## HOW TO CITE RULES AND RSMo

**RULES**—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

**RSMo**—The most recent version of the statute containing the section number and the date.

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:  
**Boldface text indicates new matter.**  
*[Bracketed text indicates matter being deleted.]*

**Title 13—DEPARTMENT OF SOCIAL SERVICES  
Division 10—Division of Finance and Administrative  
Services  
Chapter 1—Financial Services**

**PROPOSED RULE**

**13 CSR 10-1.015 Direct Deposit of Payments**

*PURPOSE: This rule describes the procedures for the direct deposit of Department of Social Services payments. This requirement is being implemented to reduce costs associated with mailing such payments, such as handling, postage, and printing costs; and will mitigate the cost and risk associated with lost or returned checks.*

- (1) In this section the following words shall mean:  
(A) The "department" shall mean the Missouri Department of Social Services including any division, subdivision, center, unit, or

part thereof; and

(B) "Payee" shall mean one to whom money is to be paid by the department except for those receiving benefits or payments under an established direct payment mechanism such as child support, food stamp, or Temporary Assistance for Needy Families (TANF) benefits.

(2) Effective on or after June 1, 2015, the Department of Social Services may require its payees to accept payment automatically deposited to an authorized bank account.

(3) If designated by the Department of Social Services for direct deposit payments, payees must complete the appropriate application for provider direct deposit form available on the department's website at <http://dss.mo.gov/direct-deposit.htm>, unless otherwise agreed upon by the Department of Social Services.

(A) The completed application authorizes the state of Missouri to deposit payments into an authorized checking or savings account.

(B) A payee's account may only be debited when an error has occurred resulting in an erroneous payment to the payee.

(C) Direct deposit will begin following:

1. Submission of a properly completed application form to the Department of Social Services;
2. The successful processing of a test transaction through the banking system; and
3. Authorization to make payment using direct deposit by the department.

(4) All direct deposit applications must be signed with an original signature by the payee when that payee is an individual. Applications on behalf of groups or businesses must be signed with an original signature by the individual with fiscal responsibility for the group or business. In the event direct deposit payments from the department are to be issued to more than one payee, all payees must sign the application. Signature stamps will not be accepted. Facsimiles and scanned documents bearing original signatures may, at the discretion of the department, be accepted.

(5) The department may terminate or suspend the direct deposit of payments to a payee when deemed appropriate.
