HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo Supp. 2014.

ATTEST:

Jason Kander
Secretary of State

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

In no event shall the wage be set below eight dollars and fifty cents (\$8.50) an hour before taxes. When setting the wage rate, the consumer, as the employer, may consider any job-related factors, including, but not limited to, relevant experience including years of service; applicable education, training, and certifications; past performance and level of consumer satisfaction; and level of care needs of the consumer. When setting the wage rate, the consumer shall convey to the vendor the wage rate on a standardized vendor form and is encouraged to share with the vendor the rationale used to set the wage rate.

(2) For purposes of this regulation, a vendor is any person, firm, or corporation having a written agreement with the department and/or the Missouri Department of Social Services to provide services, including monitoring and oversight of the attendant, orientation and training of the consumer, and fiscal conduit services necessary for delivery of consumer-directed services to physically disabled persons.

AUTHORITY: section 208.927, RSMo Supp. 2014. Original rule filed Dec. 26, 2014.

PUBLIC COST: This proposed rule will not cost state agencies or political subdivisions more than five hundred dollars (\$500) in the aggregate.

PRIVATE COST: This proposed rule will cost private entities \$6,952,091-\$43,575,528 annually in the aggregate.

NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support or in opposition to this proposed rule with the Missouri Department of Health and Senior Services, Division of Senior and Disability Services, Celesta Hartgraves, Director, PO Box 570, Jefferson City, MO, 65102-0570. To be considered, comments must be received within thirty (30) days after publication of this notice in the Missouri Register. No public hearing is scheduled.

III. WORKSHEET

See the attached spreadsheet.

IV. ASSUMPTIONS

- The average growth in units of service from Fiscal Year 2010 to Fiscal Year 2014 is 16.77 percent.
- Fiscal Year 2014 actual units of service (81,716,458) were multiplied times the 16.77 percent average growth rate, which yields an estimated 95,420,864 units of service for Fiscal Year 2015.
- The current average wage for personal care attendants is \$8.50 + \$0.89 in taxes (taxes at 10.45 percent) equals \$9.39 per hour, or \$2.35 per 15 minute unit.
- Actual wage data for the individuals involved in delivery of units of service is not available. In order to estimate the fiscal impact of this proposed rule, it is assumed that individuals who deliver services are equally represented in ten-cent wage intervals clustered around the \$8.50 average wage. So the calculation methodology includes ten wage intervals below \$8.50 (starting at \$7.50) and ten wage intervals above \$8.50 (ending at \$9.50).

- It is understood that the wages paid to some individuals are beyond the \$9.50 ceiling employed in the calculation methodology. However, it is assumed that the number of individuals making more than \$9.50 per hour would be relatively small. Also, it is not feasible to calculate the precise amounts absent actual wage data and the number of units provided by individuals at each wage level.
- The analysis assumes that the estimated 95,420,864 units of service are uniformly spread among the individuals at the various 21 wage intervals (\$7.50 through \$9.50).
- The analysis determines the difference between the unit rate for wages and taxes at each of the ten-cent wage intervals versus the unit rate for wages and taxes at the \$8.50 (Scenario 1) and \$10.15 (Scenario 2) salary levels set by the proposed rule.

This section will contain the final text of the rules proposed by agencies. The order of rulemaking is required to contain a citation to the legal authority upon which the order or rulemaking is based; reference to the date and page or pages where the notice of proposed rulemaking was published in the *Missouri Register*; an explanation of any change between the text of the rule as contained in the notice of proposed rulemaking and the text of the rule as finally adopted, together with the reason for any such change; and the full text of any section or subsection of the rule as adopted which has been changed from that contained in the notice of proposed rulemaking. The effective date of the rule shall be not less than thirty (30) days after the date of publication of the revision to the *Code of State Regulations*.

The agency is also required to make a brief summary of the general nature and extent of comments submitted in support of or opposition to the proposed rule and a concise summary of the testimony presented at the hearing, if any, held in connection with the rulemaking, together with a concise summary of the agency's findings with respect to the merits of any such testimony or comments which are opposed in whole or in part to the proposed rule. The ninety-(90-) day period during which an agency shall file its order of rulemaking for publication in the *Missouri Register* begins either: 1) after the hearing on the proposed rulemaking is held; or 2) at the end of the time for submission of comments to the agency. During this period, the agency shall file with the secretary of state the order of rulemaking, either putting the proposed rule into effect, with or without further changes, or withdrawing the proposed rule.

RESPONSE: Amendment of the regulatory definition of “good-faith effort” is required to clarify the definition’s scope and intent. Specifically, the phrase in the current definition “being eligible to complete and completing the federal need-based aid application” requires clarification. It is MDHE policy that the term “complete” in the definition means the student has provided all of the information required by the FAFSA for federal student aid eligibility. Students with DACA status are unable to accomplish this because they cannot provide the citizenship information required for federal aid eligibility. Since the department believes these students do meet the criteria for state aid eligibility, as defined in section 173.1110, RSMo, the definition must be revised in order to ensure the administrative rule is consistent with statutory provisions by providing a categorical exception for these students.

No changes have been made to the rule as a result of this comment.

COMMENT #2: Jon Hile, Board of Directors Chair, and R. Stephen Green, Ed.D, Superintendent of Schools, Kansas City Public Schools submitted comments supporting the proposed amendment. Their comments indicated the amendment was an important step in helping the Kansas City Public School District achieve its mission of helping all students succeed, that A+ makes college a realistic expectation for students and that it would be shortsighted for a policy to make it more difficult for students to become responsible adults.

RESPONSE: No changes have been made to the rule as a result of this comment.

COMMENT #3: Vanessa Crawford Aragon, Executive Director, Missouri Immigrant and Refugee Advocates (MIRA) submitted comments supporting the proposed amendment as it settles any question regarding DACA grantees’ A+ eligibility and ensures Missouri law and regulations reflect federal law. In addition, Ms. Crawford supported the A+ Scholarship’s assistance of students granted DACA and indicated these students should be granted access to the scholarship immediately.

RESPONSE: The department agrees that the amendment will bring the A+ regulation into alignment with state law. However, the amendment of the rule is necessary to accomplish that for the reasons given in the response to Comment 1.

No changes have been made to the rule as a result of this comment.

COMMENT #4: Faith Sandler, Executive Director, Karissa Anderson, Senior Policy Intern, and Sidney Goldstein, Board of Directors of the Scholarship Foundation of St. Louis submitted comments supporting the proposed amendment, but opposing the practice of charging students granted DACA international or non-residential tuition rates. They indicated the proposed amendment is an important step to furthering educational opportunity in Missouri and ensures consistent program administration in conformity with the law. In addition, they urge the department to grant immediate A+ benefits to students granted DACA.

RESPONSE: The department agrees with the positive impacts of the A+ Scholarship and the need to align the administrative rule with state statutes. However, the amendment of the rule is necessary to accomplish that for the reasons given in the response to Comment 1.

The department defers response to the opposition to the practice of charging students granted DACA international or non-residential tuition rates as that issue is outside the scope of the proposed amendment.

No changes have been made to the rule as a result of this comment.

COMMENT #5: Jane Donahue, Co-Chair, and Faith Sandler, Co-Chair, of the Advocacy Committee of St. Louis Graduates submitted comments supporting the proposed amendment as it settles any question regarding DACA grantees’ A+ eligibility and aligns departmental practices with existing law. In addition, Ms. Donahue and Ms. Sandler urged the department to grant immediate A+ benefits to students granted DACA.

RESPONSE: The department agrees that the amendment will bring the A+ regulation into alignment with existing law. However, the department cannot grant the students granted DACA immediate access to the scholarship because of the reasons given in response to Comment 1.

No changes have been made to the rule as a result of this comment.

Background

The individuals listed in this notice have recently filed applications requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, RSMo Supp. 2014, MoDOT may issue an SPE Certificate, for not more than a two- (2-) year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing an SPE Certificate will comply with the statutory requirements and will achieve the required level of safety. If granted, the SPE Certificate is only applicable to intrastate transportation wholly within Missouri.
