HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo Supp. 2006.

EXECUTIVE ORDER

07-14

WHEREAS, the well-being and development of young people is one of the highest objectives of our state government; and

WHEREAS, a large and growing number of Missouri's young people grow up without sufficient positive role models; and

WHEREAS, on any given day there are an estimated 60,000 children who have a parent in a Missouri state prison; and

WHEREAS, responsible and accountable school-based mentoring programs, such as Big Brothers Big Sisters, offer a well-established means of providing positive adult influences; and

WHEREAS, respected mentoring programs have been independently found to generate significant improvements in the lives of the children and adolescents whom they serve; and

WHEREAS, research shows that school-based mentoring for children has resulted in improvements in academic performance, positive attitudes toward school, higher levels of self-confidence, relationships with peers and high school graduation rates; and

WHEREAS, the need for volunteer mentors is great in many communities throughout the state of Missouri, with some areas reporting long waiting lists of children and adolescents who want and need mentors; and

WHEREAS, the recruitment of responsible, caring adults to fill this important need for mentors is in the best interest of all Missourians; and

WHEREAS, an increasing number of state governments, local governments, and businesses nationwide are allowing and encouraging their employees to invest time away from their duties to engage in mentoring activity; and

WHEREAS, the state of Missouri's governmental workforce constitutes a large body of highly capable public servants who represent all areas of the state; and

WHEREAS, employees of the state of Missouri are dedicated to serving the needs of the public at large; and

WHEREAS, I am committed to ensuring that the state of Missouri is at the forefront in implementing sound and innovative policies to help enhance the lives of the state's youth.

NOW, THEREFORE, I, MATT BLUNT, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and the laws of the state of Missouri, do hereby create and establish the Missouri Mentor Initiative, under which up to 200 full-time employees of the state of Missouri are eligible for one hour per week of paid approved work to mentor in Missouri public primary and secondary schools for up to 40 hours annually. Lieutenant Governor Peter Kinder will be responsible for coordinating and managing the initiative. Employee eligibility to participate in the program will be subject to rules established by the state of Missouri and its departments and agencies.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, on this 11th day of April, 2007.

Matt Blunt
Governor

ATTEST:

Robin Carnahan
Secretary of State

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of the proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety (90)-day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:
Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

IV. ASSUMPTION

1. Promoters are required to submit a copy of a bond or irrevocable letter of credit in the amount of \$5,000 and a copy of a medical insurance certificate. The private entity cost for proof of credit and medical insurance is reported in the Private Entity Fiscal Note for 20 CSR 2040-8.100.
2. Contestants will be required to submit a completed application, the appropriate fee and proof of successful completion of physical examination and a copy of medical testing verifying the applicant is not infected with the human immunodeficiency virus (HIV) or hepatitis B or C virus.
3. Athletic physicians are not charged a fee for licensure since they are licensed and regulated by the State Board of Registration for the Healing Arts, a board with the Division of Professional Registration. An application for licensure is required and a license is issued.
4. Employee's salaries were calculated using the annual salary multiplied by 48.89% for fringe benefits and then divided by 2080 hours per year to determine the hourly salary. The hourly salary was then divided by 60 minutes to determine the cost per minute. The cost per minute was then multiplied by the amount of time individual staff spent on the processing of applications or renewals. The total cost was based on the cost per application multiplied by the estimated number of applications or renewals.
5. It is anticipated that the total cost will recur for the life of the rule, may vary with inflation and is expected to increase at the rate projected by the Legislative Oversight Committee.

NOTE: The public fiscal note for this rule only reflects the cost for this particular process. However, private entity fees are set at an amount to cover the total actual cost incurred by the office, which includes personal service, expense and equipment and transfers.

* The office anticipates a 15% annual growth rate in the number of contestants and seconds that apply for initial licensure, while other licensure categories will remain constant.

IV. ASSUMPTION

2. It is anticipated that the total cost will recur for the life of the rule, may vary with inflation and is expected to increase at the rate projected by the Legislative Oversight Committee.

NOTE: The division is statutorily obligated to enforce and administer the provisions of sections 317.001-317.021, RSMo. Pursuant to Section 317.011, RSMo, the division shall by rule and regulation set the amount of fees authorized by sections 317.001-317.021, RSMo so that the revenue produced is sufficient, but not excessive, to cover the cost and expense to the board for administering the provisions of sections 317.001-317.021, RSMo.

(11) Any person who has competed as a professional boxer, professional kickboxer, professional wrestler, professional martial arts or professional mixed martial arts contestant may not participate as an amateur contestant in a mixed martial arts event in the state of Missouri. The office may discipline the license of any contestant, promoter, manager, matchmaker or second who violates, or assists or enables another to violate, the provisions of this section.

(12) The office may honor the suspension of a contestant by an agency that regulates professional mixed martial arts in another jurisdiction if the suspension is ordered for:

The hourly salary was then divided by 60 minutes to determine the cost per minute. The cost per minute was then multiplied by the amount of time individual staff spent on the processing of applications or renewals. The total cost was based on the cost per application multiplied by the estimated number of applications.
2. It is anticipated that the total cost will recur for the life of the rule, may vary with inflation and is expected to increase at the rate projected by the Legislative Oversight Committee.

NOTE: The public fiscal note for this rule only reflects the cost for this particular process. However, private entity fees are set at an amount to cover the total actual cost incurred by the office, which includes personal service, expense and equipment and transfers.

**Division 2040—Office of Athletics
Chapter 8—Mixed Martial Arts**

PROPOSED RULE

20 CSR 2040-8.110 Referees

PURPOSE: This rule defines the duties and responsibilities of mixed martial arts referees.

(1) The referee is charged with the enforcement of all office rules that apply to the conduct of a mixed martial arts contest and the conduct of the contestants and contestant's second(s) while he/she is in the fighting area, including the ring. Before the office issues a referee's license:

(A) The applicant shall certify that he/she has read and understands Missouri laws and rules relating to the contest. Upon such certification the applicant shall be deemed to have full knowledge and understanding of said laws and rules; and

(B) The office may require:

1. The applicant take and pass a written test covering professional full-contact karate or, at the discretion of the office, other mixed martial arts; and

2. The applicant undergo a physical examination by a licensed physician to determine fitness to perform.

(2) The office shall have the right to deny a referee's license if, in its judgment, the applicant does not have sufficient knowledge or expertise in mixed martial arts or is otherwise deemed not responsible to act as referee.

(3) Referees shall not wear spectacles while refereeing.

(4) The referee selected for each bout shall be at the sole discretion of the office and such determination shall be final. The promoter is responsible for all compensation for the referee. The office shall set the amount of compensation to be provided to the referee.

(5) Before starting each bout, the referee shall:

(A) Check with each judge and timekeeper to determine if each is ready;

(B) Ascertain the name of the chief second in each corner;

(C) Hold the chief second responsible for all conduct in his/her corner; and

(D) Verify that the physician is present at ringside.

(6) The referee shall inspect the gloves of the contestants in all bouts and make sure that no foreign substances detrimental to an opponent have been applied to the glove or bodies of the contestants. In the event the referee detects a problem with the gloves or other equipment, the problem shall be fixed to the satisfaction of the referee and inspector before the bout continues.

(7) The use of rubber or plastic gloves by the referee is not mandatory but will be left to the discretion of the referee.

(8) The referee may stop or terminate the bout for any of the following reasons:

(A) The referee determines that one (1) of the contestants is clearly less experienced and/or skilled than his/her opponent to the extent that allowing the bout to continue would pose a substantial risk of serious harm or injury to the less-experienced/skilled contestant;

(B) The referee decides that a contestant is not making his/her best effort;

(C) The referee determines that one (1) of the contestants is at substantial risk of serious harm or injury and despite such harm or injury cannot or will not submit;

(D) The referee determines that one (1) contestant has been knocked down. A contestant shall be deemed to be knocked down if hanging helplessly on or over the fighting area enclosure or the contestant is physically unable to continue a match or to defend himself/herself; and

(E) For any other reason the referee deems necessary to protect the health, safety or welfare of any contestant or any member of the public.

(9) If the contestants are in a hold while close to the edge of the fighting area, the referee may stop the bout and require the contestants to resume the action in the center of the fighting area in the same hold the contestants were engaged in at the time the bout was stopped.

(10) In the event of serious cuts or injuries, the referee shall summon the physician who shall evaluate the injury and may recommend the bout be stopped.

(11) The referee shall warn the second(s) of violations of any rules relating to seconds. If after such a warning the second(s) does not conduct himself/herself in accordance with the rules, the referee shall warn the second(s) that further violations may result in disqualification of his/her contestant and/or removal from the corner.

(12) The referee shall instruct judges to mark their scorecards accordingly when he/she has assessed a foul upon one (1) of the contestants. The referee shall deliver the official scorecards to the inspector. When picking up the scorecards from the judges, the referee shall see to it that the cards are completed and the contestants' and judges' names are recorded. If not, the judges shall be instructed to complete scorecards correctly.

(13) The referee shall ensure that a bout moves to its proper completion. Delaying or avoiding tactics, or both, should be avoided and the contestant who employs these tactics may be penalized in scoring or disqualified.

(14) In assessing fouls, the referee shall weigh the cause as well as the effect. If the referee has seen an unauthorized blow, strike or attack delivered that has a damaging effect, the referee may permit a rest period to the victim not to exceed five (5) minutes. During the rest period, seconds may not assist or coach the injured contestant. The offending contestant shall go to a neutral corner and shall not be coached during the period.

(A) At the discretion of the referee, the referee must give an official warning or penalty to the offending contestant for the unauthorized blow, strike or attack, and then may give the command to continue after the end of the rest period if the contestant who received the unauthorized blow, strike or attack indicates ability to continue the bout. If the injured contestant refuses to continue after a five (5)-minute rest period, the opponent may be named the winner.

(B) Additional unauthorized blows, strikes or attacks shall be penalized with deduction of points from the offending contestant or disqualification of the offending contestant.

(C) A mixed martial arts contestant cannot be named the winner of a bout as the result of receiving an unauthorized blow, strike or attack low blow unless, in the opinion of the referee, the unauthorized blow, strike or attack was delivered deliberately and of enough force to seriously incapacitate the injured boxer so that he/she could not continue the bout. Under this condition, the offender shall be disqualified immediately.

(15) The referee shall warn or penalize a contestant with a deduction of points who uses the ropes, cage or any other unfair means to gain advantage.

(16) Whenever a contestant has been injured, knocked out or technically knocked out, the referee shall immediately summon the attending physician to aid the stricken contestant. Except at the request of

the physician, no manager(s) or second(s) shall be permitted to aid the stricken contestant.

PROPOSED RULE

20 CSR 2040-8.180 Rules for Bouts/Contests

PURPOSE: This rule establishes general rules for conducting mixed martial arts bouts/contests.

(1) The promoter shall have scales available for use by the office. The office may use the scales furnished by the promoter or use its own scales. All scales furnished by the promoter shall be thoroughly tested and approved by the inspector prior to being used in connection with any contest.

(2) The referee shall have general supervision of the bout. The referee enforces the rules, promotes safety of the contestants and ensures fair play. Only the inspector may overrule the referee if the referee is not enforcing the rules. Before starting a bout the referee shall ascertain from each contestant the name of his/her chief second who shall be held responsible for the conduct of the assistant seconds during the progress of the bout. The referee shall call contestants together before each bout for final instructions, at which time each contestant shall be accompanied by the chief second only.

(3) The three (3) judges shall be stationed at the sides immediately adjacent to the fighting area, each at a separate side. All bouts shall be scored on a ten (10)-point must system. The judges shall turn scorecards over to the referee after each round. The referee shall then hand the scorecards to the inspector. A final decision shall be made before the judges may leave the area. Any erasures or changes on the card shall be approved and initialed by the judge and inspector.

(4) The promoter shall provide an adequate room for the attending physician to conduct physical examinations. Whenever a contestant, because of illness or injuries, is unable to take part in a contracted bout, the contestant or the manager shall immediately report the fact to the inspector. The contestant shall then submit to an examination by a physician designated by the office.

(5) No professional mixed martial arts bout shall be advertised or promoted as a championship bout unless it has the specific approval of the office.

(6) Rounds.

(A) Non-championship Bouts. Each non-championship bout shall be no less than three (3) rounds of five (5) minutes in length, with a one (1) minute rest period between rounds.

(B) Championship Bouts. Each championship contest shall be no more than five (5) rounds of five (5) minutes in length, with a one (1) minute rest period between rounds.

(C) In no event shall the rest period between any round in any bout be less than one (1) minute.

(7) Contestants who have been knocked out shall be kept lying down until they have recovered. When a contestant is knocked out, no one shall touch him/her except the referee who shall remove his/her mouthpiece, until the ringside physician enters the ring and personally attends the contestant and issues necessary instructions to the contestant's second(s).

(8) Submissions. A contestant may submit to an opponent and end a bout by tapping the mat consecutively more than three (3) times. If the contestant is unable to tap the mat, the contestant may yell "quit" to the referee. Upon submission, the referee shall terminate the bout and declare the non-submitting contestant as the winner of the bout by submission.

(9) Injuries.

(A) The referee, at his/her discretion, may request that the attending physician examine a contestant during the bout. Should the examination occur during the course of a round, the clock shall be stopped

until the examination is completed. The physician may order the referee to stop the bout. The referee shall then render the appropriate decision.

(B) In the event of serious cuts or injuries, the referee shall summon the physician who shall decide if the bout may be stopped.

(10) If a contestant fails or refuses to resume fighting when the bell sounds starting the next round, the referee may award a technical knockout to his/her opponent as of the last completed round.

(11) All licensed individuals and organizations associated with the contests shall be deemed to have knowledge of the applicable laws and rules of the state. Any questions or interpretations shall be referred to the office. If an immediate decision is required, it shall be referred to the inspector present. In the event a situation occurs at the contest and there are no regulations in place to cover the situation, the inspector of the event shall make a decision on the matter. The inspector's ruling shall be final. The authority of the office and the inspectors shall be respected. No one shall interfere with the inspectors' duties, use foul language towards or make threats of physical harm toward the inspectors.

(12) If amateur bouts and professional mixed martial arts bouts are scheduled during the same contest or event, the professional mixed martial arts bouts shall only be held after the completion of all amateur bouts.

AUTHORITY: sections 317.001 and 317.006, RSMo 2000. Original rule filed April 3, 2007.
