# Rule Changes Since Update to Code of State Regulations

Missouri Register

This cumulative table gives you the latest status of rules. It contains citations of rulemakings adopted or proposed after deadline for the monthly Update Service to the *Code of State Regulations*, citations are to volume and page number in the *Missouri Register*, except for material in this issue. The first number in the table cite refers to the volume number or the publication year—27 (2002), 28 (2003), 29 (2004) and 30 (2005). MoReg refers to *Missouri Register* and the numbers refer to a specific *Register* page, R indicates a rescission, W indicates a withdrawal, S indicates a statement of actual cost, T indicates an order terminating a rule, N.A. indicates not applicable, RUC indicates a rule under consideration, and F indicates future effective date.

#### Materials Incorporated by Reference Per Section 536.031.4, RSMo

An agency may incorporate by reference rules, regulations, standards, and guidelines of an agency of the United States or a nationally or state-recognized organization or association without publishing the material in full.

The reference in the agency rules shall fully identify the incorporated material by

- publisher,
- address, and
- date in order to specify how a copy of the material may be obtained, and
- shall state that the referenced rule, regulation, standard, or guideline does not include any later amendments or additions.

The agency adopting a rule, regulation, standard, or guideline under this section shall maintain a copy of the referenced rule, regulation, standard, or guideline at the head-quarters of the agency and shall make it available to the public for inspection and copying at no more than the actual cost of reproduction.

The secretary of state may omit from the *Code of State Regulations* such material incorporated by reference in any rule the publication of which would be unduly cumbersome or expensive.
