HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

EMERGENCY AMENDMENT

20 CSR 2085-12.010 General Rules and Application Requirements for All Schools. The board is proposing to add new subsections (1)(A), (1)(B), and (12)(D) and new paragraph (2)(K)3. and amend sections (1) and (3) and paragraphs (2)(K)1. and (2)(K)2.

PURPOSE: This rule is being amended to comply with section 600.9 of the *Code of Federal Regulations*.

EMERGENCY STATEMENT: On July 1, 2015, section 34 CFR 600.9 will become effective, which will require any Missouri cosmetology and barber school wishing to receive federal funding to be approved by the Missouri Board of Cosmetology and Barber Examiners (board) as a post-secondary institution. The proposed changes to the regulations create a process for a school (should a school wish to apply) to be approved as a post-secondary institution. Should a school fail to demonstrate compliance by the required federal deadline, Missouri cosmetology and barber schools will no longer be eligible to accept federal funding for student tuition payments. Immediate adoption of

this rule will enable the board to initiate the process for an application and grant the board the necessary review time to ensure all necessary documentation required for proof of compliance is received by Missouri barbering and cosmetology schools and universities prior to the July 1, 2015, deadline.

The board, recognizing the potential changes that were being proposed in 34 CFR 600.9, began discussing the federal regulations in open session meetings with interested schools, universities, and cosmetology associations. These meetings discussed options for compliance and proposed amendments and were held in July, September, and November 2013; continued in April and October 2014; and concluded in January 2015. As there were no previous requirements for this proof of compliance for cosmetology and barber schools, the board also initiated conference calls and email communications with the United States Department of Education (USDOE) for fact finding. As a result of such communications, the board voted to approve proposed amendment drafts in open session during the September 29–30, 2013, board meeting. By working alongside the USDOE, the board, on December 23, 2013, was allowed to submit the proposed amendment drafts for review and approval by the USDOE to ensure the amendments met all compliance requirements. The board received final approval from the USDOE on the proposed amendment drafts on March 24, 2015. Based on the potential implications and effects of noncompliance with 34 CFR 600.9, on Missouri cosmetology and barber schools and their students, the board is submitting the proposed amendments through the emergency rulemaking process.

This emergency amendment is necessary to allow the board to implement the amendments which meet the requirements of 34 CFR 600.9. While the criteria outlined is subject to the discretion of schools or universities to determine if they wish to apply under the new requirements, schools or universities that do want to apply will need time to comply before the deadline of July 1, 2015.

For these reasons, this emergency amendment is necessary for the compelling governmental interest of enabling Missouri barbering and cosmetology schools and universities and the board to issue required documents for compliance to obtain federal funding and financial aid for qualified Missouri barbering and cosmetology schools and universities through the outlined approval process. Based on the foregoing, the Department of Insurance, Financial Institutions and Professional Registration, Division of Professional Registration, hereby finds an immediate danger to the public health, safety, and welfare and a compelling governmental interest which requires emergency action. The scope of this emergency amendment is limited to the conditions creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. The board believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed May 28, 2015, becomes effective June 7, 2015, and expires February 25, 2016.

Title 20—DEPARTMENT OF INSURANCE, FINANCIAL INSTITUTIONS AND PROFESSIONAL REGISTRATION

Division 2085—Board of Cosmetology and Barber Examiners

Chapter 12—Schools and Student Rules—Barber and Cosmetology

EMERGENCY AMENDMENT

20 CSR 2085-12.035 Requirements for Barber Students. The board is proposing to add new sections (2) and (3) and renumber accordingly.

PURPOSE: This rule is being amended to comply with section 600.9 of the Code of Federal Regulations.

EMERGENCY STATEMENT: On July 1, 2015, section 34 CFR 600.9 will become effective, which will require any Missouri cosmetology and barber school wishing to receive federal funding to be approved by the Missouri Board of Cosmetology and Barber Examiners (board) as a post-secondary institution. The proposed changes to the regulations create a process for a school (should a school wish to apply) to be approved as a post-secondary institution. Should a school fail to demonstrate compliance by the required federal deadline, Missouri cosmetology and barber schools will no longer be eligible to accept federal funding for student tuition payments. Immediate adoption of this rule will enable the board to initiate the process for an application and grant the board the necessary review time to ensure all necessary documentation required for proof of compliance is received by Missouri barbering and cosmetology schools and universities prior to the July 1, 2015, deadline.

The board, recognizing the potential changes that were being proposed in 34 CFR 600.9, began discussing the federal regulations in open session meetings with interested schools, universities, and cosmetology associations. These meetings discussed options for compliance and proposed amendments and were held in July, September, and November 2013; continued in April and October 2014; and concluded in January 2015. As there were no previous requirements for this proof of compliance for cosmetology and barber schools, the board also initiated conference calls and email communications with the United States Department of Education (USDOE) for fact finding. As a result of such communications, the board voted to approve proposed amendment drafts in open session during the September 29–30, 2013, board meeting. By working alongside the USDOE, the board, on December 23, 2013, was allowed to submit the proposed amendment drafts for review and approval by the USDOE to ensure the amendments met all compliance requirements. The board received final approval from the USDOE on the proposed amendment drafts on March 24, 2015. Based on the potential implications and effects of noncompliance with 34 CFR 600.9, on Missouri cosmetology and barber schools and their students, the board is submitting the proposed amendments through the emergency rulemaking process.

This emergency amendment is necessary to allow the board to implement the amendments which meet the requirements of 34 CFR 600.9. While the criteria outlined is subject to the discretion of schools or universities to determine if they wish to apply under the new requirements, schools or universities that do want to apply will need time to comply before the deadline of July 1, 2015.

For these reasons, this emergency amendment is necessary for the compelling governmental interest of enabling Missouri barbering and cosmetology schools and universities and the board to issue required documents for compliance to obtain federal funding and financial aid for qualified Missouri barbering and cosmetology schools and universities through the outlined approval process. Based on the foregoing, the Department of Insurance, Financial Institutions and Professional Registration, Division of Professional Registration, hereby finds an immediate danger to the public health, safety, and welfare and a compelling governmental interest which requires emergency action. The scope of this emergency amendment is limited to the conditions creating the emergency and complies with the protections extended in the Missouri and United States Constitutions. The board believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed May 28, 2015, becomes effective June 7, 2015, and expires February 25, 2016.

(2) For any person enrolling in a postsecondary barber school, the completed student application must indicate that the individual: has earned a high school diploma; has earned a general education development (GED) certification; has completed a home schooling program meeting the requirements of the state in which it occurred and has provided to the board office a written notarized statement from his/her principal instructor demonstrating completion of at least twelve (12) high school credits; or has provided to the barber school proof of a prior enrollment, commencing at any date prior to July 1, 2012, at a Title IV eligible post-secondary institution in a Title IV eligible academic program.

Examiners**

**Chapter 12—Schools and Student Rules—Barber and
Cosmetology**

EMERGENCY AMENDMENT

20 CSR 2085-12.060 Requirements for Cosmetology Students. The board is proposing to add new subsections (1)(B) and (1)(C) and renumber accordingly.

PURPOSE: This rule is being amended to comply with section 600.9 of the Code of Federal Regulations.

EMERGENCY STATEMENT: On July 1, 2015, section 34 CFR 600.9 will become effective, which will require any Missouri cosmetology and barber school wishing to receive federal funding to be approved by the Missouri Board of Cosmetology and Barber Examiners (board) as a post-secondary institution. The proposed changes to the regulations create a process for a school (should a school wish to apply) to be approved as a post-secondary institution. Should a school fail to demonstrate compliance by the required federal deadline, Missouri cosmetology and barber schools will no longer be eligible to accept federal funding for student tuition payments. Immediate adoption of this rule will enable the board to initiate the process for an application and grant the board the necessary review time to ensure all necessary documentation required for proof of compliance is received by Missouri barbering and cosmetology schools and universities prior to the July 1, 2015, deadline.

The board, recognizing the potential changes that were being proposed in 34 CFR 600.9, began discussing the federal regulations in open session meetings with interested schools, universities, and cosmetology associations. These meetings discussed options for compliance and proposed amendments and were held in July, September, and November 2013; continued in April and October 2014; and concluded in January 2015. As there were no previous requirements for this proof of compliance for cosmetology and barber schools, the board also initiated conference calls and email communications with the United States Department of Education (USDOE) for fact finding. As a result of such communications, the board voted to approve proposed amendment drafts in open session during the September 29–30, 2013, board meeting. By working alongside the USDOE, the board, on December 23, 2013, was allowed to submit the proposed amendment drafts for review and approval by the USDOE to ensure the amendments met all compliance requirements. The board received final approval from the USDOE on the proposed amendment drafts on March 24, 2015. Based on the potential implications and effects of noncompliance with 34 CFR 600.9, on Missouri cosmetology and barber schools and their students, the board is submitting the proposed amendments through the emergency rulemaking process.

This emergency amendment is necessary to allow the board to implement the amendments which meet the requirements of 34 CFR 600.9. While the criteria outlined is subject to the discretion of schools or universities to determine if they wish to apply under the new requirements, schools or universities that do want to apply will need time to comply before the deadline of July 1, 2015.

For these reasons, this emergency amendment is necessary for the compelling governmental interest of enabling Missouri barbering and cosmetology schools and universities and the board to issue required documents for compliance to obtain federal funding and financial aid for qualified Missouri barbering and cosmetology schools and universities through the outlined approval process. Based on the foregoing, the Department of Insurance, Financial Institutions and Professional Registration, Division of Professional Registration, hereby finds an immediate danger to the public health, safety, and welfare and a compelling governmental interest which requires emergency action. The

scope of this emergency amendment is limited to the conditions creating the emergency and complies with the protections extended in the Missouri and United States Constitutions. The board believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed May 28, 2015, becomes effective June 7, 2015, and expires February 25, 2016.

(1) Registration.

(B) Any person desiring to enroll in a postsecondary school of cosmetology shall meet all of the requirements set forth in subsection (1)(A) of this rule concerning completion of an enrollment form, except that, in lieu of the information set forth in paragraph (1)(A)4. of this rule, the enrollment form completed by the person shall indicate that the person: has earned a high school diploma; has earned a general education development (GED) certification; has completed a home schooling program meeting the requirements of the state in which it occurred and has provided to the board office a written notarized statement from his/her principal instructor demonstrating completion of at least twelve (12) high school credits; or has provided to the cosmetology school proof of a prior enrollment, commencing at any date prior to July 1, 2012, at a Title IV eligible postsecondary institution in a Title IV eligible academic program.

(C) Any person desiring to enroll in a secondary school of cosmetology shall meet all of the requirements set forth in subsection (1)(A) of this rule.

/(B)/(D) No person shall be given credit for any training received by a school until a properly completed student enrollment form has been received and approved by the board and a student license is returned to the school or cosmetology establishment. The student license shall expire on the expiration date. A new application shall be submitted should the student or apprentice wish to continue training beyond the expiration date.

/(C)/(E) Change of Status. For any student desiring to change the course in which he/she is currently enrolled or who wishes to obtain additional hours beyond the hours required by the board (even if license is still within the five (5)-year limit), he/she will be required to apply to the board for a change of status. Any other alteration (such as change of school and/or location) will require a termination. A student license will be good for a maximum of five (5) years from the date of issuance of the license at that location, unless terminated from the school. An application for change of status shall be made to the board on a form supplied by the board. The form shall be accompanied by the student license and the enrollment application fee and shall be postmarked no later than three (3) days from the effective date of the change of status. The change of status application shall include an interim certificate which shall be valid for twenty (20) days from the date of application and shall be retained by the school to serve as the training license for the student until the amended license is received from the board.

Secretary of State

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

PURPOSE: This amendment is revising the incorporated by reference material Early Childhood Development Act Administrative Manual to include the increasing alignment to the Parents as Teachers National Center curriculum implementation.

(1) All programs and projects carried out by school districts under

(3) If the actual expenditures are less than the amount determined by the formula, only actual expenditures will be reimbursed.

(4) For purposes of this rule, the following terms mean:

(A) Standard amount of square footage per child is sixty (60) square feet. This may encompass educational, administrative, and ancillary space;

(B) Standard amount of square footage per itinerant FTE position is one hundred twenty (120) square feet;

(C) Eligible pupils—

1. For Early Childhood Special Education (ECSE) programs—the number of students with disabilities who are educated at the leased facility and have instructional services in their Individualized Education Program (IEP) plus the number of non-disabled integrated peers who are educated at the leased facility. The number shall be determined based on the pupil enrollment on April 30 in the year for which facility lease payment is requested;

2. For the Missouri Preschool Program (MPP)—the number of slots approved by the department in the grant award for the program; and

3. For Elementary and Secondary Education Act (ESEA) preschools—the number of slots determined by the district and approved within the budget application for children who are educationally disadvantaged and are three (3), four (4), or five (5) years of age;

(D) Cost per square foot by county—

1. The highest rate per square foot for the county where the facility is located as computed based on the state lease facility space information per county obtained from the Office of Administration (OA) and posted on the department website annually; or

2. If there is no rate for an individual county, the lowest rate from the contiguous counties is used in the formula;

(E) Itinerant positions are instructional and related services staff that travel from one (1) building/facility to a separate building/facility in order to provide instructional and related services as set forth in an IEP, or who provide services to eligible pupils outside the ECSE classroom. Itinerant FTE is determined by the instructional and related services staff coded with an itinerant delivery system in the Missouri Student Information System (MOSIS); and

(F) FTE is the number of total hours worked divided by the maximum number of compensable hours in a full-time schedule as defined by law.

(5) The formula will be used for facility lease costs incurred starting July 1, 2016.

(6) The formula applies to ECSE, MPP, and ESEA programs with facility lease agreements.

(7) Requests for payment shall be submitted to the department's finance section handling the costs for the specific early learning program in accordance with the deadlines for that program.

(8) Districts can have multiple early learning programs in the same building but the facility lease costs must be prorated among the programs based on a method approved by the department.

If local districts pay the full lease cost out of local funds there will be no cost to the lessors. This proposed rule will cost private entities providing early childhood learning under a grant from the state of Missouri an unknown amount if the current lease amount exceeds the allowed amount under the proposed funding formula.

IV. ASSUMPTIONS

Lease costs, child counts, and itinerant FTE utilized in the fiscal cost computation are based on information obtained from local school districts for the 2014-15 school year who currently have leases. For those local school districts that did not report the requested information, the highest possible fiscal impact was listed. The allowed rate per square foot utilized in the formula is computed based on the state lease facility information per county obtained from the Office of Administration (OA) for FY15. In addition, the formula provides a consistent method for applying reimbursement between each of the local school districts. If the local school districts choose to renegotiate lease agreements to correspond to the formula, there will be no fiscal impact.

Background

The individuals listed in this notice have recently filed applications

requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, RSMo, MoDOT may issue an SPE Certificate, for not more than a two- (2-) year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing an SPE Certificate will comply with the statutory requirements and will achieve the required level of safety. If granted, the SPE Certificate is only applicable to intrastate transportation wholly within Missouri.

The board's original estimated cost was nine hundred seventy-eight dollars and fifty cents (\$978.50). The actual cost at the end of the first full fiscal year was one thousand seventy-seven dollars and fifty cents (\$1,077.50), as explained in detail below.

The original cost estimate was based upon the assumption that there would be five (5) persons who would seek armed licensure during the first year of implementation. Instead, seven (7) persons sought licensure as unarmed officers during the first year of implementation.

The cost to the other public agencies, the City of Kansas City, Missouri and the Housing Authority of Kansas City, Missouri, at the end of the first full fiscal year was less than the cost estimated by the board.
