HOW TO CITE RULES AND RSMo

RULES—Cite material in the *Missouri Register* by volume and page number, for example, Vol. 28, *Missouri Register*, page 27. The approved short form of citation is 28 MoReg 27.

The rules are codified in the *Code of State Regulations* in this system—

Title	Code of State Regulations	Division	Chapter	Rule
1	CSR	10-	1.	010
Department		Agency, Division	General area regulated	Specific area regulated

They are properly cited by using the full citation, i.e., 1 CSR 10-1.010.

Each department of state government is assigned a title. Each agency or division within the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraph 1., subparagraph A., part (I), subpart (a), item I. and subitem a.

RSMo—The most recent version of the statute containing the section number and the date.

Rules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2000. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

Rules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

All emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

**Title 20—DEPARTMENT OF INSURANCE,
FINANCIAL INSTITUTIONS AND PROFESSIONAL
REGISTRATION
Division 2015—Acupuncturist Advisory Committee
Chapter 1—General Rules**

EMERGENCY AMENDMENT

20 CSR 2015-1.030 Fees. The advisory committee is proposing to amend section (3).

PURPOSE: The advisory committee is statutorily obligated to enforce and administer the provisions of sections 324.475–324.499, RSMo. Pursuant to section 324.481, RSMo, the Missouri State Board of Chiropractic Examiners, upon recommendation of the Acupuncturist Advisory Committee, shall set fees necessary to administer the provisions of sections 324.475 to 324.499, RSMo. The advisory committee is proposing to decrease the acupuncturist renewal fee.

EMERGENCY STATEMENT: The Missouri State Board of Chiropractic Examiners, upon the recommendation of the Acupuncturist Advisory Committee, is statutorily obligated to set all fees, by regulation, necessary to administer the provisions of sections 324.475–324.499, RSMo. Pursuant to section 324.481, RSMo, the advisory committee shall by regulation set the amount of fees authorized by sections 324.475–324.499, RSMo, to produce revenue which shall not substantially exceed the cost and expense of administering the provisions of sec-

tions 324.475–324.499. Therefore, the board upon recommendation by the advisory committee is proposing to decrease the biennial renewal fee from two hundred dollars (\$200) to one hundred twenty-five dollars (\$125) for the 2015 renewal period.

The acupuncturist license expires on June 30, 2015. The renewal notices for acupuncturists will be mailed April 1, 2015 and any acupuncturist wishing to reinstate or renew their license beginning April 1, 2015 will be assessed the decreased renewal fee. Without this emergency amendment the decreased fee requirement will not be effective in time for the renewal notice and the advisory committee will collect more revenue than it is statutorily authorized to collect.

The scope of the emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the *Missouri* and *United States Constitutions*. In developing this emergency amendment, the committee has determined that the fee decrease is necessary for the 2015 renewal period to prevent funds from exceeding the maximum fund balance thereby resulting in a transfer from the fund to general revenue as set forth in section 324.481.6, RSMo. Pursuant to section 324.001.10, RSMo, a compelling governmental interest is deemed to exist for the purposes of section 536.025, RSMo, for licensure fees to be reduced by emergency rule, if the projected fund balance of any agency assigned to the Division of Professional Registration is reasonably expected to exceed an amount that would require transfer from that fund to general revenue. The committee believes this emergency amendment to be fair to all interested parties under the circumstances. This emergency amendment was filed March 16, 2015, becomes effective March 26, 2015, and expires September 21, 2015.

(3) The fees are established as follows:

(B) Acupuncturist Biennial Renewal Fee [~~\$200.00~~] **\$125**

AUTHORITY: sections 324.490 and 324.493, RSMo 2000, and sections 324.481 and 324.487, RSMo Supp. [2012] 2014. This rule originally filed as 4 CSR 15-1.030. Original rule filed July 24, 2001, effective Feb. 28, 2002. For intervening history, please consult the *Code of State Regulations*. Emergency amendment filed March 16, 2015, effective March 26, 2015, expires Sept. 21, 2015. A proposed amendment covering this same material is published in this issue of the *Missouri Register*.

Under this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

proposing to decrease the acupuncturist application fee.

Emergency amendment filed March 16, 2015, effective March 26, 2015, expires Sept. 21, 2015. Amended: Filed March 16, 2015.

NOTICE TO SUBMIT COMMENTS: Anyone may file a statement in support of or in opposition to this proposed amendment with the Acupuncturist Advisory Committee, PO Box 1335, Jefferson City, MO 65102, by facsimile at 573-751-0735, or via email at acupuncture@pr.mo.gov. Title 2—DEPARTMENT OF AGRICULTURE Division 30—Animal Health Chapter 2—Health Requirements for Movement of Livestock, Poultry, and Exotic Animals

ORDER OF RULEMAKING

By the authority vested in the Director of Agriculture under section 267.645, RSMo 2000, the director amends a rule as follows:

2 CSR 30-2.010 Health Requirements Governing the Admission of Livestock, Poultry, and Exotic Animals Entering Missouri **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 1, 2014 (39 MoReg 1925–1926). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The director received two (2) comments on the proposed amendment.

COMMENT #1: Dr. John Bolinger is in favor of the proposed regulations and feels that they will be good for Missouri cattle producers but questions why an out-of-state Trichomoniasis test is valid for only thirty (30) days and in-state Trichomoniasis test is valid for sixty (60) days. He feels that the testing timeline should be consistent for both. He does agree with the sixty (60) days validity, which is what more states are moving towards, giving more uniformity to the regulations across the nation.

RESPONSE: The requirement of the adjoining states, with the exception of Kansas, is currently a Trichomoniasis test within thirty (30) days of entry. We will continue to monitor the progress to uniform the requirements across the United States.

COMMENT #2: Jim McCann, President of Missouri Cattlemen's Association, responded on behalf of the Missouri Cattlemen's Association (MCA) an appreciation for the Missouri Department of Agriculture (MDA) working with the industry to develop a rule to minimize the presence of Trichomoniasis in Missouri and reducing unneeded and scientifically unfounded burdens on Missouri's cattlemen and cattlemen. The MCA encourages this rule be adopted with the understanding that more changes may be needed in the future, and the dialogue between industry and MDA continue to review the progress of this rule subsequent to implementation.

RESPONSE: The Department of Agriculture appreciates and thanks the Missouri Cattlemen's Association for their comment and support.

SUMMARY OF COMMENTS: The director received one (1) comment on the proposed amendment.

COMMENT #1: Jim McCann, President of Missouri Cattlemen's Association, responded on behalf of the Missouri Cattlemen's Association (MCA) an appreciation for the Missouri Department of Agriculture (MDA) working with the industry to develop a rule to minimize the presence of Trichomoniasis in Missouri and reducing unneeded and scientifically unfounded burdens on Missouri's cattlemen and cattlemen. Title 2—DEPARTMENT OF AGRICULTURE Division 30—Animal Health Chapter 6—Livestock Markets

ORDER OF RULEMAKING

By the authority vested in the Director of Agriculture under section 277.160, RSMo 2000, the director amends a rule as follows:

2 CSR 30-6.020 Duties and Facilities of the Market/Sale Veterinarian **is amended.**

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on December 1, 2014 (39 MoReg 1930–1931). No changes have been made in the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The director received two (2) comments on the proposed amendment.

COMMENT #1: Dr. John Bolinger is in favor of the proposed regulations and feels that they will be good for Missouri cattle producers but questions why an out-of-state Trichomoniasis test is valid for only thirty (30) days and in-state Trichomoniasis test is valid for sixty (60) days. He feels that the testing timeline should be consistent for both. He does agree with the sixty (60) days validity which is what more states are moving towards, giving more uniformity to the regulations across the nation.

RESPONSE: The requirement of the adjoining states, with the exception of Kansas, is currently a Trichomoniasis test within thirty (30) days of entry. We will continue to monitor the progress to uniform the requirements across the United States.

The MCA encourages this rule be amended with the understanding that more changes may be needed in the future and the dialogue between industry and MDA continue to review the progress of this rule subsequent to implementation.

RESPONSE: The Department of Agriculture appreciates and thanks the Missouri Cattlemen's Association for their comment and support.

Background

The individuals listed in this notice have recently filed applications requesting MoDOT to issue SPE Certificates to exempt them from the physical qualification requirements relating to vision in 49 CFR 391.41(b)(10), or to diabetes in 49 CFR 391.41(b)(3), which otherwise apply to drivers of CMVs in Missouri intrastate commerce.

Under section 622.555, RSMo Supp. 2014, MoDOT may issue an SPE Certificate, for not more than a two- (2-) year period, if it finds that the applicant has the ability, while operating CMVs, to maintain a level of safety that is equivalent to or greater than the driver qualification standards of 49 CFR 391.41. Upon application, MoDOT may renew an exemption upon expiration.

Accordingly, the agency will evaluate the qualifications of each applicant to determine whether issuing an SPE Certificate will comply with the statutory requirements and will achieve the required level of safety.
