IV. ASSUMPTION

1. Employee's salaries were calculated using the annual salary multiplied by 48.75% for fringe benefits and then divided by 2080 hours per year to determine the hourly salary. The hourly salary was then divided by 60 minutes to determine the cost per minute. The cost per minute was then multiplied by the amount of time individual staff spent on the processing of applications or renewals. The total cost was based on the cost per application multiplied by the estimated number of applications.
2. It is anticipated that the total cost will recur for the life of the rule, may vary with inflation and is expected to increase at the rate projected by the Legislative Oversight Committee.

With an Annual Growth Rate Annually for the Life of the Rule		\$12,522

III. WORKSHEET

See table above.

IV. ASSUMPTION

1. Because preneed agents have never been licensed by the state of Missouri, the board is unable to accurately estimate the number of preneed agents that may apply for registration with the board. However, based on the number reported in the legislative fiscal note for SB1, the board estimates approximately 60 individuals will apply for registration during the first year of implementation and 50 will apply annually thereafter. Therefore, the board estimates an annual growth of \$250.44 per applicant for a total of \$12,522 annually for the life of the rule.

2. The Missouri Law examination review seminar is offered by the Missouri Funeral Directors and Embalmers Association in Jefferson City, Missouri. Due to the various geographic locations of the applicant the board is unable to estimate travel expenses associated with taking the review seminar.
3. The Missouri Law examination is a computerized examination administered by Pearson Vue and located in 4 locations in the state of Missouri and various locations throughout the United States. Applicants are required to notify the board of their desire to taken the Missouri Law Examination. Upon board approval the applicant is issued a certificate of eligibility. Applicants are then required to sign the certificate and mail or fax it to Pearson Vue, the testing service, with the \$120 examination fee. Due to the various geographic locations of the applicant and the testing service, travel expenses cannot be accurately estimated.
4. It is anticipated that the total cost will recur annually for the life of the rule, may vary with inflation and is expected to increase at the rate projected by the Legislative Oversight Committee.

This section will contain the final text of the rules proposed by agencies. The order of rulemaking is required to contain a citation to the legal authority upon which the order of rulemaking is based; reference to the date and page or pages where the notice of proposed rulemaking was published in the *Missouri Register*; an explanation of any change between the text of the rule as contained in the notice of proposed rulemaking and the text of the rule as finally adopted, together with the reason for any such change; and the full text of any section or subsection of the rule as adopted which has been changed from that contained in the notice of proposed rulemaking. The effective date of the rule shall be not less than thirty (30) days after the date of publication of the revision to the *Code of State Regulations*.

The agency is also required to make a brief summary of the general nature and extent of comments submitted in support of or opposition to the proposed rule and a concise summary of the testimony presented at the hearing, if any, held in connection with the rulemaking, together with a concise summary of the agency's findings with respect to the merits of any such testimony or comments which are opposed in whole or in part to the proposed rule. The ninety (90)-day period during which an agency shall file its order of rulemaking for publication in the *Missouri Register* begins either: 1) after the hearing on the proposed rulemaking is held; or 2) at the end of the time for submission of comments to the agency. During this period, the agency shall file with the secretary of state the order of rulemaking, either putting the proposed rule into effect, with or without further changes, or withdrawing the proposed rule.

Title 2—DEPARTMENT OF AGRICULTURE Division 30—Animal Health Chapter 2—Health Requirements for Movement of Livestock, Poultry and Exotic Animals

ORDER OF RULEMAKING

By the authority vested in the Director of Agriculture under section 267.645, RSMo 2000, the director amends a rule as follows:

2 CSR 30-2.040 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on June 15, 2009 (34 MoReg 1334-1340). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: Two (2) comments were received on the proposed amendment.

COMMENT #1: The Missouri Cattlemen's Association (MCA) submitted a response in support of the proposed change that requires a Certificate of Veterinary Inspection before entering the state of Missouri and supports the change in subpart (2)(A)2.B.(II)(c) requiring rodeo bulls from Class A states to have a negative brucellosis test within twelve (12) months prior to exhibition, and MCA supports the proposed tuberculosis requirements.

RESPONSE: The department appreciates the comments of the Missouri Cattlemen's Association. No changes are made to the rule as a result of these comments.

COMMENT #2: After a thorough review of the proposed amendment, the department recommends three (3) changes to the proposed amendment. **Change #1:** In subpart (2)(A)2.C.(III)(a), change the age of rodeo stock to eighteen (18) months of age and older. Animals eighteen (18) months of age and over present the most concern to livestock industry. **Change #2:** In subpart (2)(A)2.C.(III)(b), add that the animals would not be able to enter without a current tuberculosis test. This change would allow rodeo stock in as long as they meet current testing requirements. **Change #3:** In subparagraphs (2)(D)1.B., (2)(D)2.B., (2)(E)1.B., and (2)(E)2.B., remove the word "eartag" and replace it with "identification." This change will allow for other acceptable forms of identification as defined by Title 9, *Code of Federal Regulations*, Part 79. Also, in subsection (2)(E), add the word "for" to read as other heading throughout the regulation.

RESPONSE AND EXPLANATION OF CHANGE: The department considered the changes and has agreed to accept the changes.
