards the employee only premium for each active employee's premium for the plan(s) offered through MCHCP during calendar years 2005 and 2006;

3. If the public entity did not participate in the MCHCP during calendar year 2004, that public entity shall contribute at least fifty percent (50%) of the lowest cost employee only premium per month toward each active employee's premium for the plan(s) offered through MCHCP;

4. Beginning January 1, 2007, all public entities shall contribute at least fifty percent (50%) of the lowest cost employee only premium per month toward each active employee's premium for the plan(s) offered through MCHCP;

5. For public entities with less than twenty-five (25) employees, the public entity shall only offer one (1) plan choice to its employees. For public entities with twenty-five (25) or more employees, the public entity may offer more than one (1) plan choice provided by MCHCP.

6. For public entities with more than a total of three (3) employees, at least seventy-five percent (75%) of all eligible employees must join the MCHCP. For public entities with three (3) or fewer employees, a minimum of one (1) employee must join the MCHCP. For public entities with three (3) or fewer employees who fail to have one (1) employee participating in the MCHCP, MCHCP will allow the public entity up to twelve (12) months in which to attempt to meet the participation requirements before terminating for failure to meet the participation requirements. Such a termination for those public entities with three (3) or fewer employees will occur retroactively to the date such participation requirement failed to be met;

7. Individual and family deductibles, if applicable, will be applied. Deductibles previously paid to meet the requirements of the terminating plan may be credited for those joining one of the PPO options. Appropriate proof of said deductibles will be required;

8. An eligible employee is one that is not covered by another group sponsored plan;

9. Any individual eligible as an employee may be covered as either an employee or dependent, but not both. Employees enrolled as dependents will not be considered as eligible employees in consideration of section (6); and

10. A public entity may apply a probationary period, not to exceed applicable federal guidelines, before benefits become effective.

(B) Effective January 1, 2001, in order to provide retiree coverage, any participating member agency joining MCHCP must have one of the criteria listed below. If neither of these scenarios is applicable and no retirement plan exists, no "retirees" would exist, so there would be no retiree eligibility.

1. An established retirement plan with contributions shared by both the employee and the employer (or made by the employer only) with an established minimum vesting period. The employer must offer coverage to retirees who have met this minimum vesting period requirement.

2. An employer-sponsored (but no contribution made by employer) retirement plan in which the employee is currently participating or from which the employee is eligible to receive a benefit. In this case, in order to be considered an eligible retiree, the prospective member must have met a vesting criterion equal to Missouri State Employees' Retirement System (MOSERS). If this criterion was not met, the employer may not offer coverage to that person as a retiree.

(2) The public entity's participation period shall begin on the date specified in the participation agreement. Participation shall continue until the end of the participation agreement is reached or immediately upon discontinuance of the plan subject to the plan termination provision specified in 22 CSR 10-3.080(1).

(3) The voluntariness of the public entity's failure to meet participation levels is to be determined by MCHCP. Examples of non-voluntary failure to meet participation levels include: 1) a public entity falls below the required participation level due to employment termination(s); and 2) a public entity falls below the required participation level, but the public entity can prove that all eligible employees who failed to take the coverage have other group coverage not offered through the public entity or are Medicare eligible.

(4) Total premium costs for various classes of employee participation based on employment status, eligibility for Medicare and for various classifications of dependent participation are established by the plan administrator.

(5) Underwriting guidelines are set by the plan administrator.

(6) The contribution by the employee shall be determined, within the underwriting guidelines set by the plan administrator, by the appropriate administrative unit for the public entity.

(7) Refunds of overpayments are limited to the amount overpaid during the twelve (12)-month period ending at the end of the month preceding the month during which notice of overpayment is received.

AUTHORITY: section 103.059, RSMo 2000. Emergency rule filed Dec. 20, 2004, effective Jan. 1, 2005, expires June 29, 2005. Original rule filed Dec. 20, 2004.

PUBLIC COST: The fiscal impact of this proposed rule is estimated to be nine thousand dollars (\$9,000) annually in the aggregate for state agencies or political subdivisions.

PRIVATE COST: This proposed rule will cost private entities less than five hundred dollars (\$500) in the aggregate.

NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed rule with the Missouri Consolidated Health Care Plan, Ron Meyer, PO Box 104355, Jefferson City, MO 65110. To be considered, comments must be received within thirty (30) days after publication of this notice in the Missouri Register. No public hearing is scheduled.

Estimate of the number of entities by class which would likely be affected by the adoption of the proposed rule:	Classification by types of the business entities which would likely be affected:	Estimate in the aggregate as to the cost of compliance with the rule by the affected entities:
5	Public entities not enrolled with the MCHCP in calendar year 2004 but that join the MCHCP for calendar years 2005 and beyond	\$9,000 annual

III. WORKSHEET

The minimum contribution amounts paid by public entities were modified in order to make MCHCP's plans more attractive and less costly to public entity members.

IV. ASSUMPTIONS

1. Based on marketing projections, estimate that fifty (50) additional public entities will join the MCHCP that were not enrolled during calendar year 2004;
2. Based on past contribution levels of participating entities, estimate that ten percent (10%) of those fifty (50) public entities would have paid less than fifty percent (50%) of employee only premium if given a choice;
3. Ten percent (10%) of those fifty (50) public entities equals five (5) public entities estimated to be affected by this rule;
4. Of those previously enrolled entities that paid less than fifty percent (50%) of the employee only premium, the average entity paid sixteen percent (16%) of the employee only premium. Thus, the average additional cost to the entities would be thirty-four percent (34%) of the employee only premium;
5. Average premium for employee only coverage for public entities for calendar year 2005 equals four hundred ten dollars (\$410) per month; and
6. Estimated premium amounts for calendar year 2006 based on thirteen percent (13%) medical trend and sixteen percent (16%) prescription trend; and
7. Actual premium costs could vary based upon actual utilization of services and risk of groups joining the plan.

PROPOSED RULE

22 CSR 10-3.070 Coordination of Benefits

PURPOSE: This rule establishes the policy of the board of trustees in regard to coordination of benefits in the Missouri Consolidated Health Care Plan.

(1) If a participant is also covered under any other plan (as defined here) and is entitled to benefits or other services for which benefits are payable under this plan, the benefits under this plan will be adjusted as shown in this rule.

(2) As used in this rule—

(A) Plan means a plan listed in the following which provides medical, vision, dental or other health benefits or services:

1. A group or blanket plan on an insured basis;
2. Other plan which covers people as a group;
3. A self-insured or non-insured plan or other plan which is arranged through an employer, trustee or union;
4. A prepayment group plan which provides medical, vision, dental or health service;
5. Government plans, including Medicare;
6. Auto insurance when permitted by the laws of the state of jurisdiction; and
7. Single- or family-subscribed plans issued under a group- or blanket-type plan;

(B) The definition of plan shall not include:

1. Hospital preferred provider organization (PPO) type plans;
2. Types of plans for students; or
3. Any individual policy or plan;

(C) Each plan, as defined previously, is a separate plan. However, if only a part of the plan reserves the right to adjust its benefits due to other coverage, the portion of the plan which reserves the right and the portion which does not shall be treated as separate plans;

(D) Allowable expense means a necessary, reasonable and customary item of medical, vision, dental or health expense which is covered at least in part under one of the plans. If a plan provides benefits in the form of services, the cash value of such service will be deemed to be the benefit paid. An allowable expense to a secondary plan includes the value or amount of any allowable expense which was not paid by the primary or first paying plan; and

(E) Benefit determination period means from January 1 of one year through December 31 of the same year.

(3) The benefits under the policy shall be subject to the following:

(A) This provision shall apply in determining the benefit as to a person covered under the policy for a benefit determination period if the sum of paragraphs (3)(A)1. and 2. listed in this rule exceeds the allowable expense incurred by or on behalf of such person during the period—

1. The benefits payable under this plan in the absence of this provision; and
2. The benefits payable under all other plans in the absence of provisions similar to this one;

(B) As to any benefit determination period, the allowable expense under this plan shall be coordinated, except as provided in subsection (3)(C) of this rule, so that the sum of such benefits and all of the benefits paid, payable or furnished which relate to such allowable expense under other plans, shall not exceed the total of allowable expenses incurred by the covered individual. All benefits under other plans shall be taken into account whether or not claim has been made;

(C) If coverage under any other plan is involved, as shown in subsection (3)(B) of this rule—

1. This plan contains a provision coordinating benefits with other plans; and

2. The terms set forth in subsection (2)(D) would require benefits under this plan be figured before benefits under the other plan are figured, the benefits under this plan will be determined as though other plans were not involved;

(D) The basis for establishing the order in which plans determine benefits shall be as follows:

1. Benefits under the plan which cover the person on whom claim is based as an employee shall be determined before the benefits under a plan which cover the person as a dependent; and

2. The primary plan for dependent children will be the plan of the parent whose birthday occurs first in the calendar year. If both parents have the same birthday, the plan of the person who has been covered the longest period of time becomes the primary carrier:

A. When the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of a plan which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of the plan which covers the child as a dependent of the parent without custody;

B. When the parents are divorced and the parent with custody of the child has remarried, the benefits of a plan which covers the child as a dependent of the parent with custody shall be determined before the benefits of a plan which covers that child as a dependent of the stepparent. The benefits of a plan which covers that child as a dependent of the stepparent will be determined before the benefits of a plan which covers that child as a dependent of the parent without custody; and

C. In spite of subparagraphs (3)(D)2.A. and B. of this rule, if there is a court decree which would otherwise decide financial duty for the medical, vision, dental or health care expenses for the child, the benefits of a plan which covers the child as a dependent of the parent with such financial duty shall be decided before the benefits of any other plan which covers the child as a dependent; and when paragraphs (3)(D)1. and 2. of this rule do not establish the order of benefit determination, the plan which covers the person for the longer time shall be determined first; and

(E) When this provision operates to reduce the benefits under this plan, each benefit that would have otherwise been paid will be reduced proportionately and this reduced amount shall be charged against the benefit limits of this plan.

(4) When a member has coverage with two (2) group plans, the plan which covers the person for the longer time shall be determined first.

(5) If a member is eligible for Medicare due to a disability, Medicare is the primary plan and this plan is a secondary plan. If a member or dependent is eligible for Medicare due to end stage renal disease, this plan is primary for the first thirty (30) months. Medicare is primary after the first thirty (30) months.

(6) The claims administrator, with the consent of the employee or the employee's spouse when the claim is for a spouse, or the parent or guardian when the claim is for a minor child, may release or obtain any data which is needed to implement this provision.

(7) When payments should have been paid under this plan but were already paid under some other plan, the claims administrator shall have the right to make payment to such other plan of the amount which would satisfy the intent of this provision. This payment shall discharge the liability under this plan.

(8) When payments made under this plan are in excess of the amount required to satisfy the intent of this provision, the claims administrator shall have the right to recover the excess payment from one (1) or more of the following:

- (A) Any person to whom, for whom or with respect to whom these payments were made;
- (B) Any insurance company; or
- (C) Any other organization.

(9) The claims administrator will pay benefits promptly, or, if applicable, within their contractual time frame obligations after submittal of due proof of loss unless the claims administrator provides the claimant a clear, concise statement of a valid reason for further delay which is in no way connected with, or caused by the existence of this provision nor otherwise caused by the claims administrator.

(10) If one of the other plans involved (as defined in coordination of benefits provision) provides benefits on an excess insurance or excess coverage basis, subsections (3)(C) and (D) of this rule shall not apply to the plan and this policy will pay as excess coverage.

(5) All insured members of the Missouri Consolidated Health Care Plan (MCHCP) shall use the claims and administration procedures established by the health maintenance organization (HMO), point-of-service (POS), or preferred provider organization (PPO) health plan contract applicable to the insured member. Only after these procedures have been exhausted may the member appeal directly to the Missouri Consolidated Health Care Plan Board of Trustees to review the decision of the health plan contractor.

(A) Appeals to the board of trustees shall be submitted in writing within forty-five (45) days of receiving the final decision from the member's health care plan, specifically identifying the issue to be resolved and be addressed to:

Attn: Appeal
Board of Trustees
Missouri Consolidated Health Care Plan

(B) The board may utilize a hearing officer, such as the Administrative Hearing Commission, to conduct a fact-finding hearing, and make proposed findings of fact and conclusions of law.

1. The hearing will be scheduled by the MCHCP.
2. The parties to the hearing will be the insured and the applicable health plan.
3. All parties shall be notified in writing of the date, time and location of the hearing.
4. All parties shall have the right to appear at the hearing and submit written or oral evidence. The appealing party shall be responsible for all copy charges incurred by MCHCP in connection with any documentation that must be obtained through the MCHCP. These fees will be reimbursed should the party prevail in his/her appeal. They may cross-examine witnesses. They need not appear and may still offer written evidence. The strict rules of evidence shall not apply.

5. The party appealing to the board shall carry the burden of proof.

6. The independent hearing officer shall propose findings of fact and conclusions of law, along with its recommendation, to the board. Copies of the summary, findings, conclusions and recommendations shall be sent to all parties.

(C) The board may, but is not required to, review the transcript of the hearing. It will review the summary of evidence, the proposed findings of fact and conclusions of law and shall then issue its final decision on the matter.

A. Newborns—

(I) Notwithstanding any other rule, if a member currently has children coverage under the plan, he/she may enroll his/her newborn retroactively to the date of birth if the request is made within six (6) months of the child's date of birth. If a member does not currently have children coverage under the plan but states that the required information was provided within the thirty-one (31)-day enrollment period, he/she must sign an affidavit stating that their information was provided within the required time period. The affidavit must be notarized and received in the MCHCP office within thirty-one (31) days after the date of notification from the MCHCP; and

(II) Once the MCHCP receives the signed affidavit from the member, coverage for the newborn will be backdated to the date of birth, if the request was made within six (6) months of the child's date of birth. The approval notification will include language that the MCHCP has no contractual authority to require the contractors to pay for claims that are denied due to the retroactive effective date. If an enrollment request is made under either of these two (2) scenarios past six (6) months following a child's date of birth, the information will be forwarded to the MCHCP board for a decision.

B. Credible evidence—Notwithstanding any other rule, the MCHCP may grant an appeal and not hold the member responsible when there is credible evidence that there has been an error or miscommunication, either through the member's payroll/personnel office or the MCHCP, that was no fault of the member.

C. Change of plans due to dependent change of address—A member may change plans outside the open enrollment period if his/her covered dependents move out of state and their current plan cannot provide coverage.

(E) Any member wishing to appeal their enrollment selection completed during the annual open enrollment period must do so in writing to the board of trustees within thirty (30) calendar days of the beginning of the new plan year. The MCHCP will respond within thirty (30) calendar days of the receipt of the appeal.

(2) Facility of Payment. Plan benefits will be paid to the employee if living and capable of giving a valid release for the payment due. If the participant, while living, is physically, mentally or for any other reason incapable of giving a valid release for any payment due, the claims administrator at his/her option, unless and until request is made by the duly appointed guardian, may pay benefits which may become due to any blood relative or relative connected by marriage to the participant, or to any other person or institution appearing to the claims administrator to have assumed responsibility for the affairs of the participant. Any payments made by the claims administrator in good faith pursuant to this provision shall fully discharge the claims administrator to the extent of the payment. Any benefit unpaid at the time of the employee's death will be paid to the employee's estate. The parent of any minor, or the legal guardian of any individual who has been declared to be incompetent due to physical or mental incapacity by a court of competent jurisdiction, may act on behalf of the individual.

(5) This document will be kept on file at the principal offices of the plan administrator and may be inspected by a participant during regular business hours. Also, the plan administrator reserves the right

at any time to modify or amend, in whole or in part, any or all provisions of the plan.

**Title 9—DEPARTMENT OF MENTAL HEALTH
Division 10—Director, Department of Mental Health
Chapter 31—Reimbursement for Services**

ORDER OF RULEMAKING

By the authority vested in the Department of Mental Health under sections 630.050 and 630.655, RSMo Supp. 2003, the department adopts a rule as follows:

9 CSR 10-31.014 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on October 15, 2004 (29 MoReg 1544–1546). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The department received comments on the proposed rule from nine (9) persons.

COMMENT: Two (2) persons commenting on 9 CSR 10-31.014 stated that the proposed rule was fair and appropriate and had no recommendations.

RESPONSE: The department agrees.

COMMENT: One (1) person commenting on 9 CSR 10-31.014 suggested that a standard application form with instructions be made available to consumers.

RESPONSE: The department agrees that providing a form would be helpful as a suggested guideline only, but does not consider it necessary to incorporate a standardized form into the rule. The department has not revised the proposed rule in response to this comment.

COMMENT: One (1) person commenting on 9 CSR 10-31.014 suggested that the department should adopt procedures to assure families are not overly burdened by inconsistent handling of the waiver process by various providers.

RESPONSE: The department agrees that minimal burden on the consumer is desirable and believes that sending all requests to the director's office will allow for consistency while retaining flexibility. The department has not revised the proposed rule in response to this comment.

COMMENT: Two (2) persons commenting on 9 CSR 10-31.014(1)(B) stated that the proposed rule is unclear as to how it affects children in long-term placement with the Division of Mental Retardation and Developmental Disabilities (MRDD).

RESPONSE: Under the proposed rule, any child served by the department may ask for a waiver. However, because of the criteria established for approval of waivers, the department does not anticipate that many requests will be received on behalf of children in MRDD placement programs. The department has not revised the proposed rule in response to this comment.

COMMENT: One (1) person commenting on 9 CSR 10-31.014(1)(B) asked if the proposed rule would apply to a MRDD Regional Center client exempt from being charged a monthly rate.

RESPONSE: The department agrees that if a child has been exempted from being charged a monthly rate under other provisions of the Standard Means Test, such as for receiving education, special education, or related services, then there would be no need for the parent or custodian to request a waiver under the proposed rule. The department has not revised the proposed rule in response to this comment.

COMMENT: One (1) person commenting on 9 CSR 10-31.014(2) wondered how providers will be reimbursed for any fees that are waived as a result of the proposed rule.

RESPONSE: The proposed rule does not make any changes to the method providers use to invoice for services provided to department clients. Currently, the department reimburses the provider the full contracted service fee for any client who is exempt from the Standard Means Test (SMT). This would include children who receive a waiver of the SMT under the proposed rule. The department has not revised the proposed rule in response to this comment.

COMMENT: One (1) person commenting on 9 CSR 10-31.014(2) expressed concern that some consumers might have to undergo the waiver request process several times within a short period.

RESPONSE: The department has considered the scenarios presented by the commenter and does not agree. Unnecessary repetition of the waiver request process will be avoided because all waiver requests will be handled centrally by the director's office. The department has not revised the proposed rule in response to this comment.

COMMENT: One (1) person commenting on 9 CSR 10-31.014(2) suggested that parents who call for intake services at a psychiatric hospital should be informed of the waiver before the provider makes application of the Standard Means Test, which typically occurs after admission.

RESPONSE: The department agrees that providers should tell concerned parents about the potential waiver at the earliest practicable time. The proposed rule does not preclude information being provided to the consumer prior to admission. The department has not revised the proposed rule in response to this comment.

COMMENT: Two (2) persons commenting on 9 CSR 10-31.014(2)(C) stated that the rule is unclear about how the consumer is to be charged by the provider during the time the waiver request is pending approval or appeal.

RESPONSE AND EXPLANATION OF CHANGE: The department agrees and the proposed rule has been reworded for clarity.

COMMENT: Two (2) persons commenting on 9 CSR 10-31.014(4) asked whether all six (6) items listed in the section were required to be included in the waiver request.

RESPONSE AND EXPLANATION OF CHANGE: The six (6) items are not required. The language of the section has been clarified.

COMMENT: One (1) person commenting on 9 CSR 10-31.014(4)(A) asked what happens when there is no local care team in place.

RESPONSE: The proposed rule states that recommendations can also come from another designated local or regional children's mental health authority, such as the area director of the Division of Comprehensive Psychiatric Services. The department has not revised the proposed rule in response to this comment.

COMMENT: One (1) person commenting on 9 CSR 10-31.014(4)(B) asked what documentation standards applied to substantiation of reports of abuse or neglect.

RESPONSE AND EXPLANATION OF CHANGE: The department reviewed the language and determined that substantiation of

reports of abuse or neglect is unnecessary for the purposes of this rule, and the related language has been deleted.

COMMENT: One (1) person commenting on 9 CSR 10-031.014(4)(D) asked for clarification of the documentation requirement for past efforts to obtain needed medical care.

RESPONSE: The proposed rule does not require documentation for past efforts to obtain needed medical care, therefore, no clarification is needed. The department has not revised the proposed rule in response to this comment.

9 CSR 10-31.014 Waiver of Standard Means Test for Children in Need of Mental Health Services

(2) Request for Waiver. At the time of initial application of the Standard Means Test (SMT) for a child in need of mental health services, and at the time of any subsequent reapplication, the provider shall inform the financially responsible person that the SMT may be waived.

(C) For the initial waiver request made on behalf of a child, the provider shall not charge the monthly rate as determined by application of the SMT for services provided during any month in which the request is under review or appeal. This provision applies only to the first waiver request made on behalf of the child.

(4) Consideration of Request. In making the decision to approve, approve with conditions, or deny the request, the designee or designees will consider information presented by the requestor. The requestor may, but is not required to, include information regarding one or more of the items listed below, or any other information in support of their request:

(B) History of the child being in state custody due exclusively to the need for mental health services;

Chapter 3—Fireworks**

ORDER OF RULEMAKING

By the authority vested in the Missouri Division of Fire Safety under section 320.111, RSMo 2000, the division adopts a rule as follows:

11 CSR 40-3.010 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on October 1, 2004 (29 MoReg 1455–1463). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Division of Fire Safety received comments on the proposed rule from three (3) individuals.

COMMENT: Charles E. Wald, President, Wald & Co., Inc. requested that the recertification/renewal fee in subparagraph (9)(B)6.C. for a licensed/pyrotechnic display operator be reduced from one hundred dollars (\$100) to fifty dollars (\$50).

RESPONSE: The division has considered many factors to project the costs to administer the licensing program to include but not limited to development and implementation of promulgated rules and regulations; development of database; implement filing system; developing test banks; validation of test banks; etc. Based upon these projected costs and an anticipated five hundred (500) licensed operators, the division has determined a three (3)-year average cost per operator per year to be approximately twenty-eight dollars and seventy-six cents (\$28.76). Current cost of a three (3)-year license per operator is thirty-three dollars (\$33) per year. No changes have been made to the rule as a result of this comment.

COMMENT: Tom Dixon with Atomic Fireworks Inc. and Mike Ingram with Fireworks Over America, Inc. requested that text be added in subsection (1)(C) to prevent a rule change from being required if the referenced document would change.

RESPONSE: Per 2004 legislation (House Bill 1616) a referenced document cannot include any later amendments or additions. No changes have been made to the rule as a result of this comment.

COMMENT: Tom Dixon with Atomic Fireworks Inc. and Mike Ingram with Fireworks Over America, Inc. requested that text be deleted in subsection (1)(N) to remove specific information relating to referenced national standards.

RESPONSE AND EXPLANATION OF CHANGE: Per 2004 legislation (House Bill 1616) a referenced document shall fully identify the incorporated material by publisher, address, and date in order to specify how a copy of the material may be obtained. However, more

specific text will be added to ensure this section is clear in that the referenced documents are specific to the intent of subsection (1)(N).

COMMENT: Tom Dixon with Atomic Fireworks Inc. and Mike Ingram with Fireworks Over America, Inc. requested text be added to subsection (2)(A) to clarify reference to the sales of consumer fireworks.

COMMENT: Mike Ingram with Fireworks Over America, Inc. identified an error in subsection (2)(A) where “theatrical” was included. RESPONSE AND EXPLANATION OF CHANGE: Subsection (2)(A) will be changed to clarify the intent to be consumer fireworks and correct the error.

COMMENT: Tom Dixon with Atomic Fireworks Inc. suggested an editorial change in subsection (2)(D) to add a plural notation and in subsection (2)(M) to delete a plural notation on the word “dollars.” RESPONSE AND EXPLANATION OF CHANGE: Subsection (2)(D) will be changed to add a plural notation to “permit” and section (2)(M) will be changed to delete the plural notation to “dollars.”

COMMENT: Tom Dixon with Atomic Fireworks Inc. and Mike Ingram with Fireworks Over America, Inc. requested an editorial change to paragraph (3)(A)4. for clarification.

RESPONSE AND EXPLANATION OF CHANGE: Paragraph (3)(A)4. will be changed to clarify the intent.

COMMENT: Tom Dixon with Atomic Fireworks Inc. requests to add text to subsection (4)(B) to clarify who a licensed distributor may sell to without being required to obtain any additional permit(s).

RESPONSE AND EXPLANATION OF CHANGE: Subsection (4)(B) will be changed to clarify that no additional permit(s) is required to sell consumer fireworks to the general public.

COMMENT: Tom Dixon with Atomic Fireworks Inc. requests deletion of “wholesalers” in subsection (4)(E).

RESPONSE AND EXPLANATION OF CHANGE: Subsection (4)(E) will be changed by deleting “wholesalers” due to the fact that a wholesaler cannot sell fireworks at retail.

COMMENT: Mike Ingram with Fireworks Over America, Inc. requested text be added to subsection (4)(E) to clarify this applies to nonpermitted persons or entities.

RESPONSE AND EXPLANATION OF CHANGE: Subsection (4)(E) will be changed to reflect nonpermitted persons or entities are included in this section.

COMMENT: Tom Dixon with Atomic Fireworks Inc. has questioned how this section will address existing structures in relation to building/fire codes in subsection (4)(F).

RESPONSE: The Division of Fire Safety has no authority to dictate how a local governmental jurisdiction administers local code/ordinance requirements per 320.121.1, RSMo. If the structure is located within a jurisdiction that has adopted a specific building/fire code or ordinance then compliance with that code/ordinance must be verified to the division. No changes have been made to this rule as a result of this comment.

COMMENT: Tom Dixon with Atomic Fireworks Inc. requested text be added to subsection (5)(B) to include U.S. Department of Transportation classification number.

RESPONSE AND EXPLANATION OF CHANGE: Subsection (5)(B) will be changed by adding the classification number for consumer fireworks.

COMMENT: Tom Dixon with Atomic Fireworks Inc. and Mike Ingram with Fireworks Over America, Inc. requested reference to *Code of State Regulations* be deleted from subsection (5)(F) due to their belief of conflict with “state fireworks regulations.”

RESPONSE: This is an editorial issue; the terminology “state fireworks regulations” is one and the same as *Code of State Regulations*. The document containing state fireworks rules/regulations is the *Code of State Regulations*. No changes have been made to the rules as a result of this comment.

COMMENT: Tom Dixon with Atomic Fireworks Inc. has requested that paragraphs (7)(G)3. and (7)(G)4. be deleted relating to emergency lighting requirements in seasonal retail sales locations.

RESPONSE AND EXPLANATION OF CHANGE: No changes to paragraph (7)(G)3. of the rule will be made as a result of this comment. Paragraph (7)(G)4. will be changed to identify the minimum size of a seasonal retail sales location that will be required to have emergency lighting.

COMMENT: Mike Ingram with Fireworks Over America, Inc. expressed concern over paragraph (7)(G)4. relating to the requirement for emergency lighting as deemed necessary by the authority having jurisdiction. Mr. Ingram believes the text seems to give a local fire inspector or authority having jurisdiction the opportunity to overuse his/her authority if they are anti-fireworks.

RESPONSE AND EXPLANATION OF CHANGE: The Division of Fire Safety cannot prohibit a local governmental jurisdiction from adopting a more stringent code/ordinance per 321.121.1, RSMo. The reference to a “fire inspector” is referring to a Division of Fire Safety inspector. Paragraph (7)(G)4. will be changed to clarify reference to a division fire inspector.

COMMENT: Tom Dixon with Atomic Fireworks Inc. and Mike Ingram with Fireworks Over America, Inc. requested to add text in paragraph (7)(I)5. to include display fireworks not being allowed to be sold with consumer fireworks.

RESPONSE AND EXPLANATION OF CHANGE: Paragraph (7)(I)5. will be changed to include display fireworks.

COMMENT: Tom Dixon with Atomic Fireworks Inc. requested to add text in paragraph (10)(A)5. in reference to fireworks being exposed to direct sunlight by allowing this if the product is in its original packages.

RESPONSE AND EXPLANATION OF CHANGE: This section refers to 320.146.1, RSMo which includes text relating to fireworks in the original package. Paragraph (10)(A)5. will be changed to be consistent with statutory language.

COMMENT: Tom Dixon with Atomic Fireworks Inc. requested to delete paragraph (10)(A)16. citing this is not a U.S. Department of Transportation requirement.

RESPONSE: 320.131, RSMo prohibits the sale of consumer fireworks that do not bear U.S. Department of Transportation label UN0336, 1.4G. No changes have been made to the rule as a result of this comment.

COMMENT: Mike Ingram with Fireworks Over America, Inc. expressed concern that paragraph (10)(C)8. is an excessive penalty for first time offenders.

RESPONSE AND EXPLANATION OF CHANGE: Paragraph (10)(C)8. will be moved to paragraph (10)(A)18. making this violation a written warning for first time offense.
